

“(9) identify specifically the participation of all United States corporations involved in mining and exporting coal from foreign nations; and

“(10) identify the policies governing coal imports of all coal-importing industrialized nations (including the United States, Japan, and European nations) by considering such factors as import duties or tariffs, import quotas, and other governmental restrictions or trade policies impacting coal imports.”

§ 7278. Availability of appropriations for Department of Energy for transportation, uniforms, security, and price support and loan guarantee programs; transfer of funds; acceptance of contributions

Appropriations for the Department of Energy under this title¹ in this and subsequent Energy and Water Development Appropriations Acts, on and after October 2, 1992, shall be available for hire of passenger motor vehicles; hire, maintenance and operation of aircraft; purchase, repair and cleaning of uniforms; and reimbursement to the General Services Administration for security guard services. From these appropriations, transfers of sums may on and after October 2, 1992, be made to other agencies of the United States Government for the performance of work for which this appropriation is made. None of the funds made available to the Department of Energy under this Act or subsequent Energy and Water Development Appropriations Acts shall be used to implement or finance authorized price support or loan guarantee programs unless specific provision is made for such programs in an appropriation Act. The Secretary is authorized on and after October 2, 1992, to accept lands, buildings, equipment, and other contributions from public and private sources and to prosecute projects in cooperation with other agencies, Federal, State, private, or foreign.

§ 7279a. Future-years energy program annual submission and budgeting

(a) Submission to Congress

The Secretary of Energy shall submit to Congress each year, at the time that the President's budget is submitted to Congress that year under section 1105(a) of title 31, a future-years energy program reflecting the estimated expenditures and proposed appropriations included in that budget. Any such future-years energy program shall cover the fiscal year with respect to which the budget is submitted and at least the four succeeding fiscal years. A future-years energy program shall be included in the fiscal year 2014 budget submission to Congress and every fiscal year thereafter.

(b) Elements

Each future-years energy program shall contain the following:

(1) The estimated expenditures and proposed appropriations necessary to support programs, projects, and activities of the Secretary of Energy during the 5-fiscal year period covered by the program, expressed in a level of detail comparable to that contained in the budget submitted by the President to Congress under section 1105 of title 31.

(2) The estimated expenditures and proposed appropriations shaped by high-level, prioritized program and budgetary guidance that is consistent with the administration's policies

and out year budget projections and reviewed by the Department of Energy's (DOE) senior leadership to ensure that the future-years energy program is consistent and congruent with previously established program and budgetary guidance.

(3) A description of the anticipated workload requirements for each DOE national laboratory during the 5-fiscal year period.

(c) Consistency in budgeting

(1) The Secretary of Energy shall ensure that amounts described in subparagraph (A) of paragraph (2) for any fiscal year are consistent with amounts described in subparagraph (B) of paragraph (2) for that fiscal year.

(2) Amounts referred to in paragraph (1) are the following:

(A) The amounts specified in program and budget information submitted to Congress by the Secretary of Energy in support of expenditure estimates and proposed appropriations in the budget submitted to Congress by the President under section 1105(a) of title 31 for any fiscal year, as shown in the future-years energy program submitted pursuant to subsection (a).

(B) The total amounts of estimated expenditures and proposed appropriations necessary to support the programs, projects, and activities of the administration included pursuant to paragraph (5) of section 1105(a) of such title in the budget submitted to Congress under that section for any fiscal year.

SUBCHAPTER VII—TRANSITIONAL,
SAVINGS, AND CONFORMING PROVISIONS

§ 7291. Transfer and allocations of appropriations and personnel

(a) Except as otherwise provided in this chapter, the personnel employed in connection with, and the assets, liabilities, contracts, property, records, and unexpended balance of appropriations authorizations, allocations, and other funds employed, held, used, arising from, available to or to be made available in connection with the functions transferred by this chapter, subject to section 1531 of title 31, are hereby transferred to the Secretary for appropriate allocation. Unexpended funds transferred pursuant to this subsection shall only be used for the purposes for which the funds were originally authorized and appropriated.

(b) Positions expressly specified by statute or reorganization plan to carry out function¹ transferred by this chapter, personnel occupying those positions on October 1, 1977, and personnel authorized to receive compensation in such positions at the rate prescribed for offices and posi-

tions at level I, II, III, IV, or V of the executive schedule (5 U.S.C. 5312-5316) on October 1, 1977, shall be subject to the provisions of section 7293 of this title.

CODIFICATION

In subsec. (a), "section 1531 of title 31" substituted for "section 202 of the Budget and Accounting Procedures Act of 1950 [31 U.S.C. 581c]" on authority of Pub. L. 97-258, §4(b), Sept. 13, 1982, 96 Stat. 1067, the first section of which enacted Title 31, Money and Finance.

§ 7292. Effect on personnel

(a) Full-time and part-time personnel holding permanent positions

Except as otherwise provided in this chapter, the transfer pursuant to this subchapter of full-time personnel (except special Government employees) and part-time personnel holding permanent positions pursuant to this subchapter shall not cause any such employee to be separated or reduced in grade or compensation for one year after August 4, 1977, except that full-time temporary personnel employed at the Energy Research Centers of the Energy Research and Development Administration upon the establishment of the Department who are determined by the Department to be performing continuing functions may at the employee's option be converted to permanent full-time status within one hundred and twenty days following their transfer to the Department. The employment levels of full-time permanent personnel authorized for the Department by other law or administrative action shall be increased by the number of employees who exercise the option to be so converted.

(b) Person who held position compensated in accordance with chapter 53 of title 5

Any person who, on October 1, 1977, held a position compensated in accordance with the Executive Schedule prescribed in chapter 53 of title 5, and who, without a break in service, is appointed in the Department to a position having duties comparable to those performed immediately preceding his appointment shall continue to be compensated in his new position at not less than the rate provided for his previous position, for the duration of his service in the new position.

(c) Employees holding reemployment rights acquired under section 786 of title 15

Employees transferred to the Department holding reemployment rights acquired under section 786 of title 15¹ or any other provision of law or regulation may exercise such rights only within one hundred twenty days from October 1,
