§ 13108. Computing amounts allocated to States and State records requirements

(a) Amounts allocated and distributed under section 13104 of this title shall be computed and paid to the States as follows:

(1) During the second quarter of a fiscal year and on the basis of computations made under section 13106 of this title and submitted by the States for the preceding fiscal year, the Secretary shall determine the percentage of the amounts available to which each eligible State is entitled for the next fiscal year.

(2) Notice of the percentage and of the dollar amount, if it can be determined, for each State shall be provided to the States at the earliest practicable time.

(3) If the Secretary determines that an amount made available to a State for a prior fiscal year is greater or less than the amount that should have been made available to the State for the prior fiscal year, because of later or more accurate State expenditure information, the amount for the current fiscal year may be increased or decreased by the appropriate amount.

(b) The Secretary shall schedule the payment of amounts, consistent with the program purposes and applicable regulations prescribed by the Secretary of the Treasury, to minimize the time elapsing between the transfer of amounts from the Treasury and the subsequent disbursement of the amounts by a State.

(c) The Secretary shall notify a State authority or agency that further payments will be made to the State only when the program complies with the prescribed standards or a failure to comply substantially with standards is corrected if the Secretary, after reasonable notice to the designated State authority or agency, finds that—

(1) the State recreational boating safety program submitted by the State and accepted by the Secretary has been so changed that it no longer complies with this chapter or standards prescribed by regulations; or

(2) in carrying out the State recreational boating safety program, there has been a failure to comply substantially with the standards prescribed by regulations.

(d) The Secretary shall provide for the accounting, budgeting, and other fiscal procedures that are necessary and reasonable to carry out
