

taking adequate account of the interests of individuals and groups that may be affected by Federal scientific, engineering, and technical programs, including, as appropriate, consultation with such individuals and groups. In carrying out its functions under this section, the Committee shall, among other things, consider needs for—

- (1) organizational reform, including institutional realignment designed to place Federal agencies whose missions are primarily or solely devoted to scientific and technological research and development, and those agencies primarily or solely concerned with fuels, energy, and materials, within a single cabinet-level department;
- (2) improvements in existing systems for handling scientific and technical information on a Government-wide basis, including consideration of the appropriate role to be played by the private sector in the dissemination of such information;
- (3) improved technology assessment in the executive branch of the Federal Government;
- (4) improved methods for effecting technology innovation, transfer, and use;
- (5) stimulating more effective Federal-State and Federal-industry liaison and cooperation in science and technology, including the formation of Federal-State mechanisms for the mutual pursuit of this goal;
- (6) reduction and simplification of Federal regulations and administrative practices and procedures which may have the effect of retarding technological innovation or opportunities for its utilization;
- (7) a broader base for support of basic research;
- (8) ways of strengthening the Nation's academic institutions' capabilities for research and education in science and technology;
- (9) ways and means of effectively integrating scientific and technological factors into our national and international policies;
- (10) technology designed to meet community and individual needs;
- (11) maintenance of adequate scientific and technological manpower with regard to both quality and quantity;
- (12) improved systems for planning and analysis of the Federal science and technology programs; and
- (13) long-range study, analysis, and planning in regard to the application of science and technology to major national problems or concerns.

(b)(1) Within twelve months from the time the Committee is activated in accordance with section 6632(a) of this title, the Committee shall issue an interim report of its activities and operations to date. Not more than twenty-four months from the time the Committee is activated, the Committee shall submit a final report of its activities, findings, conclusions, and recommendations, including such supporting data and material as may be necessary, to the President.

(2) The President, within sixty days of receipt thereof, shall transmit each such report to each House of Congress together with such comments, observations, and recommendations thereon as he deems appropriate.

(Pub. L. 94-282, title III, §303, May 11, 1976, 90 Stat. 469.)

ABOLITION OF PRESIDENT'S COMMITTEE ON SCIENCE AND TECHNOLOGY; TRANSFER OF FUNCTIONS

See note set out under section 6631 of this title.

§ 6634. Continuation of Committee

(a) Ninety days after submission of the final report prepared under section 6633 of this title, the Committee shall cease to exist, unless the President, before the expiration of the ninety-day period, makes a determination that it is advantageous for the Committee to continue in being.

(b) If the President determines that it is advantageous for the Committee to continue in being, (1) the Committee shall exercise such functions as are prescribed by the President; and (2) the members of the Committee shall serve at the pleasure of the President.

(Pub. L. 94-282, title III, §304, May 11, 1976, 90 Stat. 470.)

ABOLITION OF PRESIDENT'S COMMITTEE ON SCIENCE AND TECHNOLOGY; TRANSFER OF FUNCTIONS

See note set out under section 6631 of this title.

§ 6635. Staff and consultant support

(a) In the performance of its functions under sections 6633 and 6634 of this title, the Committee is authorized—

(1) to select, appoint, employ, and fix the compensation of such specialists and other experts as may be necessary for the carrying out of its duties and functions, and to select, appoint, and employ, subject to the civil service laws, such other officers and employees as may be necessary for carrying out its duties and functions; and

(2) to provide for participation of such civilian and military personnel as may be detailed to the Committee pursuant to subsection (b) of this section for carrying out the functions of the Committee.

(b) Upon request of the Committee, the head of any Federal department, agency, or instrumentality is authorized (1) to furnish to the Committee such information as may be necessary for carrying out its functions and as may be available to or procurable by such department, agency, or instrumentality, and (2) to detail to temporary duty with the Committee on a reimbursable basis such personnel within his administrative jurisdiction as it may need or believe to be useful for carrying out its functions. Each such detail shall be without loss of seniority, pay, or other employee status, to civilian employees so detailed, and without loss of status, rank, office, or grade, or of any emolument, perquisite, right, privilege, or benefit incident thereto to military personnel so detailed. Each such detail shall be made pursuant to an agreement between the Chairman and the head of the relevant department, agency, or instrumentality, and shall be in accordance with the provisions of subchapter III of chapter 33, title 5.

(Pub. L. 94-282, title III, §305, May 11, 1976, 90 Stat. 470.)

ABOLITION OF PRESIDENT'S COMMITTEE ON SCIENCE AND TECHNOLOGY; TRANSFER OF FUNCTIONS

See note set out under section 6631 of this title.

