

(b) Form; required provisions; waiver; projects subject to requirements

(1) An application for a medical facilities project shall be submitted in such form and manner as the Secretary shall by regulation prescribe and shall, except as provided in paragraph (2), set forth—

(A) in the case of a modernization project for a medical facility for continuation of existing health services, a finding by the State Agency of a continued need for such services, and, in the case of any other project for a medical facility, a finding by the State Agency of the need for the new health services to be provided through the medical facility upon completion of the project;

(B) in the case of an application for a grant, assurances satisfactory to the Secretary that (i) the applicant making the application would not be able to complete the project for which the application is submitted without the grant applied for, and (ii) in the case of a project to construct a new medical facility, it would be inappropriate to convert an existing medical facility to provide the services to be provided through the new medical facility;

(C) in the case of a project for the discontinuance of a service or facility or the conversion of a service or a facility, an evaluation of the impact of such discontinuance or conversion on the provision of health care in the health service area in which such service was provided or facility located;

(D) a description of the site of such project;

(E) plans and specifications therefor which meet the requirements of the regulations prescribed under section 300s(2) of this title;

(F) reasonable assurance that title to such site is or will be vested in one or more of the entities filing the application or in a public or other nonprofit entity which is to operate the facility on completion of the project;

(G) reasonable assurance that adequate financial support will be available for the completion of the project and for its maintenance and operation when completed, and, for the purpose of determining if the requirements of this subparagraph are met, Federal assistance provided directly to a medical facility which is located in an area determined by the Secretary to be an urban or rural poverty area or through benefits provided individuals served at such facility shall be considered as financial support;

(H) the type of assistance being sought under part A or B for the project;

(I) reasonable assurance that all laborers and mechanics employed by contractors or subcontractors in the performance of work on a project will be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with sections 3141-3144, 3146, and 3147 of title 40, and the Secretary of Labor shall have with respect to such labor standards the authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (15 FR 3176; 5 U.S.C. Appendix) and section 3145 of title 40;

(J) in the case of a project for the construction or modernization of an outpatient facil-

ity, reasonable assurance that the services of a general hospital will be available to patients at such facility who are in need of hospital care; and

(K) reasonable assurance that at all times after such application is approved (i) the facility or portion thereof to be constructed, modernized, or converted will be made available to all persons residing or employed in the area served by the facility, and (ii) there will be made available in the facility or portion thereof to be constructed, modernized, or converted a reasonable volume of services to persons unable to pay therefor and the Secretary, in determining the reasonableness of the volume of services provided, shall take into consideration the extent to which compliance is feasible from a financial viewpoint.

(2)(A) The Secretary may waive—

(i) the requirements of subparagraph (D) of paragraph (1) for compliance with modernization and equipment standards prescribed pursuant to section 300s(2) of this title, and

(ii) the requirement of subparagraph (E) of paragraph (1) respecting title to a project site,

in the case of an application for a project described in subparagraph (B) of this paragraph.

(B) A project referred to in subparagraph (A) is a project—

(i) for the modernization of an outpatient medical facility which will provide general purpose health services, which is not part of a hospital, and which will serve a medically underserved population as defined in section 300s-3 of this title or as designated by a health systems agency, and

(ii) for which the applicant seeks a loan under part A the principal amount of which does not exceed \$20,000.

CODIFICATION

In subsec. (b)(1)(I), “sections 3141-3144, 3146, and 3147 of title 40” substituted for “the Act of March 3, 1931 (40 U.S.C. 276a-276a-5, known as the Davis-Bacon Act)” and “section 3145 of title 40” substituted for “section 2 of the Act of June 13, 1934 (40 U.S.C. 276c)” on authority of Pub. L. 107-217, §5(c), Aug. 21, 2002, 116 Stat. 1303, the first section of which enacted Title 40, Public Buildings, Property, and Works.

PRIOR PROVISIONS

A prior section 300s-1 was redesignated 300s-1a and amended as part of the general revision of this subchapter by Pub. L. 96-79.

A prior section 1621 of act July 1, 1944, as added Jan. 4, 1975, Pub. L. 93-641, §4, 88 Stat. 2265, which related to the allocation among States of the total amount of principal of loans and loan guarantees, was classified to section 300q-1 of this title, prior to repeal as part of the general revision of this subchapter by Pub. L. 96-79.

EFFECTIVE DATE

Section effective Oct. 1, 1979, see section 204 of Pub. L. 96-79, set out as an Effective Date of 1979 Amendment note under section 300q of this title.

