

mined by the Administrator) based on the average yield to maturity, plus 1 percentage point, on outstanding municipal bonds issued by New York City with a remaining maturity of at least 1 year.

(ii) Recovery of amounts owed

The amounts owed to the WTC Program Administrator under such contract shall be recoverable by the United States in an action in the same manner as payments made under title XVIII of the Social Security Act [42 U.S.C. 1395 et seq.] may be recoverable in an action brought under section 1862(b)(2)(B)(iii) of such Act [42 U.S.C. 1395y(b)(2)(B)(iii)].

(F) Deposit in fund

The WTC Program Administrator shall deposit amounts paid under such contract into the World Trade Center Health Program Fund under section 300mm-61 of this title.

(2) Payment of New York City share of monitoring and treatment costs

With respect to each calendar quarter for which a contribution is required by New York City under the contract under paragraph (1), the WTC Program Administrator shall—

(A) provide New York City with an estimate of such amount of the required contribution at the beginning of such quarter and with an updated estimate of such amount at the beginning of each of the subsequent 2 quarters;

(B) bill such amount directly to New York City; and

(C) certify periodically, for purposes of this subsection, whether or not New York City has paid the amount so billed.

Such amount shall initially be estimated by the WTC Program Administrator and shall be subject to adjustment and reconciliation based upon actual expenditures in carrying out this subchapter.

(3) Rule of construction

Nothing in this subsection shall be construed as authorizing the WTC Administrator, with respect to a fiscal year, to reduce the numerical limitation under section 300mm-21(a)(4) or 300mm-31(a)(3) of this title for such fiscal year if New York City fails to comply with paragraph (1) for a calendar quarter in such fiscal year.

(e) Work-related described

For the purposes of this section, a WTC-related health condition shall be treated as a condition that is work-related if—

(1) the condition is diagnosed in an enrolled WTC responder, or in an individual who qualifies as a certified-eligible WTC survivor on the basis of being a rescue, recovery, or cleanup worker; or

(2) with respect to the condition the individual has filed and had established a claim under a workers' compensation law or plan of the United States or a State, or other work-related injury or illness benefit plan of the employer of such individual.

PART C—RESEARCH INTO CONDITIONS

§ 300mm-51. Research regarding certain health conditions related to September 11 terrorist attacks

(a) In general

With respect to individuals, including enrolled WTC responders and certified-eligible WTC survivors, receiving monitoring or treatment under part B, the WTC Program Administrator shall conduct or support—

(1) research on physical and mental health conditions that may be related to the September 11, 2001, terrorist attacks;

(2) research on diagnosing WTC-related health conditions of such individuals, in the case of conditions for which there has been diagnostic uncertainty; and

(3) research on treating WTC-related health conditions of such individuals, in the case of conditions for which there has been treatment uncertainty.

The Administrator may provide such support through continuation and expansion of research that was initiated before January 2, 2011, and through the World Trade Center Health Registry (referred to in section 300mm-52 of this title), through a Clinical Center of Excellence, or through a Data Center.

(b) Types of research

The research under subsection (a)(1) shall include epidemiologic and other research studies on WTC-related health conditions or emerging conditions—
