(a)(1) In a case of actual controversy as to the validity of any order under section 5403 of this title, any person who may be adversely affected by such order when it is effective may at any time prior to the sixtieth day after such order is issued file a petition with the United States court of appeals for the circuit wherein such person resides or has his principal place of business, for judicial review of such order. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Secretary or other officer designated by him for that purpose. The Secretary thereupon shall file in the court the record of the proceedings on which the Secretary based his order, as provided in section 2112 of title 28.

(2) If the petitioner applies to the court for leave to adduce additional evidence, and shows to the satisfaction of the court that such additional evidence is material and that there were reasonable grounds for the failure to adduce such evidence in the proceeding before the Secretary, the court may order such additional evidence (and evidence in rebuttal thereof) to be taken before the Secretary, and to be adduced upon the hearing, in such manner and upon such terms and conditions as to the court may seem proper. The Secretary may modify his findings as to the facts, or make new findings, by reason of the additional evidence so taken, and he shall file such modified or new findings, and his recommendation, if any, for the modification or setting aside of his original order, with the return of such additional evidence.

(5) Any action instituted under this subsection shall survive, notwithstanding any change in the person occupying the office of Secretary or any vacancy in such office.

(6) The remedies provided for in this subsection shall be in addition to and not in substitution for any other remedies provided by law.

(b) A certified copy of the transcript of the record and proceedings under this section shall be furnished by the Secretary to any interested party at his request and payment of the costs thereof, and shall be admissible in any criminal, exclusion of imports, or other proceeding arising under or in respect of this chapter, irrespective of whether proceedings with respect to the order have previously been initiated or become final under subsection (a) of this section.

**§ 5406. Submission of cost or other information by manufacturer**

**(a) Purpose of submission; detail of information**

Whenever any manufacturer is opposed to any action of the Secretary under section 5403 of this title or under any other provision of this chapter on the grounds of increased cost or for other reasons, the manufacturer shall submit to the Secretary such cost and other information (in such detail as the Secretary may by rule or order prescribe) as may be necessary in order to properly evaluate the manufacturer's statement. The Secretary shall submit such cost and other information to the consensus committee for evaluation.

**(b) Conditions upon availability to public of submitted information**

Such information shall be available to the public unless the manufacturer establishes that it contains a trade secret or that disclosure of any portion of such information would put the manufacturer at a substantial competitive disadvantage. Notice of the availability of such information shall be published promptly in the Federal Register. If the Secretary determines that any portion of such information contains a trade secret or that the disclosure of any portion of such information would put the manufacturer at a substantial competitive disadvantage, such portion may be disclosed to the public only in such manner as to preserve the confidentiality of such trade secret or in such combined or summary form so as not to disclose the identity of any individual manufacturer, except that any such information may be disclosed to other officers or employees concerned with carrying out this chapter or when relevant in any proceeding under this chapter. Nothing in this subsection shall authorize the withholding of information by the Secretary or any officer or employee under his control from the duly authorized committees of the Congress.

**(c) "Cost information" defined**

For purposes of this section, "cost information" means information with respect to alleged cost increases resulting from action by the Secretary, in such a form as to permit the public, the consensus committee, and the Secretary to make an informed judgment on the validity of the manufacturer's statements. Such term includes both the manufacturer's cost and the cost to retail purchasers.

**(d) Power of Secretary to obtain or require submission of information under other provisions unaffected**

Nothing in this section shall be construed to restrict the authority of the Secretary to obtain or require submission of information under any other provision of this chapter.
