

(c) Use of reimbursement proceeds

Proceeds from reimbursements under this section shall be deposited in the Treasury and may be withdrawn by the Secretary or the head of the agency or instrumentality of the United States involved, as the case may be, to pay directly the costs of the equipment, or facilities provided, to repay or make advances to appropriations or funds which do or will initially bear all or a part of such costs, or to refund excess sums when necessary, except that such proceeds may be credited to a working capital fund otherwise established by law, including the fund established pursuant to section 7263 of this title, and used under the law governing such fund, if the fund is available for use for providing the equipment or facilities involved.

(Pub. L. 95-91, title VI, § 649, Aug. 4, 1977, 91 Stat. 600.)

CODIFICATION

In subsec. (b), “section 102(3) of title 40” substituted for “section 3(e) of the Federal Property and Administrative Services Act of 1949” on authority of Pub. L. 107-217, § 5(c), Aug. 21, 2002, 116 Stat. 1303, the first section of which enacted Title 40, Public Buildings, Property, and Works.

§ 7259a. Activities of Department of Energy facilities**(a) Research and activities on behalf of non-department persons and entities**

(1) The Secretary of Energy may conduct research and other activities referred to in paragraph (2) at facilities of the Department of Energy on behalf of other departments and agencies of the Government, agencies of State and local governments, and private persons and entities.

(2) The research and other activities that may be conducted under paragraph (1) are those which the Secretary is authorized to conduct by law, including research and activities authorized under the following provisions of law:

(A) The Atomic Energy Act of 1954 (42 U.S.C. 2011 et seq.).

(B) The Energy Reorganization Act of 1974 [42 U.S.C. 5801 et seq.].

(C) The Federal Nonnuclear Energy Research and Development Act of 1974 (42 U.S.C. 5901 et seq.).

(b) Charges

(1) The Secretary shall impose on the department, agency, or person or entity for which research and other activities are carried out under subsection (a) of this section a charge for such research and activities in carrying out such research and activities, which shall include—

(A) the direct cost incurred in carrying out such research and activities; and

(B) the overhead cost, including site-wide indirect costs, associated with such research and activities.

(2)(A) Subject to subparagraph (B), the Secretary shall also impose on the department, agency, or person or entity concerned a Federal administrative charge (which includes any depreciation and imputed interest charges) in an amount not to exceed 3 percent of the full cost

incurred in carrying out the research and activities concerned.

(B) The Secretary may waive the imposition of the Federal administrative charge required by subparagraph (A) in the case of research and other activities conducted on behalf of small business concerns, institutions of higher education, non-profit entities, and State and local governments.

(3) Not later than 2 years after October 17, 1998, the Secretary shall terminate any waiver of charges under section 33 of the Atomic Energy Act of 1954 (42 U.S.C. 2053) that were made before such date, unless the Secretary determines that such waiver should be continued.

(c) Pilot program of reduced facility overhead charges

(1) The Secretary may, with the cooperation of participating contractors of the contractor-operated facilities of the Department, carry out a pilot program under which the Secretary and such contractors reduce the facility overhead charges imposed under this section for research and other activities conducted under this section.

(2) The Secretary shall carry out the pilot program at contractor-operated facilities selected by the Secretary in consultation with the contractors concerned.

(3) The Secretary shall determine the facility overhead charges to be imposed under the pilot program at a facility based on a joint review by the Secretary and the contractor for the facility of all items included in the overhead costs of the facility in order to determine which items are appropriately incurred as facility overhead charges by the contractor in carrying out research and other activities at such facility under this section.

(4) The Secretary shall commence carrying out the pilot program under this subsection not later than October 1, 1999, and shall terminate the pilot program on September 30, 2003.

(5) Not later than January 31, 2003, the Secretary shall submit to Congress an interim report on the results of the pilot program under this subsection. The report shall include any recommendations for the extension or expansion of the pilot program, including the establishment of multiple rates of overhead charges for various categories of persons and entities seeking research and other activities in contractor-operated facilities of the Department.

(d) Applicability with respect to user fee practice

This section does not apply to the practice of the Department of Energy with respect to user fees at Department facilities.

CODIFICATION

Section was enacted as part of the Strom Thurmond National Defense Authorization Act for Fiscal Year 1999, and not as part of the Department of Energy Organization Act which comprises this chapter.

§ 7260. Field offices

The Secretary is authorized to establish, alter, consolidate or discontinue and to maintain such State, regional, district, local or other field offices as he may deem to be necessary to carry out functions vested in him.

(Pub. L. 95-91, title VI, §650, Aug. 4, 1977, 91 Stat. 601.)

§ 7261. Acquisition of copyrights, patents, etc.

The Secretary is authorized to acquire any of the following described rights if the property acquired thereby is for use by or for, or useful to, the Department:

- (1) copyrights, patents, and applications for patents, designs, processes, and manufacturing data;
- (2) licenses under copyrights, patents, and applications for patents; and
- (3) releases, before suit is brought, for past infringement of patents or copyrights.

(Pub. L. 95-91, title VI, §651, Aug. 4, 1977, 91 Stat. 601.)

§ 7261a. Protection of sensitive technical information

(a) Property rights in inventions and discoveries; timely determination; reports to Congressional committees

(1) Whenever any contractor makes an invention or discovery to which the title vests in the Department of Energy pursuant to exercise of section 202(a)(ii) or (iv) of title 35, or pursuant to section 2182 of this title or section 5908 of this title in the course of or under any Government contract or subcontract of the Naval Nuclear Propulsion Program or the nuclear weapons programs or other atomic energy defense activities of the Department of Energy and the contractor requests waiver of any or all of the Government's property rights, the Secretary of Energy may decide to waive the Government's rights and assign the rights in such invention or discovery.

(2) Such decision shall be made within 150 days after the date on which a complete request for waiver of such rights has been submitted to the Secretary by the contractor. For purposes of this paragraph, a complete request includes such information, in such detail and form, as the Secretary by regulation prescribes as necessary to allow the Secretary to take into consideration

the matters described in subsection (b) of this section in making the decision.

(3) If the Secretary fails to make the decision within such 150-day period, the Secretary shall submit to the Committees on Armed Services of the House of Representatives and the Senate, within 10 days after the end of the 150-day period, a report on the reasons for such failure. The submission of such report shall not relieve the Secretary of the requirement to make the decision under this section. The Secretary shall, at the end of each 30-day period after submission of the first report during which the Secretary continues to fail to make the decision required by this section, submit another report on the reasons for such failure to the committees listed in this paragraph.

(b) Matters to be considered

In making a decision under this section, the Secretary shall consider, in addition to the applicable policies of section 2182 of this title or subsections (c) and (d) of section 5908 of this title—

- (1) whether national security will be compromised;
- (2) whether sensitive technical information (whether classified or unclassified) under the Naval Nuclear Propulsion Program or the nuclear weapons programs or other atomic energy defense activities of the Department of Energy for which dissemination is controlled under Federal statutes and regulations will be released to unauthorized persons;
- (3) whether an organizational conflict of interest contemplated by Federal statutes and regulations will result; and
- (4) whether failure to assert such a claim will adversely affect the operation of the Naval Nuclear Propulsion Program or the nuclear weapons programs or other atomic energy defense activities of the Department of Energy.
