

tially the same as the project considered in the document to be adopted;

(B) the other operating administration concurs with such decision; and

(C) such actions are consistent with the requirements of the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).

(3) INCORPORATION BY REFERENCE.—An operating administration or secretarial office within the Department of Transportation may incorporate by reference all or portions of a draft environmental impact statement, an environmental assessment, or a final environmental impact statement for the use of the adopting operating administration when preparing an environmental assessment or final environmental impact statement for a project if—

(A) the incorporated material is cited in the environmental assessment or final environmental impact statement and the contents of the incorporated material are briefly described;

(B) the incorporated material is reasonably available for inspection by potentially interested persons within the time allowed for review and comment; and

(C) the incorporated material does not include proprietary data that is not available for review and comment.

EFFECTIVE DATE

Section effective Oct. 1, 2015, see section 1003 of Pub. L. 114-94, set out as an Effective Date of 2015 Amendment note under section 5313 of Title 5, Government Organization and Employees.

§ 305. Transportation investment standards and criteria

(a) Subject to sections 301-304¹ of this title, the Secretary of Transportation shall develop standards and criteria to formulate and economically evaluate all proposals for investing amounts of the United States Government in transportation facilities and equipment. Based on experience, the Secretary shall revise the standards and criteria. When approved by Congress, the Secretary shall prescribe standards and criteria developed or revised under this subsection. This subsection does not apply to—

(1) the acquisition of transportation facilities or equipment by a department, agency, or instrumentality of the Government to provide transportation for its use;

(2) an inter-oceanic canal located outside the 48 contiguous States;

(3) defense features included at the direction of the Department of Defense in designing and

constructing civil air, sea, or land transportation;

(4) foreign assistance programs;

(5) water resources projects; or

(6) grant-in-aid programs authorized by law.

(b) A department, agency, or instrumentality of the Government preparing a survey, plan, or report that includes a proposal about which the Secretary has prescribed standards and criteria under subsection (a) of this section shall—

(1) prepare the survey, plan, or report under those standards and criteria and on the basis of information provided by the Secretary on the—

(A) projected growth of transportation needs and traffic in the affected area;

(B) the relative efficiency of various modes of transportation;

(C) the available transportation services in the area; and

(D) the general effect of the proposed investment on existing modes of transportation and on the regional and national economy;

(2) coordinate the survey, plan, or report—

(A) with the Secretary and include the views and comments of the Secretary; and

(B) as appropriate, with other departments, agencies, and instrumentalities of the Government, States, and local governments, and include their views and comments; and

(3) send the survey, plan, or report to the President for disposition under law and procedure established by the President.

HISTORICAL AND REVISION NOTES

Revised Section	Source (U.S. Code)	Source (Statutes at Large)
305(a)	49:1656(a) (less next-to-last par.).	Oct. 15, 1966, Pub. L. 89-670, §7 (less (a) next-to-last par.), 80 Stat. 941.
305(b)	49:1656 (less (a)).	

In subsection (a), before clause (1), the words “consistent with national transportation policies” after “develop standards and criteria” are omitted as unnecessary because of section 302 of the revised title. The words “Based on experience” are substituted for “in the light of experience”, and the words “shall prescribe” are substituted for “be promulgated by the”, to conform to other sections of the revised title. The words “from time to time” after “shall revise” are omitted as unnecessary. The words “This subsection does not apply to” are substituted for “except such proposals as are concerned with” for clarity. In clause (1), the words “a department, agency, or instrumentality of the Government” are substituted for “Federal agencies” for clarity and consistency. Similar conforming changes are made throughout the section. The word “services” after “provide transportation” is omitted as unnecessary. In clause (2), the words “48 contiguous States” are substituted for “contiguous United States” for clarity.

The text of 49:1656(a) (last par.) that provided that the Secretary of Transportation was a member of the Water Resources Council on matters pertaining to navigation features of water resource projects is omitted as superseded because 42:1962(a) gave the Secretary membership on the Council without limitation.

In subsection (b)(2), the words “unit of” before “governments” are omitted as surplus. In clause (3), the word “thereafter” after “send” is omitted as surplus.

