HISTORICAL AND REVISION NOTES

Revised section 12503

Subsection (a) of section 12503 allows a State or approved State delegee to make vessel identification in-

formation available to the Secretary. Participation in the system is voluntary on the part of a State. A benefit to boat purchasers and financiers in States with approved titling systems participating in this system is that vessel mortgages or financing instruments made in those States are deemed to be preferred mortgages under chapter 313 of title 46, United States Code (as codified and enacted by this Act).

Under subsection (a), the Secretary may prescribe the manner and form in which the information is made available by the States. In this regard, the Committee intends that the Secretary employ the most efficient, up-to-date computer technology in maintaining information made available from the States to avoid duplication of effort in maintaining information and to reduce the costs of the system. In addition to the vessel identification information made available by States under paragraphs (1)–(6), the Secretary and a State may agree that the State make available other information. For example, the purpose for which a vessel is routinely used would be valuable information for the system.

The Committee intends that most of the information in the system will become available directly and exclusively from the States to the greatest extent possible. However, under subsection (b), the Secretary may accept information from others under conditions and in a manner and form prescribed by the Secretary. Thus, if the Secretary discovers a valuable and reliable source of data that can be conveniently made available to the system, the Secretary can approve it.

Under paragraph (c)(1), the Secretary must maintain information on a State-titled vessel with a preferred mortgage that moves to a nonparticipating, nontitle State, until the mortgage is discharged or the vessel is sold. Under paragraph (c)(2), the Secretary must accept information submitted under section 31321 of title 46 (as enacted by this Act) concerning a discharge of a preferred mortgage on a vessel title under State law. This would be necessary if the vessel moves to a nonparticipating State, and information on that vessel would not be provided to the system by that State. This subsection will allow the Secretary to keep the vessel information system current on these matters and purge files no longer required to be maintained.

AMENDMENTS

2006—Subsec. (a). Pub. L. 109-304 substituted "delegee" for "delegee" in introductory provisions.

1990—Subsec. (a)(2)(A). Pub. L. 101-595 amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: "the owner's social security number; or".

1989—Subsec. (a)(2). Pub. L. 101-225 amended par. (2) generally, adding subpars. (A) and (B).

§ 12504. Information available from the system

For law enforcement or other purposes and under conditions prescribed by the Secretary of Transportation, the Secretary—

- (1) shall make available information in the vessel identification system to a State making information available under section 12503(a) of this title; and
- (2) may make available information in the vessel identification system to others.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4736; amended Pub. L. 101-225, title III, §302(3), Dec. 12, 1989, 103 Stat. 1923.)

HISTORICAL AND REVISION NOTES

Revised section 12504

This section requires that the Secretary make available information maintained in the vessel identification system to a State participating in the system for law enforcement or other purposes. The Secretary may make available information in the system to others,

under conditions the Secretary may prescribe. At first, the Secretary may elect to deal only with the States. However, the Committee firmly expects that information will be made available through computer terminals in satellite offices or direct computer access by modem. In this manner, boating organizations or financial or documentation services could retrieve data without paper transactions for a fee.

AMENDMENTS

1989—Pub. L. 101-225 substituted “Secretary of Transportation, the Secretary” for “Secretary, the Secretary of Transportation”.

§ 12505. Fees

(a) The Secretary of Transportation may charge a fee under section 9701 of title 31 for providing information to or requesting information from the vessel identification system, except to—

- (1) an agency; or
- (2) a State making information available to the Secretary under section 12503(a) of this title.

(b) The Secretary shall deposit amounts transferred or collected under this section in the general fund of the Treasury as proprietary receipts of the Secretary and ascribed to the vessel identification system.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4737; amended Pub. L. 101-595, title VI, §603(11), Nov. 16, 1990, 104 Stat. 2993.)

HISTORICAL AND REVISION NOTES

Revised section 12505

This section contains the authority for the Secretary to charge a fee under the user charge law, 31 U.S.C. 9701, for providing information to or requesting information from the vessel identification system. Fees may not be charged under this subsection to an agency or a State that is participating in the vessel identification system maintained by the Secretary.

