consultation with the Administrator for Federal Procurement Policy, the Administrator of General Services, the Secretary of Defense, and the Director of the Defense Logistics Agency, shall report on the progress, status, activities, and results of the programs under subsections (a), (b), and (c) of this section. The report shall include—

- (1) the types and functions of each product identified under subsection (b) of this section, and efforts undertaken by the Administrator of General Services, the Secretary of Defense, and the Director of the Defense Logistics Agency to encourage the acquisition and use of such products;
- (2) the actions taken by the Administrator of General Services, the Secretary of Defense, and the Director of the Defense Logistics Agency to identify products under subsection (b) of this section, the barriers which inhibit implementation of identification of such products, and recommendations for legislative action, if necessary;
- (3) progress on the development and issuance of guidelines under subsection (c) of this section:
- (4) an indication of whether energy cost savings technologies identified by the Advanced Building Technology Council, under section 1701j-2(h) of title 12, have been used in the identification of products under subsection (b) of this section;
- (5) an estimate of the potential cost savings to the Federal Government from acquiring products identified under subsection (b) of this section with respect to which energy is a significant component of life cycle cost, based on the quantities of such products that could be utilized throughout the Government; and
- (6) the actual quantities acquired of products described in paragraph (5).

(Pub. L. 102–486, title I, §161, Oct. 24, 1992, 106 Stat. 2858; Pub. L. 104–66, title I, §1052(c), Dec. 21, 1995, 109 Stat. 718.)

CODIFICATION

Section was enacted as part of the Energy Policy Act of 1992, and not as part of the National Energy Conservation Policy Act which comprises this chapter.

AMENDMENTS

1995—Subsec. (d). Pub. L. 104—66 substituted "thereafter as part of the report required under section 8258(b) of this title," for "of each year thereafter," in introductory provisions.

TERMINATION OF REPORTING REQUIREMENTS

For termination, effective May 15, 2000, of provisions of law requiring submittal to Congress of any annual, semiannual, or other regular periodic report listed in House Document No. 103–7 (in which the 12th item on page 85 identifies a reporting provision which, as subsequently amended, is contained in subsec. (d) of this section), see section 3003 of Pub. L. 104–66, as amended, set out as a note under section 1113 of Title 31, Money and Finance.

EXECUTIVE ORDER No. 12845

Ex. Ord. No. 12845, Apr. 21, 1993, 58 F.R. 21887, which required Federal agencies to procure computer equipment that met EPA Energy Star requirements for energy efficiency, was revoked by Ex. Ord. No. 13123, §604, June 3, 1999, 64 F.R. 30859, formerly set out as a note under section 8251 of this title.

§ 8262h. United States Postal Service energy regulations

(a) In general

The Postmaster General shall issue regulations to ensure the reliable and accurate accounting of energy consumption costs for all buildings or facilities which it owns, leases, operates, or manages. Such regulations shall—

- (1) establish a monitoring system to determine which facilities are the most costly to operate on an energy consumption per square foot basis or other relevant analytical basis;
- (2) identify unusual or abnormal changes in energy consumption; and
- (3) check the accuracy of utility charges for electricity and gas consumption.

(b) Identification of energy efficiency products

The Postmaster General shall actively undertake a program to identify and procure energy efficiency products for use in its facilities. In carrying out this subsection, the Postmaster General shall, to the maximum extent practicable, incorporate energy efficient information available on Federal Supply Schedules maintained by the General Services Administration and the Defense Logistics Agency.

(Pub. L. 102–486, title I, §163, Oct. 24, 1992, 106 Stat. 2860.)

CODIFICATION

Section was enacted as part of the Energy Policy Act of 1992, and not as part of the National Energy Conservation Policy Act which comprises this chapter.

UNITED STATES POSTAL SERVICE BUILDING ENERGY SURVEY AND REPORT

Pub. L. 102-486, title I, §164, Oct. 24, 1992, 106 Stat. 2860, directed Postmaster General to conduct an energy survey, as defined in 42 U.S.C. 8259(5), for purposes of determining maximum potential cost effective energy savings that may be achieved in a representative sample of buildings owned or leased by United States Postal Service in different areas of the country, making recommendations for cost effective energy efficiency and renewable energy improvements in those buildings and in other similar United States Postal Service buildings, and identifying barriers which may prevent the United States Postal Service from complying with energy management goals, and further directed Postmaster General to transmit to Congress within 180 days after Oct. 24, 1992, a plan for implementing this survey, and to report to Congress on the findings and conclusions of such survey as soon as practicable after its completion.

