AMENDMENTS

1997—Subsec. (a). Pub. L. 105-134, §102(1), struck out at end “When requested by Amtrak, a department, agency, or instrumentality of the United States Government shall assist in carrying out this section.”

Subsec. (b). Pub. L. 105-134, §102(2), added subsec. (b) and struck out heading and text of former subsec. (b). Text read as follows:

“(1) A person primarily providing auto-ferry transportation and any other person not a rail carrier may provide auto-ferry transportation over any route under a certificate issued by the Interstate Commerce Commission if the Commission finds that the auto-ferry transportation—

“(A) will not impair the ability of Amtrak to reduce its losses or increase its revenues; and

“(B) is required to meet the public demand.

“(2) A rail carrier that has not made a contract with Amtrak to provide rail passenger transportation may provide auto-ferry transportation over its own rail lines.

“(3) State and local laws and regulations that impair the provision of auto-ferry transportation do not apply to Amtrak or a rail carrier providing auto-ferry transportation. A rail carrier may not refuse to participate with Amtrak in providing auto-ferry transportation because a State or local law or regulation makes the transportation unlawful.”

§ 24307. Special transportation

(a) REDUCED FARE PROGRAM.—Amtrak shall maintain a reduced fare program for the following:

- (1) individuals at least 65 years of age.
- (2) individuals (except alcoholics and drug abusers) who—
 - (A) have a physical or mental impairment that substantially limits a major life activity of the individual;
 - (B) have a record of an impairment; or
 - (C) are regarded as having an impairment.

(b) EMPLOYEE TRANSPORTATION.—(1) In this subsection, “rail carrier employee” means—

- (A) an active full-time employee of a rail carrier or terminal company and includes an employee on furlough or leave of absence;

(B) a retired employee of a rail carrier or terminal company; and

(C) a dependent of an employee referred to in clause (A) or (B) of this paragraph.

(2) Amtrak shall ensure that a rail carrier employee eligible for free or reduced-rate rail transportation on April 30, 1971, under an agreement in effect on that date is eligible, to the greatest extent practicable, for free or reduced-rate intercity rail passenger transportation provided by Amtrak under this part, if space is available, on terms similar to those available on that date under the agreement. However, Amtrak may apply to all rail carrier employees eligible to receive free or reduced-rate transportation under any agreement a single systemwide schedule of terms that Amtrak decides applied to a majority of employees on that date under all those agreements. Unless Amtrak and a rail carrier make a different agreement, the carrier shall reimburse Amtrak at the rate of 25 percent of the systemwide average monthly yield of each revenue passenger-mile. The reimbursement is in place of costs Amtrak incurs related to free or reduced-rate transportation, including liability related to travel of a rail carrier employee eligible for free or reduced-rate transportation.

(3) This subsection does not prohibit the Surface Transportation Board from ordering retroactive relief in a proceeding begun or reopened after October 1, 1981.