Section 304 of this title, referred to in subsec. (a), was amended generally by Pub. L. 112-141, div. A, title I, § 1314(a), July 6, 2012, 126 Stat. 547.

§ 306. Prohibited discrimination

(a) In this section, “financial assistance” includes obligation guarantees.

(b) A person in the United States may not be excluded from participating in, be denied the benefits of, or be subject to discrimination under, a project, program, or activity because of race, color, national origin, or sex when any part of the project, program, or activity is financed through financial assistance under section 332 or 333 or chapter 221 or 249 of this title, section 211 or 216 of the Regional Rail Reorganization Act of 1973 (45 U.S.C. 721, 726), or title V of the Railroad Revitalization and Regulatory Reform Act of 1976 (45 U.S.C. 821 et seq.).

(c) When the Secretary of Transportation decides that a person receiving financial assistance under a law referred to in subsection (b) of this section has not complied with that subsection, a Federal civil rights law, or an order or regulation issued under a Federal civil rights law, the Secretary shall notify the person of the decision and require the person to take necessary action to ensure compliance with that subsection.

(d) If a person does not comply with subsection (b) of this section within a reasonable time after receiving a notice under subsection (c) of this section, the Secretary shall take at least one of the following actions:

- (1) direct that no more Federal financial assistance be provided the person.
- (2) refer the matter to the Attorney General with a recommendation that a civil action be brought against the person.
- (3) carry out the duties and powers provided by title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.).
- (4) take other action provided by law.

(e) When a matter is referred to the Attorney General under subsection (d)(2) of this section, or when the Attorney General has reason to believe that a person is engaged in a pattern or practice violating this section, the Attorney General may begin a civil action in a district court of the United States for appropriate relief.

Revised Section	Source (U.S. Code)	Source (Statutes at Large)
306(a)	45:803(f).	
306(b)	45:803(a).	Feb. 5, 1976, Pub. L. 94-210, §905, 90 Stat. 148.
306(c), (d) ...	45:803(b).	
306(e)	45:803(c)-(e).	

In subsection (b), the enumerated laws are substituted for “through financial assistance under this Act”, meaning the Rail Revitalization and Regulatory Reform Act of 1976 (Pub. L. 94-210, 90 Stat. 31) and laws amended by that Act. The laws cited in the subsection are substituted for “through financial assistance under this Act” for clarity. The enumerated laws include pro-

visions of the Railroad Revitalization and Regulatory Reform Act of 1976 that amend other laws as well as provisions that are not amendments to other laws. A reference to the Urban Mass Transportation Act of 1964 (Pub. L. 88-365, 78 Stat. 302) is omitted because this section related to that Act is superseded by 49:1615.

In subsection (c), the word “decides” is substituted for “determines” for consistency. The word “ensure” is substituted for “assure” as being more precise.

In subsection (d), the words “at least one of the following actions” are substituted for “and/or” for clarity and consistency.

In subsection (e), the text of 45:803(d) is omitted as unnecessary because section 322 of the revised title gives the Secretary of Transportation general authority to prescribe regulations and other provisions of the revised title give the Secretary general authority to carry out his duties and powers. The text of 45:803(e) is omitted as unnecessary.

This is necessary to correct a cross-reference in section 306(b) and to reflect the transfer of the non-positive law provisions of title 49 to title 49 appendix.

1984—Subsec. (b). Pub. L. 98-216 substituted “section 332 or 333 of this title” for “section 332 of this title” and “49 App. U.S.C.” for “49 U.S.C.”.

§307. Improving State and Federal agency engagement in environmental reviews

(a) IN GENERAL.—

(1) REQUESTS TO PROVIDE FUNDS.—A public entity receiving financial assistance from the Department of Transportation for 1 or more projects, or for a program of projects, for a public purpose may request that the Secretary allow the public entity to provide funds to Federal agencies, including the Department, State agencies, and Indian tribes participating in the environmental planning and review process for the project, projects, or program.

(2) USE OF FUNDS.—The funds may be provided only to support activities that directly and meaningfully contribute to expediting and improving permitting and review processes, including planning, approval, and consultation processes for the project, projects, or program.