§ 8262i. United States Postal Service energy management report

Not later than one year after October 24, 1992, and not later than January 1 of each year thereafter, the Postmaster General shall submit a report to the Committee on Governmental Affairs and the Committee on Energy and Natural Resources of the Senate and the Committee on Energy and Commerce and the Committee on Post Office and Civil Service of the House of Representatives on the United States Postal Service's building management program as it relates to energy efficiency. The report shall include, but not be limited to—

(1) a description of actions taken to reduce energy consumption;

- (2) future plans to reduce energy consumption;
- (3) an assessment of the success of the energy conservation program;
- (4) a statement of energy costs incurred in operating and maintaining all United States Postal Service facilities; and
- (5) the status of the energy efficient procurement program established under section 8262h of this title.

(Pub. L. 102–486, title I, §165, Oct. 24, 1992, 106 Stat. 2861.)

CODIFICATION

Section was enacted as part of the Energy Policy Act of 1992, and not as part of the National Energy Conservation Policy Act which comprises this chapter.

CHANGE OF NAME

Committee on Governmental Affairs of Senate changed to Committee on Homeland Security and Governmental Affairs of Senate, effective Jan. 4, 2005, by Senate Resolution No. 445, One Hundred Eighth Congress, Oct. 9, 2004.

Committee on Energy and Commerce of House of Representatives treated as referring to Committee on Commerce of House of Representatives by section 1(a) of Pub. L. 104–14, set out as a note preceding section 21 of Title 2, The Congress. Committee on Commerce of House of Representatives changed to Committee on Energy and Commerce of House of Representatives, and jurisdiction over matters relating to securities and exchanges and insurance generally transferred to Committee on Financial Services of House of Representatives by House Resolution No. 5, One Hundred Seventh Congress, Jan. 3, 2001.

ABOLITION OF HOUSE COMMITTEE ON POST OFFICE AND CIVIL SERVICE

Committee on Post Office and Civil Service of House of Representatives abolished by House Resolution No. 6, One Hundred Fourth Congress, Jan. 4, 1995. References to Committee on Post Office and Civil Service treated as referring to Committee on Government Reform and Oversight of House of Representatives, see section 1(b) of Pub. L. 104-14, set out as a note preceding section 21 of Title 2, The Congress. Committee on Government Reform and Oversight of House of Representatives changed to Committee on Government Reform of House of Representatives by House Resolution No. 5, One Hundred Sixth Congress, Jan. 6, 1999. Committee on Government Reform of House of Representatives changed to Committee on Oversight and Government Reform of House of Representatives by House Resolution No. 6, One Hundred Tenth Congress, Jan. 5,

§ 8262j. Energy management requirements for United States Postal Service

(a) Energy management requirements for postal facilities

- (1) The Postmaster General shall, to the maximum extent practicable, ensure that each United States Postal Service facility meets the energy management requirements for Federal buildings and agencies specified in section 8253 of this title.
- (2) The Postmaster General may exclude from the requirements of such section any facility or collection of facilities, and the associated energy consumption and gross square footage if the Postmaster General finds that compliance with the requirements of such section would be impracticable. A finding of impracticability

shall be based on the energy intensiveness of activities carried out in such facility or collection of facilities, the type and amount of energy consumed, or the technical feasibility of making the desired changes. The Postmaster General shall identify and list in the report required under section 8262i of this title the facilities designated by it for such exclusion.

(b) Implementation steps

In carrying $^{\rm 1}$ subsection (a) of this section, the Postmaster General shall—

- (1) not later than 1 year after October 24, 1992, prepare or update, as appropriate, a plan (which may be submitted as part of the first report submitted under section 8262i of this title)—
 - (A) describing how this section will be implemented;
 - (B) designating personnel primarily responsible for achieving the requirements of this section; and
 - (C) identifying high priority projects;
- (2) perform energy surveys of United States Postal Service facilities as necessary to achieve the requirements of this section;
- (3) install those energy conservation measures that will attain the requirements of this section in a cost-effective manner as defined in section 8254 of this title; and
- (4) ensure that the operation and maintenance procedures applied under this section are continued.

(Pub. L. 102–486, title I, §166, Oct. 24, 1992, 106 Stat. 2861.)

CODIFICATION

Section was enacted as part of the Energy Policy Act of 1992, and not as part of the National Energy Conservation Policy Act which comprises this chapter.

§8262k. Government contract incentives

(a) Establishment of criteria

Each agency, in consultation with the Federal Acquisition Regulatory Council, shall establish criteria for the improvement of energy efficiency in Federal facilities operated by Federal Government contractors or subcontractors.

(b) Purpose of criteria

The criteria established under subsection (a) of this section shall be used to encourage Federal contractors, and their subcontractors, which manage and operate federally-owned facilities, to adopt and utilize energy conservation measures designed to reduce energy costs in Government-owned and contractor-operated facilities and which are ultimately borne by the Federal Government.

(Pub. L. 102–486, title I, §167, Oct. 24, 1992, 106 Stat. 2862.)

CODIFICATION

Section was enacted as part of the Energy Policy Act of 1992, and not as part of the National Energy Conservation Policy Act which comprises this chapter.