SUBCHAPTER IV—FEDERAL COORDINATING COUNCIL FOR SCIENCE, ENGINEERING, AND TECHNOLOGY

§ 6651. Establishment, membership, and functions of Council

(a) Designation

There is established the Federal Coordinating Council for Science, Engineering, and Technology (hereinafter referred to as the "Council").

(b) Composition

The Council shall be composed of the Director of the Office of Science and Technology Policy and one representative of each of the following Federal agencies: Department of Agriculture, Department of Commerce, Department of Defense, Department of Health and Human Services, Department of Housing and Urban Development, Department of the Interior, Department of State, Department of Transportation, Department of Veterans Affairs, National Aeronautics and Space Administration, National Science Foundation, Environmental Protection Agency, and Department of Energy. Each such representative shall be an official of policy rank designated by the head of the Federal agency concerned.

(c) Chairman

The Director of the Office of Science and Technology Policy shall serve as Chairman of the Council. The Chairman may designate another member of the Council to act temporarily in the Chairman's absence as Chairman.

(d) Participation of unnamed Federal agencies in meetings; invitations to attend meetings

The Chairman may (1) request the head of any Federal agency not named in subsection (b) of this section to designate a representative to participate in meetings or parts of meetings of the Council concerned with matters of substantial interest to such agency, and (2) invite other persons to attend meetings of the Council.

(e) Consideration of problems and developments affecting more than one Federal agency; recommendations

The Council shall consider problems and developments in the fields of science, engineering, and technology and related activities affecting more than one Federal agency, and shall recommend policies and other measures designed to—

- (1) provide more effective planning and administration of Federal scientific, engineering, and technological programs,
- (2) identify research needs including areas requiring additional emphasis,
- (3) achieve more effective utilization of the scientific, engineering, and technological resources and facilities of Federal agencies, including the elimination of unwarranted duplication, and
- (4) further international cooperation in science, engineering, and technology.

(f) Other advisory duties

The Council shall perform such other related advisory duties as shall be assigned by the President or by the Chairman.

(g) Assistance to Council by agency represented thereon

For the purpose of carrying out the provisions of this section, each Federal agency represented on the Council shall furnish necessary assistance to the Council. Such assistance may include—

- (1) detailing employees to the Council to perform such functions, consistent with the purposes of this section, as the Chairman may assign to them, and
- (2) undertaking, upon request of the Chairman, such special studies for the Council as come within the functions herein assigned.

(h) Establishment of subcommittees and panels

For the purpose of conducting studies and making reports as directed by the Chairman, standing subcommittees and panels of the Council may be established.

(Pub. L. 94-282, title IV, §401, May 11, 1976, 90 Stat. 471; Pub. L. 95-91, title III, §301(a), title VII, §§703, 707, Aug. 4, 1977, 91 Stat. 577, 606, 607; Pub. L. 95-113, title XIV, §1406, Sept. 29, 1977, 91 Stat. 986; Pub. L. 97-98, title XIV, §1406(a), (b), Dec. 22, 1981, 95 Stat. 1298; Pub. L. 102-54, §13(q)(11), June 13, 1991, 105 Stat. 281; Pub. L. 104-127, title VIII, §851, Apr. 4, 1996, 110 Stat. 1171.)

AMENDMENTS

1996—Subsec. (h). Pub. L. 104-127 struck out after first sentence "Among such standing subcommittees and panels of the Council shall be the Subcommittee on Food, Agricultural, and Forestry Research. This subcommittee shall review Federal research and development programs relevant to domestic and world food and fiber production and distribution, promote planning and coordination of this research in the Federal Government, and recommend policies and other measures concerning the food and agricultural sciences for the consideration of the Council. The subcommittee shall include, but not be limited to, representatives of each of the following departments or agencies; the Department of Agriculture, the Department of State, the Department of Defense, the Department of the Interior, the Department of Health and Human Services, the National Oceanic and Atmospheric Administration, the Department of Energy, the National Science Foundation, the Environmental Protection Agency, and the Tennessee Valley Authority. The principal representatives of the Department of Agriculture shall serve as the chairman of the subcommittee."

1991—Subsec. (b). Pub. L. 102-54 substituted "Department of Veterans Affairs" for "Veterans' Administration".

1981—Subsec. (h). Pub. L. 97-98 substituted "Subcommittee on Food, Agricultural, and Forestry Research" for "Subcommittee on Food and Renewable Resources", "Department of Health and Human Services" for "Department of Health, Education, and Welfare", and "Department of Energy" for "Energy Research and Development Administration".

1977—Subsec. (h). Pub. L. 95-113 inserted provisions relating to Subcommittee on Food and Renewable Resources.

EFFECTIVE DATE OF 1981 AMENDMENT

Amendment by Pub. L. 97-98 effective Dec. 22, 1981, see section 1801 of Pub. L. 97-98, set out as an Effective Date note under section 4301 of Title 7, Agriculture.
