**DEFAULTED LOANS UNDER DEPARTMENT OF ENERGY ALCOHOL FUELS LOAN GUARANTEE PROGRAM; SALE OF ASSETS; UNOBLIGATED FUNDS**

Pub. L. 101-121, title II, Oct. 23, 1989, 103 Stat. 732, provided that:

“Notwithstanding 31 U.S.C. 3302, funds derived from the sale of assets as a result of defaulted loans made under the Department of Energy Alcohol Fuels Loan Guarantee program, or any other funds received in connection with this program, shall hereafter be credited to the Biomass Energy Development account, and shall be available solely for payment of the guaranteed portion of defaulted loans and associated costs of the Department of Energy Alcohol Fuels Loan Guarantee program for loans guaranteed prior to January 1, 1987.

“Unobligated balances available in the ‘Alternative fuels production’ account may hereafter be used for payment of the guaranteed portion of defaulted loans and associated costs of the Department of Energy Alcohol Fuels Loan Guarantee program, subject to the determination by the Secretary of Energy that such unobligated funds are not needed for carrying out the purposes of the Alternative Fuels Production program: *Provided*, That the use of these unobligated funds for payment of defaulted loans and associated costs shall be available only for loans guaranteed prior to January 1, 1987: *Provided further*, That such funds shall be used only after the unobligated balance in the Department of Energy Alcohol Fuel Loan Guarantee reserve has been exhausted.”

**§ 8815. Price guarantees**

**(a) Authority of Secretary concerned; minimum sales price**

Subject to sections 8812 and 8817 of this title, the Secretary concerned may commit to guarantee, and guarantee, that the price that the owner or operator of any biomass energy project will receive for all or part of the production from that project shall not be less than a specified sales price determined as of the date of execution of the price guarantee or commitment to guarantee.

**(b) Cost-plus arrangements as basis**

(1) No price guarantee under this section may be based upon a cost-plus arrangement, or variant thereof, which guarantees a profit to the owner or operator involved.

(2) The use of a cost-of-service pricing mechanism by a person pursuant to law, or by a regulatory body establishing rates for a regulated person, shall not be deemed to be a cost-plus arrangement, or variant thereof, for purposes of paragraph (1).

**(c) Maximum dollar amount of liability of United States**

Each price guarantee, or commitment to guarantee, which is made under this section shall specify the maximum dollar amount of liability of the United States under that guarantee.

**(d) Renegotiation of sales price and maximum liability**

If the Secretary determines, in the discretion of the Secretary, that—

(1) a biomass energy project would not otherwise be satisfactorily completed or continued, and

(2) completion or continuation of such project would be necessary to achieve the purposes of this chapter,

the sales price set forth in the price guarantee, and maximum liability under such guarantee, may be renegotiated.

**§ 8816. Purchase agreements**

**(a) Authority of Secretary concerned; consultative requirements**

Subject to sections 8812 and 8817 of this title, the Secretary concerned may commit to make, and make, purchase agreements for all or part of the biomass energy production of any biomass energy project, if the Secretary determines—

(1) that such biomass energy is of a type, quantity, and quality that can be used by Federal agencies; and

(2) that the quantity of such biomass energy, if delivery is accepted, would not exceed the likely needs of Federal agencies.

Each Secretary concerned shall consult with the other Secretary before making any determination under paragraph (2).

**(b) Maximum sales price**

The sales price specified in a purchase agreement under this section may not exceed the estimated prevailing market price as of the date of delivery, as determined by the Secretary of Energy, unless the Secretary concerned determines that such sales price must exceed the estimated prevailing market price in order to ensure the production of biomass energy to achieve the purposes of this chapter.

**(c) Assurances required**

The Secretary concerned in entering into, or committing to enter into, a purchase agreement under this section shall require—

(1) assurances that the quality of the biomass energy purchased will meet standards for the use for which such energy is purchased;

(2) assurances that the ordered quantities of such energy will be delivered on a timely basis; and

(3) such other assurances as may reasonably be required.

**(d) Arrangements for delivery pursuant to agreement; charge to Federal agency receiving delivery**

The Secretary concerned may take delivery of biomass energy pursuant to a purchase agreement under this section if appropriate arrangements have been made for its distribution to and use by one or more Federal agencies. Any Federal agency receiving such energy shall be charged (in accordance with otherwise applicable law), from sums appropriated to such Fed-