§ 300s-1a. Recovery of expenditures under certain conditions**(a) Persons liable**

If any facility with respect to which funds have been paid under this subchapter shall, at

any time within 20 years after the completion of construction or modernization—

(1) be sold or transferred to any entity (A) which is not qualified to file an application under section 300s-1 or 300t-12 of this title or (B) which is not approved as a transferee by the State Agency of the State in which such facility is located, or its successor, or

(2) cease to be a public health center or a public or other nonprofit hospital, outpatient facility, facility for long-term care, or rehabilitation facility,

the United States shall be entitled to recover, whether from the transferor or the transferee (or, in the case of a facility which has ceased to be public or nonprofit, from the owners thereof) an amount determined under subsection (c).

(b) Notice to Secretary

The transferor of a facility which is sold or transferred as described in subsection (a)(1), or the owner of a facility the use of which is changed as described in subsection (a)(2), shall provide the Secretary written notice of such sale, transfer, or change not later than the expiration of 10 days from the date on which such sale, transfer, or change occurs.

(c) Amount of recovery; interest; interest period

(1) Except as provided in paragraph (2), the amount the United States shall be entitled to recover under subsection (a) is an amount bearing the same ratio to the then value (as determined by the agreement of the parties or in an action brought in the district court of the United States for the district for which the facility involved is situated) of so much of the facility as constituted an approved project or projects as the amount of the Federal participation bore to the cost of the construction or modernization of such project or projects.

(2)(A) After the expiration of—

(i) 180 days after the date of the sale, transfer, or change of use for which a notice is required by subsection (b) in the case of a facility which is sold or transferred or the use of which changes after July 18, 1984, or

(ii) thirty days after July 18, 1984, or if later 180 days after the date of the sale, transfer, or change of use for which a notice is required by subsection (b), in the case of a facility which was sold or transferred or the use of which changed before July 18, 1984,

the amount which the United States is entitled to recover under paragraph (1) with respect to a facility shall be the amount prescribed by paragraph (1) plus interest, during the period described in subparagraph (B), at a rate (determined by the Secretary) based on the average of the bond equivalent of the weekly 90-day Treasury bill auction rate.

(B) The period referred to in subparagraph (A) is the period beginning—

(i) in the case of a facility which was sold or transferred or the use of which changed before July 18, 1984, thirty days after such date or if later 180 days after the date of the sale, transfer, or change of use for which a notice is required by subsection (b).¹

¹ So in original. The period probably should be a comma.

(ii) in the case of a facility with respect to which notice is provided in accordance with subsection (b), upon the expiration of 180 days after the receipt of such notice, or

(iii) in the case of a facility with respect to which such notice is not provided as prescribed by subsection (b), on the date of the sale, transfer, or changes of use for which such notice was to be provided,

and ending on the date the amount the United States is entitled to under paragraph (1) is collected.

(d) Waiver

(1) The Secretary may waive the recovery rights of the United States under subsection (a)(1) with respect to a facility in any State if the Secretary determines, in accordance with regulations, that the entity to which the facility was sold or transferred—

(A) has established an irrevocable trust—

(i) in an amount equal to the greater of twice the cost of the remaining obligation of the facility under clause (ii) of section 300s-1(b)(1)(K) of this title or the amount, determined under subsection (c), that the United States is entitled to recover, and

(ii) which will only be used by the entity to provide the care required by clause (ii) of section 300s-1(b)(1)(K) of this title; and

(B) will meet the obligation of the facility under clause (i) of section 300s-1(b)(1)(K) of this title.

(2) The Secretary may waive the recovery rights of the United States under subsection (a)(2) with respect to a facility in any State if the Secretary determines, in accordance with regulations, that there is good cause for waiving such rights with respect to such facility.

(e) Lien

The right of recovery of the United States under subsection (a) shall not constitute a lien on any facility with respect to which funds have been paid under this subchapter.

(July 1, 1944, ch. 373, title XVI, §1622, formerly §1631, as added Pub. L. 93-641, §4, Jan. 4, 1975, 88 Stat. 2269; amended Pub. L. 94-278, title XI, §1106(c), Apr. 22, 1976, 90 Stat. 416; renumbered §1622 and amended Pub. L. 96-79, title II, §§202(b), 203(c), Oct. 4, 1979, 93 Stat. 632, 635; Pub. L. 98-369, div. B, title III, §2381(b), July 18, 1984, 98 Stat. 1114.)

CODIFICATION

Section was formerly classified to section 300s-1 of this title prior to the general revision of this subchapter by Pub. L. 96-79.

PRIOR PROVISIONS

A prior section 1622 of act July 1, 1944, as added Jan. 4, 1975, Pub. L. 93-641, §4, 88 Stat. 2265, was renumbered section 1602 as part of the general revision of this subchapter by Pub. L. 96-79 and is classified to section 300q-2 of this title.

