### $\S\,1437r.$ Public housing resident management

#### (a) Purpose

The purpose of this section is to encourage increased resident management of public housing projects, as a means of improving existing living conditions in public housing projects, by providing increased flexibility for public housing projects that are managed by residents by—

- (1) permitting the retention, and use for certain purposes, of any revenues exceeding operating and project costs; and
- (2) providing funding, from amounts otherwise available, for technical assistance to promote formation and development of resident management entities.

For purposes of this section, the term "public housing project" includes one or more contiguous buildings or an area of contiguous row houses the elected resident councils of which approve the establishment of a resident management corporation and otherwise meet the requirements of this section.

#### (b) Program requirements

#### (1) Resident council

As a condition of entering into a resident management program, the elected resident council of a public housing project shall approve the establishment of a resident management corporation. When such approval is made by the elected resident council of a building or row house area, the resident management program shall not interfere with the rights of other families residing in the project or harm the efficient operation of the project. The resident management corporation and the resident council may be the same organization, if the organization complies with the requirements applicable to both the corporation and council. The corporation shall be a nonprofit corporation organized under the laws of the State in which the project is located, and the tenants of the project shall be the sole voting members of the corporation. If there is no elected resident council, a majority of the households of the public housing project shall approve the establishment of a resident council to determine the feasibility of establishing a resident management corporation to manage the project.

#### (2) Public housing management specialist

The resident council of a public housing project, in cooperation with the public housing agency, shall select a qualified public housing management specialist to assist in determining the feasibility of, and to help establish, a resident management corporation and to provide training and other duties agreed to in the daily operations of the project.

Such bonding and insurance, or its equivalent, shall be adequate to protect the Secretary and the public housing agency against loss, theft, embezzlement, or fraudulent acts on the part of the resident management corporation or its employees.

#### (4) Management responsibilities

A resident management corporation that qualifies under this section, and that supplies insurance and bonding or equivalent protection sufficient to the Secretary and the public housing agency, shall enter into a contract with the public housing agency establishing the respective management rights and responsibilities of the corporation and the public housing agency. Such contract shall be consistent with the requirements of this chapter applicable to public housing projects and may include specific terms governing management personnel and compensation, access to public housing project records, submission of and adherence to budgets, rent collection procedures,

tenant income verification, tenant eligibility determinations, tenant eviction, the acquisition of supplies and materials, rent determination, community service requirements,,¹ and such other matters as may be appropriate. The contract shall be treated as a contracting out of services and shall be subject to any provision of a collective bargaining agreement regarding contracting out to which the public housing agency is subject.

#### (5) Annual audit

The books and records of a resident management corporation operating a public housing project shall be audited annually by a certified public accountant. A written report of each audit shall be forwarded to the public housing agency and the Secretary.

#### (c) Assistance amounts

A contract under this section for management of a public housing project by a resident management corporation shall provide for—

- (1) the public housing agency to provide a portion of the assistance to agency from the Capital and Operating Funds to the resident management corporation in accordance with subsection (e) for purposes of operating the public housing project covered by the contract and performing such other eligible activities with respect to the project as may be provided under the contract:
- (2) the amount of income expected to be derived from the project itself (from sources such as rents and charges);
- (3) the amount of income to be provided to the project from the other sources of income of the public housing agency (such as interest income, administrative fees, and rents); and
- (4) any income generated by a resident management corporation of a public housing project that exceeds the income estimated under the contract shall be used for eligible activities under subsections (d)(1) and (e)(1) of section 1437g of this title.

#### (d) Waiver of Federal requirements

#### (1) Waiver of regulatory requirements

Upon the request of any resident management corporation and public housing agency, and after notice and an opportunity to comment is afforded to the affected tenants, the Secretary may waive (for both the resident management corporation and the public housing agency) any requirement established by the Secretary (and not specified in any statute) that the Secretary determines to unnecessarily increase the costs or restrict the income of a public housing project.

## (2) Waiver to permit employment

Upon the request of any resident management corporation, the Secretary may, subject to applicable collective bargaining agreements, permit residents of such project to volunteer a portion of their labor.

#### (3) Exceptions

The Secretary may not waive under this subsection any requirement with respect to in-

come eligibility for purposes of section 1437n of this title, rental payments under section 1437a(a) of this title, tenant or applicant protections, employee organizing rights, or rights of employees under collective bargaining agreements.
