(a) Purposes

The purpose of this section is to provide assistance to public housing agencies for the purposes of—

It is also the purpose of this section to provide assistance to smaller communities for the purpose of facilitating the development of affordable housing for low-income families that is undertaken in connection with a main street re-

(b) Grant authority

The Secretary may make grants as provided in this section to applicants whose applications for such grants are approved by the Secretary under this section.

(c) Contribution requirement

(1) In general

The Secretary may not make any grant under this section to any applicant unless the applicant certifies to the Secretary that the applicant will—

(B) in addition to supplemental amounts provided in accordance with subparagraph (A), if the applicant uses more than 5 percent of the amount of assistance provided under this section for services under subsection (d)(1)(L), provide supplemental funds from sources other than this section in an amount equal to the amount so used in excess of 5 percent.

Such amounts shall be provided to the agency by the Secretary in a lump sum when requested by the agency, shall be invested in a wise and prudent manner, and shall be used (together with any interest thereon earned) only for eligible uses pursuant to paragraph (1)(L). A public housing agency may use amounts in an endowment trust under this paragraph in conjunction with other amounts donated or otherwise made available to the trust for similar purposes.

(e) Application and selection

(1) Application

An application for a grant under this section shall demonstrate the appropriateness of the proposal in the context of the local housing market relative to other alternatives, and shall include such other information and be submitted at such time and in accordance with such procedures, as the Secretary shall prescribe.

(2) Selection criteria

The Secretary shall establish criteria for the award of grants under this section and shall include among the factors—

native management entity for the agency, for managing redevelopment or modernization projects, meeting construction timetables, and obligating amounts in a timely manner;

(C) the extent to which the applicant could undertake such activities without a grant under this section;

(D) the extent of involvement of residents, State and local governments, private service providers, financing entities, and developers, in the development and ongoing implementation of a revitalization program for the project, except that the Secretary may not award a grant under this section unless the applicant has involved affected public housing residents at the beginning and during the planning process for the revitalization program, prior to submission of an application;

(E) the need for affordable housing in the community;

(F) the supply of other housing available and affordable to families receiving tenant-based assistance under section 1437f of this title;

(G) the amount of funds and other resources to be leveraged by the grant;

(H) the extent of the need for, and the potential impact of, the revitalization program;

(I) the extent to which the plan minimizes permanent displacement of current residents of the public housing site who wish to remain in or return to the revitalized community and provides for community and supportive services to residents prior to any relocation;

(J) the extent to which the plan sustains or creates more project-based housing units available to persons eligible for public housing in markets where the plan shows there is demand for the maintenance or creation of such units;

(K) the extent to which the plan gives to existing residents priority for occupancy in dwelling units which are public housing dwelling units, or for residents who can afford to live in other units, priority for those units in the revitalized community; and

(L) such other factors as the Secretary considers appropriate.

(3) Applicability of selection criteria

The Secretary may determine not to apply certain of the selection criteria established pursuant to paragraph (2) when awarding grants for demolition only, tenant-based assistance only, or other specific categories of revitalization activities. This section may not be construed to require any application for a grant under this section to include demolition of public housing or to preclude use of grant amounts for rehabilitation or rebuilding of any housing on an existing site.

(i) Withdrawal of funding

If a grantee under this section does not proceed within a reasonable timeframe, in the determination of the Secretary, the Secretary shall withdraw any grant amounts under this section that have not been obligated by the public housing agency. The Secretary shall redistribute any withdrawn amounts to one or more other applicants eligible for assistance under this section or to one or more other entities capable of proceeding expeditiously in the same locality in carrying out the revitalization plan of the original grantee.
