§ 1382g. Payments to State for operation of supplementation program

(a) Eligibility; agreement with Commissioner

In order for any State which makes supplementary payments of the type described in section 1382e(a) of this title (including payments pursuant to an agreement entered into under section 212(a) of Public Law 93-66), on or after June 30, 1977, to be eligible for payments pursuant to subchapter XIX with respect to expenditures for any calendar quarter which begins—

- (1) after June 30, 1977, or, if later,
- (2) after the calendar quarter in which it first makes such supplementary payments,

such State must have in effect an agreement with the Commissioner of Social Security whereby the State will—

- (3) continue to make such supplementary payments, and

(4) maintain such supplementary payments at levels which are not lower than the levels of such payments in effect in December 1976, or, if no such payments were made in that month, the levels for the first subsequent month in which such payments were made.

(b) Levels of supplementary payments

(1) The Commissioner of Social Security shall not find that a State has failed to meet the requirements imposed by paragraph (4) of subsection (a) with respect to the levels of its supplementary payments for a particular month or months if the State's expenditures for such payments in the twelve-month period (within which such month or months fall) beginning on the effective date of any increase in the level of supplemental security income benefits pursuant to section 1382f of this title are not less than its expenditures for such payments in the preceding twelve-month period.

(2) For purposes of determining under paragraph (1) whether a State's expenditures for supplementary payments in the 12-month period beginning on the effective date of any increase in the level of supplemental security income benefits are not less than the State's expenditures for such payments in the preceding 12-month period, the Commissioner of Social Security, in computing the State's expenditures, shall disregard, pursuant to a 1-time election of the State, all expenditures by the State for retroactive supplementary payments that are required to be made in connection with the retroactive supplemental security income benefits referred to in section 5041 of the Omnibus Budget Reconciliation Act of 1990.

(c) Election to apply subsection (a)(4)

Any State which satisfies the requirements of this section solely by reason of subsection (b) for a particular month or months in any 12-month period (described in such subsection) ending on or after June 30, 1982, may elect, with respect to any month in any subsequent 12-month period (so described), to apply subsection (a)(4) as though the reference to December 1976 in such subsection were a reference to the month of December which occurred in the 12-month period immediately preceding such subsequent period.

(d) Determinations respecting any portion of period July 1, 1980, through June 30, 1981

The Commissioner of Social Security shall not find that a State has failed to meet the requirements imposed by paragraph (4) of subsection (a) with respect to the levels of its supplementary payments for any portion of the period July 1, 1980, through June 30, 1981, if the State's expenditures for such payments in that twelve-month period were not less than its expenditures for such payments for the period July 1, 1976, through June 30, 1977 (or, if the State made no supplementary payments in the period July 1, 1976, through June 30, 1977, the expenditures for the first twelve-month period extending from July 1 through June 30 in which the State made such payments).

(e) Meeting subsection (a)(4) requirements for any month after March 1983

(1) For any particular month after March 1983, a State which is not treated as meeting the re-

quirements imposed by paragraph (4) of subsection (a) by reason of subsection (b) shall be treated as meeting such requirements if and only if—

(A) the combined level of its supplementary payments (to recipients of the type involved) and the amounts payable (to or on behalf of such recipients) under section 1382(b) of this title and section 211(a)(1)(A) of Public Law 93-66, for that particular month,

is not less than—

(B) the combined level of its supplementary payments (to recipients of the type involved) and the amounts payable (to or on behalf of such recipients) under section 1382(b) of this title and section 211(a)(1)(A) of Public Law 93-66, for March 1983, increased by the amount of all cost-of-living adjustments under section 1382f of this title (and any other benefit increases under this subchapter) which have occurred after March 1983 and before that particular month.

(2) In determining the amount of any increase in the combined level involved under paragraph (1)(B) of this subsection, any portion of such amount which would otherwise be attributable to the increase under section 1382f(c) of this title shall be deemed instead to be equal to the amount of the cost-of-living adjustment which would have occurred in July 1983 (without regard to the 3-percent limitation contained in section 415(i)(1)(B) of this title) if section 111 of the Social Security Amendments of 1983 had not been enacted.

