

§ 40503. Refunds and waivers

The Federal Maritime Commission, on application of a carrier or shipper, may permit a common carrier or conference to refund a portion of the freight charges collected from a shipper, or to waive collection of a portion of the charges from a shipper, if—

(1) there is an error in a tariff, a failure to publish a new tariff, or an error in quoting a tariff, and the refund or waiver will not result in discrimination among shippers, ports, or carriers;

(2) the common carrier or conference, before filing an application for authority to refund or waive any charges for an error in a tariff or a failure to publish a tariff, has published a new tariff setting forth the rate on which the refund or waiver would be based; and

(3) the application for the refund or waiver is filed with the Commission within 180 days from the date of shipment.

In paragraph (1), the words “an error in a tariff, a failure to publish a new tariff” are substituted for “an error in a, in failing to publish a new tariff” to correct an obvious error in the underlying statute.

In paragraph (2), the words “or waive” are added for consistency with the reference to a waiver later in the paragraph.

(A) the same as, or similar to, those published or assessed by other carriers in the same trade;

(B) required to ensure movement of particular cargo in the same trade; or

(C) required to maintain acceptable continuity, level, or quality of common carrier service to or from affected ports.