Under subsection (b) of this section, the Secretary may collect an annual fee of not more than \$1.00 from the owner of a vessel of the United States under 31 U.S.C. 9701 for the vessel identification system. Since vessel owners will benefit from the vessel identification system, such as from documentation of ownership data and stolen vessel tracking, this fee is designed as a maintenance charge to owners for this service. The collection of the annual fee may be delayed by the Secretary, and an agency, State, or person may be employed to collect the fee under subsection (c). The Committee expects that the Secretary will make agreements with States to collect this fee at the time of vessel registrations. The term of these registrations varies from one to three years as permitted by chapter 123 of title 46.

Under subsection (d) of this section, if a State is employed to collect the fee, the State may retain one-half of the amounts collected, and must transfer the remainder to the Secretary. The amounts retained by a State may be used to cover the costs of making vessel identification information available to the Secretary. This includes upgrading or establishing titling systems as well as making improvements and other changes to vessel numbering systems to make information available. Because States are allowed to make improvements to their vessel titling and numbering systems with the amounts retained under this section, the costs of those programs may decrease. This could result in a corresponding decrease in State numbering fees and offset vessel identification system fees paid by vessel owners.

AMENDMENTS

1990—Subsec. (b). Pub. L. 101-595 redesignated subsec. (e) as (b) and struck out former subsec. (b) which read

as follows: “In addition to any fee under subsection (a) of this section, the Secretary may collect an annual fee of not more than \$1.00 from the owner of each vessel of the United States under section 9701 of title 31 for maintaining the vessel identification system. However, the collection of that fee may be delayed under conditions prescribed by the Secretary.”

Subsecs. (c), (d). Pub. L. 101-595 struck out subsecs. (c) and (d) which read as follows:

“(c) The Secretary may employ any agency, State, or person to collect the fee established under subsection (b) of this section.

“(d) If a State is employed to collect a fee under subsection (c) of this section, the State may retain one-half of the amounts collected. A State shall transfer one-half of the amounts collected under subsection (b) of this section to the Secretary.”

Subsec. (e). Pub. L. 101-595 redesignated subsec. (e) as (b).

Subsec. (f). Pub. L. 101-595 struck out subsec. (f) which read as follows: “The amounts retained by a State under this section may be used to make information available to the Secretary and to pay incremental administrative costs.”

ANNUAL FEE PRIOR TO JAN. 1, 1992

Pub. L. 100-710, title I, §104(e)(1), Nov. 23, 1988, 102 Stat. 4751, provided that: “Before January 1, 1992, the annual fee under section 12505 of title 46, United States Code (as enacted by section 101 of this Act), is \$1.00.”

§ 12506. Delegation of authority

The Secretary of Transportation may delegate to an agency, a State, or a qualified person the authority to—

- (1) establish and maintain the vessel identification system; and
- (2) charge fees under section 12505 of this title to a person making information available to or requesting information from the vessel identification system.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4737.)

HISTORICAL AND REVISION NOTES

Revised section 12506

This section allows the Secretary to delegate the authority to establish and maintain the vessel identification system to an agency, a State, or a qualified person. The Secretary may also delegate the authority to charge fees under section 12505 for requesting information from or making information available to the vessel identification system.

§ 12507. Penalties

(a) A person shall be fined under title 18, imprisoned for not more than 2 years, or both, if the person with the intent to defraud—

- (1) provides false information to the Secretary of Transportation or a State issuing authority regarding the identification of a vessel under this chapter; or
- (2) tampers with, removes, or falsifies the unique vessel identification number assigned to a vessel under section 12502 of this title.

(b) A person is liable to the United States Government for a civil penalty of not more than \$10,000 if the person—

- (1) provides false information to the Secretary or a State issuing authority regarding the identification of a vessel under this chapter;
- (2) violates section 12502 of this title; or
