EFFECTIVE DATE

Pub. L. 89-97, title III, §335, July 30, 1965, 79 Stat. 406, provided that this section is effective with respect to benefits under this subchapter for months after December 1965 based on the wages and self-employment income of individuals entitled to benefits under section 423 of this title whose period of disability (as defined in this subchapter) began after June 1, 1965.

§ 425. Additional rules relating to benefits based on disability

(a) Suspension of benefits

If the Commissioner of Social Security, on the basis of information obtained by or submitted to the Commissioner, believes that an individual entitled to benefits under section 423 of this title, or that a child who has attained the age of eighteen and is entitled to benefits under section 402(d) of this title, or that a widow or surviving divorced wife who has not attained age 60 and is entitled to benefits under section 402(e) of this title, or that a widower or surviving divorced husband who has not attained age 60 and is entitled to benefits under section 402(f) of this title, may have ceased to be under a disability, the Commissioner of Social Security may suspend the payment of benefits under such section 402(d), 402(e), 402(f), or 423 of this title until it is determined (as provided in section 421 of this title) whether or not such individual's disability has ceased or until the Commissioner of Social Security believes that such disability has not ceased. In the case of any individual whose disability is subject to determination under an agreement with a State under section 421(b) of this title, the Commissioner of Social Security shall promptly notify the appropriate State of the Commissioner's action under this subsection and shall request a prompt determination of whether such individual's disability has ceased. For purposes of this subsection, the term “disability” has the meaning assigned to such term in section 423(d) of this title. Whenever the benefits of an individual entitled to a disability insurance benefit are suspended for any month, the benefits of any individual entitled thereto under subsection (b), (c), or (d) of section 402 of this title, on the basis of the wages and self-em-

ployment income of such individual, shall be suspended for such month. The first sentence of this subsection shall not apply to any child entitled to benefits under section 402(d) of this title, if he has attained the age of 18 but has not attained the age of 22, for any month during which he is a full-time student (as defined and determined under section 402(d) of this title).

(b) Continued payments during rehabilitation program

Notwithstanding any other provision of this subchapter, payment to an individual of benefits based on disability (as described in the first sentence of subsection (a)) shall not be terminated or suspended because the physical or mental impairment, on which the individual's entitlement to such benefits is based, has or may have ceased, if—

(1) such individual is participating in a program consisting of the Ticket to Work and Self-Sufficiency Program under section 1320b-19 of this title or another program of vocational rehabilitation services, employment services, or other support services approved by the Commissioner of Social Security, and

(2) the Commissioner of Social Security determines that the completion of such program, or its continuation for a specified period of time, will increase the likelihood that such individual may (following his participation in such program) be permanently removed from the disability benefit rolls.

(c) Access to information held by payroll data providers

(1) The Commissioner of Social Security may require each individual who applies for or is entitled to monthly insurance benefits under subsections (d)(1)(B)(ii), (d)(6)(A)(ii), (d)(6)(B), (e)(1)(B)(ii), and (f)(1)(B)(ii) of section 402 of this title and subsection (a)(1) of section 423 of this title to provide authorization by the individual for the Commissioner to obtain from any payroll data provider (as defined in section 1320e-3(c)(1) of this title) any record held by the payroll data provider with respect to the individual whenever the Commissioner determines the record is needed in connection with a determination of initial or ongoing entitlement to such benefits.

(2) An authorization provided by an individual under this subsection shall remain effective until the earliest of—

(A) the rendering of a final adverse decision on the individual's application or entitlement to benefits under this subchapter;

(B) the termination of the individual's entitlement to benefits under this subchapter; or

(C) the express revocation by the individual of the authorization, in a written notification to the Commissioner.

(3) The Commissioner of Social Security is not required to furnish any authorization obtained pursuant to this subsection to the payroll data provider.

(4) The Commissioner shall inform any person who provides authorization pursuant to this clause of the duration and scope of the authorization.

(5) If an individual who applies for or is entitled to benefits under this subchapter refuses to

provide, or revokes, any authorization under this subsection, subsection (d) shall not apply to such individual beginning with the first day of the first month in which he or she refuses or revokes such authorization.

(d) Reporting responsibilities for beneficiaries subject to information exchange with payroll data provider

An individual who has authorized the Commissioner of Social Security to obtain records from a payroll data provider under subsection (c) shall not be subject to a penalty under section 1320a-8a of this title for any omission or error with respect to such individual's wages as reported by the payroll data provider.
