TRANSFER OF FUNCTIONS

For transfer of functions of other officers, employees, and agencies of Department of the Interior, with certain exceptions, to Secretary of the Interior, with power to delegate, see Reorg. Plan No. 3 of 1950, §§1, 2, eff. May 24, 1950, 15 F.R. 3174, 64 Stat. 1262, set out under section 1451 of this title.

“Bureau of Land Management” substituted for “General Land Office” on authority of section 403 of Reorg. Plan No. 3 of 1946, set out as a note under section 1 of this title.

DEFINITIONS

The definitions in section 371 of this title apply to this section.

§ 418. Private lands within project; agreement as to disposal of excess over farm unit

Before any contract is let or work begun for the construction of any reclamation project adopted after August 13, 1914, the Secretary of the Interior shall require the owners of private lands thereunder to agree to dispose of all lands in excess of the area which he shall deem sufficient for the support of a family upon the land in question, upon such terms and at not to exceed such price as the Secretary of the Interior may designate; and if any landowner shall refuse to agree to the requirements fixed by the Secretary of the Interior, his land shall not be included within the project if adopted for construction.

(Aug. 13, 1914, ch. 247, §12, 38 Stat. 689.)

§ 419. Contract for irrigation project; notice as to lands irrigable, unit of entry, and construction charges

Upon the determination that any irrigation project is practicable, the Secretary of the Interior may cause to be let contracts for the construction of the same, in such portions or sections as it may be practicable to construct and complete as parts of the whole project, providing the necessary funds for such portions or sections are available, and thereupon he shall give public notice of the lands irrigable under such project, and limit of area per entry, which limit shall represent the acreage which, in the opinion of the Secretary, may be reasonably required for the support of a family upon the lands in question; also of the charges which shall be made per acre upon the said entries, and upon lands in private ownership which may be irrigated by the waters of the said irrigation project, and the number of annual installments in which such charges shall be paid and the time when such payments shall commence: *Provided*, That in all construction work eight hours shall constitute a day's work.

SECTION AS UNAFFECTED BY SUBMERGED LANDS ACT

Provisions of this section as not amended, modified, or repealed by the Submerged Lands Act, see section 1303 of this title.

§ 421a. Construction of distribution and drainage systems by irrigation districts or public agencies

Distribution and drainage systems authorized to be constructed under the Federal reclamation laws may, in lieu of construction by the Secretary of the Interior (referred to in sections 421a to 421h of this title as the "Secretary"), be constructed by irrigation districts or other public agencies according to plans and specifications approved by the Secretary as provided in sections 421a to 421h of this title. The drainage systems referred to in sections 421a to 421h of this title are those required for collection and removal of excess irrigation water, either on or below the surface of the ground and do not include enlargement or alteration of existing waterways for disposition or natural runoff.

(July 4, 1955, ch. 271, §1, 69 Stat. 244; Pub. L. 92-487, Oct. 13, 1972, 86 Stat. 804.)

AMENDMENTS

1972—Pub. L. 92-487 substituted provisions relating to construction of distribution and drainage systems, for provisions relating to construction of irrigation systems, and inserted provisions setting forth the type of drainage systems subject to coverage of sections 421a to 421h of this title.

§ 421b. Loans for construction of distribution and drainage systems; repayment contract; time period for repayment of loan; "irrigation district or other public agency" defined

To assist financially in the construction of the aforesaid local distribution and drainage systems by irrigation districts and other public agencies the Secretary is authorized, on application therefor by such irrigation districts or other public agencies, to make funds available on a loan basis from moneys appropriated for the construction of such distribution and drainage systems to any irrigation district or other public agency in an amount equal to the estimated construction cost of such system, contingent upon a finding by the Secretary that the loan can be returned to the United States in accordance with the general repayment provisions of sections 485a(d) and 485h(d) of this title and upon a showing that such district or agency already holds or can acquire all lands and interests in land (except public and other lands or interests in land owned by the United States which are within the administrative jurisdiction of the Secretary and subject to disposition by him) necessary for the construction, operation, and maintenance of the project. The Secretary shall, upon approval of a loan, including any loan for a distribution and drainage system receiving water from the San Luis unit, Central Valley project, authorized by the Act of June 3, 1960 (74 Stat. 156), enter into a repayment contract which includes such provisions as the Secretary shall deem necessary and proper to provide assurance of prompt repayment of the loan within not to exceed forty years plus a development period not to exceed ten years. The term "irrigation district or other public agency" shall for the purposes of sections 421a to 421h of this title mean any conservancy district, irrigation district, water users' organization, or other

organization, which is organized under State law and which has capacity to enter into contracts with the United States pursuant to the Federal reclamation laws.

(July 4, 1955, ch. 271, §2, 69 Stat. 245; Pub. L. 92-487, Oct. 13, 1972, 86 Stat. 804.)

AMENDMENTS

1972—Pub. L. 92-487 substituted provisions relating to financial assistance in the construction of local distribution and drainage systems, for provisions relating to financial assistance in the construction of local irrigation distribution systems, and inserted provisions relating to loans for a distribution and drainage system receiving water from the San Luis unit, Central Valley project, and provisions setting forth a specified time period for repayment of loans.

SALE OF BUREAU OF RECLAMATION LOANS

Pub. L. 100-203, title V, §5301, Dec. 22, 1987, 101 Stat. 1330-268, provided that:

"(a) SALE.—The Secretary of the Interior (hereinafter in this section referred to as the 'Secretary'), under such terms as the Secretary shall prescribe, shall sell or otherwise dispose of loans made pursuant to the Distribution System Loans Act (43 U.S.C. 421a-421d) [43 U.S.C. 421a to 421h], the Small Reclamation Projects Act [of 1956] (43 U.S.C. 422a-422f) [43 U.S.C. 422a et seq.], and the Rehabilitation and Betterment Act (43 U.S.C. 504-505) [43 U.S.C. 504 and note] in such amounts as to realize net proceeds to the Federal Government of not less than \$130,000,000 in the fiscal year ending September 30, 1988. In the conduct of such sales, the Secretary shall take such actions as he deems appropriate to accommodate, effectuate, and otherwise protect the rights and obligations of the United States and the borrowers under the contracts executed to provide for repayment of such loans.

"(b) SAVINGS PROVISIONS.—Nothing in this section, including the prepayment or other disposition of any loan or loans, shall—

"(1) except to the extent that prepayment may have been authorized heretofore, relieve the borrower from the application of the provisions of Federal Reclamation law (Act of June 17, 1902 [32 Stat. 388, see Short Title note under section 371 of this title], and Acts amendatory thereof or supplementary thereto, including the Reclamation Reform Act of 1982 [43 U.S.C. 390aa et seq.]), including acreage limitations, to the extent such provisions would apply absent such prepayment, or

"(2) authorize the transfer of title to any federally owned facilities funded by the loans specified in subsection (a) of this section without a specific Act of Congress.

"(c) FEES AND EXPENSES OF PROGRAM.—Proceeds from the conduct of the program authorized by this section shall be first used to pay the fees and expenses of such program and the net proceeds shall be deposited in the Treasury of the United States as miscellaneous receipts.

"(d) TERMINATION.—The authority granted by this section to sell or otherwise dispose of loans shall terminate on December 31, 1988."

§ 421c. Conditions of loan for distribution and drainage systems; reconveyance by Secretary of lands, interests in lands, and distribution works heretofore conveyed to the United States; conditions of reconveyance; rights of way

The Secretary shall require, as conditions to any such loan, that the borrower contribute in