(f) Passthrough relating to optional State supplementation

The Commissioner of Social Security shall not find that a State has failed to meet the requirements imposed by subsection (a) with respect to the levels of its supplementary payments for the period January 1, 1984, through December 31, 1985, if in the period January 1, 1986, through December 31, 1986, its supplementary payment levels (other than to recipients of benefits determined under section 1382(e)(1)(B) of this title) are not less than those in effect in December 1976, increased by a percentage equal to the percentage by which payments under section 1382(b) of this title and section 211(a)(1)(A) of Public Law 93-66 have been increased as a result of all adjustments under section 1382f(a) and (c) of this title which have occurred after December 1976 and before February 1986.

(g) Mandatory pass-through of increased personal needs allowance

In order for any State which makes supplementary payments of the type described in section 1382e(a) of this title (including payments pursuant to an agreement entered into under section 212(a) of Public Law 93-66) to recipients of benefits determined under section 1382(e)(1)(B) of this title, on or after October 1, 1987, to be eligible for payments pursuant to subchapter XIX with respect to any calendar quarter which begins—

(1) after October 1, 1987, or, if later

(2) after the calendar quarter in which it first makes such supplementary payments to recipients of benefits so determined,

such State must have in effect an agreement with the Commissioner of Social Security whereby the State will—

(3) continue to make such supplementary payments to recipients of benefits so determined, and

(4) maintain such supplementary payments to recipients of benefits so determined at levels which assure (with respect to any particular month beginning with July 1988) that—

(A) the combined level of such supplementary payments and the amounts payable to or on behalf of such recipients under section 1382(e)(1)(B) of this title for that particular month,

is not less than—

(B) the combined level of such supplementary payments and the amounts payable to or on behalf of such recipients under section 1382(e)(1)(B) of this title for October 1987 (or, if no such supplementary payments were made for that month, the combined level for the first subsequent month for which such payments were made), increased—

(i) in a case to which clause (i) of such section 1382(e)(1)(B) of this title applies or (with respect to the individual or spouse who is in the hospital, home, or facility involved) to which clause (ii) of such section applies, by \$5, and

(ii) in a case to which clause (iii) of such section 1382(e)(1)(B) of this title applies, by \$10.

§ 1382h. Benefits for individuals who perform substantial gainful activity despite severe medical impairment

(a) Eligible individuals

(1) Except as provided in section 1383(j) of this title, any individual who was determined to be an eligible individual (or eligible spouse) by reason of being under a disability and was eligible to receive benefits under section 1382 of this title (or a federally administered State supplementary payment) for a month and whose earnings in a subsequent month exceed the amount

designated by the Commissioner of Social Security ordinarily to represent substantial gainful activity shall qualify for a monthly benefit under this subsection for such subsequent month (which shall be in lieu of any benefit under section 1382 of this title) equal to an amount determined under section 1382(b)(1) of this title (or, in the case of an individual who has an eligible spouse, under section 1382(b)(2) of this title), and for purposes of subchapter XIX shall be considered to be receiving supplemental security income benefits under this subchapter, for so long as—

(A) such individual continues to have the disabling physical or mental impairment on the basis of which such individual was found to be under a disability; and

(B) the income of such individual, other than income excluded pursuant to section 1382a(b) of this title, is not equal to or in excess of the amount which would cause him to be ineligible for payments under section 1382 of this title and such individual meets all other non-disability-related requirements for eligibility for benefits under this subchapter.

(2) The Commissioner of Social Security shall make a determination under paragraph (1)(A) with respect to an individual not later than 12 months after the first month for which the individual qualifies for a benefit under this subsection.

(B) the income of such individual would not, except for his earnings and increases pursuant to section 415(i) of this title in the level of monthly insurance benefits to which the individual is entitled under subchapter II that occur while such individual is considered to be receiving supplemental security income benefits by reason of this subsection, be equal to or in excess of the amount which would cause him to be ineligible for payments under section 1382(b) of this title (if he were otherwise eligible for such payments);

(C) the termination of eligibility for benefits under subchapter XIX would seriously inhibit his ability to continue his employment; and