AMENDMENTS

1984—Pub. L. 98-369 amended section generally. Prior to the amendment, section read as follows:

“(a) If any facility constructed, modernized, or converted with funds provided under this subchapter is, at

any time within twenty years after the completion of such construction, modernization, or conversion with such funds—

“(1) sold or transferred to any person or entity (A) which is not qualified to file an application under section 300s-1 or 300t-12 of this title or (B) which is not approved as a transferee by the State Agency of the State in which such facility is located, or its successor; or

“(2) not used as a medical facility, and the Secretary has not determined that there is good cause for termination of such use,

the United States shall be entitled to recover from either the transferor or the transferee in the case of a sale or transfer or from the owner in the case of termination of use an amount bearing the same ratio to the then value (as determined by the agreement of the parties or by action brought in the district court of the United States for the district in which the facility is situated) of so much of such facility as constituted an approved project or projects, as the amount of the Federal participation bore to the cost of the construction, modernization, or conversion of such project or projects. Such right of recovery shall not constitute a lien upon such facility prior to judgment.

“(b) The Secretary may waive the recovery rights of the United States under subsection (a) of this section with respect to a facility in any State—

“(1) if (as determined under regulations prescribed by the Secretary) the amount which could be recovered under subsection (a) of this section with respect to such facility is applied to the development, expansion, or support of another medical facility located in such State which has been approved by the Statewide Health Coordinating Council for such State as consistent with the State health plan established pursuant to section 300m-3(c) of this title; or

“(2) if the Secretary determines, in accordance with regulations, that there is good cause for waiving such requirement with respect to such facility.

If the amount which the United States is entitled to recover under subsection (a) of this section exceeds 90 per centum of the total cost of the construction or modernization project for a facility, a waiver under this subsection shall only apply with respect to an amount which is not more than 90 per centum of such total cost.”

1979—Subsec. (a)(1)(A). Pub. L. 96-79, §203(c), substituted “section 300s-1 or 300t-12 of this title” for “section 300o-3 of this title”.

EFFECTIVE DATE OF 1979 AMENDMENT

Amendment by Pub. L. 96-79 effective Oct. 1, 1979, see section 204 of Pub. L. 96-79, set out as a note under section 300q of this title.

REGULATIONS AND PERSONNEL

Requirements for regulations and personnel to implement this section, see section 2381(c) of Pub. L. 98-369, set out as a note under section 291i of this title.

§ 300s-2. State supervision or control of operations of facilities receiving funds

Except as otherwise specifically provided, nothing in this subchapter shall be construed as conferring on any Federal officer or employee, the right to exercise any supervision or control over the administration, personnel, maintenance, or operation of any facility with respect to which any funds have been or may be expended under this subchapter.

(July 1, 1944, ch. 373, title XVI, §1623, formerly §1632, as added Pub. L. 93-641, §4, Jan. 4, 1975, 88 Stat. 2270; renumbered §1623, Pub. L. 96-79, title II, §202(b), Oct. 4, 1979, 93 Stat. 632.)

§ 300s-3. Definitions

Except as provided in section 300t-12(e) of this title, for purposes of this subchapter—

(1) The term “hospital” includes general, tuberculosis, and other types of hospitals, and related facilities, such as laboratories, outpatient departments, nurses’ home facilities, extended care facilities, facilities related to programs for home health services, self-care units, and central service facilities, operated in connection with hospitals, and also includes education or training facilities for health professional¹ personnel operated as an integral part of a hospital, but does not include any hospital furnishing primarily domiciliary care.

(2) The term “public health center” means a publicly owned facility for the provision of public health services, including related publicly owned facilities such as laboratories, clinics, and administrative offices operated in connection with such a facility.

(3) The term “nonprofit” as applied to any facility means a facility which is owned and operated by one or more nonprofit corporations or associations no part of the net earnings of which inures, or may lawfully inure, to the benefit of any private shareholder or individual.

(4) The term “outpatient medical facility” means a medical facility (located in or apart from a hospital) for the diagnosis or diagnosis and treatment of ambulatory patients (including ambulatory inpatients)—

(A) which is operated in connection with a hospital,

(B) in which patient care is under the professional supervision of persons licensed to practice medicine or surgery in the State, or in the case of dental diagnosis or treatment, under the professional supervision of persons licensed to practice dentistry in the State; or

(C) which offers to patients not requiring hospitalization the services of licensed physicians in various medical specialties, and which provides to its patients a reasonably full-range of diagnostic and treatment services.

(5) The term “rehabilitation facility” means a facility which is operated for the primary purpose of assisting in the rehabilitation of disabled persons through an integrated program of—

(A) medical evaluation and services, and

(B) psychological, social, or vocational evaluation and services,

under competent professional supervision, and in the case of which the major portion of the required evaluation and services is furnished within the facility; and either the facility is operated in connection with a hospital, or all medical and related health services are prescribed by, or are under the general direction of, persons licensed to practice medicine or surgery in the State.

(6) The term “facility for long-term care” means a facility (including a skilled nursing or intermediate care facility) providing in-patient care for convalescent or chronic disease patients who required skilled nursing or intermediate care and related medical services—

¹ So in original. Probably should be “professional”.
