§ 2411. Director for Cost Estimating and Program Evaluation

(a) Establishment

(1) There is in the Administration a Director for Cost Estimating and Program Evaluation (in this section referred to as the “Director”).

(2) The position of the Director shall be a Senior Executive Service position (as defined in section 3132(a) of title 5).

(b) Duties

(1) The Director shall be the principal advisor to the Administrator, the Deputy Secretary of Energy, and the Secretary of Energy with respect to cost estimation and program evaluation for the Administration.

(2) The Administrator may not delegate responsibility for receiving or acting on communications from the Director with respect to cost estimation and program evaluation for the Administration.

(c) Activities for cost estimation

(1) The Director shall be the responsible for the following activities relating to cost estimation:

(A) Advising the Administrator on policies and procedures for cost analysis and estimation by the Administration, including the determination of confidence levels with respect to cost estimates.

(B) Reviewing cost estimates and evaluating the performance baseline for each major atomic energy defense acquisition program.

(C) Advising the Administrator on policies and procedures for developing technology readiness assessments for major atomic energy defense acquisition programs that are consistent with the guidelines of the Department of Energy for technology readiness assessments.

(D) Reviewing technology readiness assessments for such programs to ensure that such programs are meeting levels of confidence associated with appropriate overall system performance.

(E) As directed by the Administrator, conducting independent cost estimates for such programs.

(2) A review, evaluation, or cost estimate conducted under subparagraph (B), (D), or (E) of paragraph (1) shall be considered an inherently governmental function, but the Director may use data collected by a national security laboratory or a management and operating contractor of the Administration in conducting such a review, evaluation, or cost estimate.

(3) The Director shall submit in writing to the Administrator the following:

(A) The certification of the Director with respect to each review, evaluation, and cost estimate conducted under subparagraph (B), (D), or (E) of paragraph (1).

(B) A statement of the confidence level of the Director with respect to each such review,

evaluation, and cost estimate, including an identification of areas of uncertainty, risk, and opportunity discovered in conducting each such review, evaluation, and cost estimate.

(d) Activities for program evaluation

(1) The Director shall be responsible for the following activities relating to program evaluation:

(A) Reviewing and commenting on policies and procedures for setting requirements for the future-years nuclear security program under section 2453 of this title and for prioritizing and estimating the funding required by the Administration for that program.

(B) Reviewing the future-years nuclear security program on an annual basis to ensure that the program is accurate and thorough.

(C) Advising the Administrator on policies and procedures for analyses of alternatives for major atomic energy defense acquisition programs.

(D) As part of the planning, programming, and budgeting process of the Administration under sections 2451 and 2452 of this title, analyzing the planning phase of that process, advising on programmatic and fiscal year guidance, and managing the program review phase of that process.

(E) Developing and managing the submittal of the Selected Acquisition Reports and independent cost estimates on nuclear weapons systems undergoing major life extension under section 2537 of this title.

(F) Reviewing cost and schedule baselines for projects under section 2753 of this title and managing notifications to the congressional defense committees of cost overruns under that section.

(2) A review conducted under paragraph (1)(B) shall be considered an inherently governmental function, but the Director may use data collected by a national security laboratory or a management and operating contractor of the Administration in conducting such a review.

(3) The Director shall submit to Congress a report on any major programmatic deviations from the future-years nuclear security program discovered in conducting a review under paragraph (1)(B) at or about the time the budget of the President is submitted to Congress under section 1105(a) of title 31 for the next fiscal year.

(e) Data collection and accessibility

The Administrator, acting through the Director, shall, as appropriate, seek to use procedures, processes, and policies for collecting cost data and making that data accessible that are similar to the procedures, processes, and policies used by the Defense Cost Analysis Resource Center of the Office of Cost Assessment and Program Evaluation of the Department of Defense for those purposes.

(f) Staff

The Administrator shall ensure that the Director has sufficient numbers of personnel who have competence in technical matters, budgetary matters, cost estimation, technology readiness analysis, and other appropriate matters to carry out the functions required by this section.

(g) Reports by Director

The Director shall submit to Congress at or about the time that the budget of the President is submitted to Congress pursuant to section 1105(a) of title 31 for each of fiscal years 2015 through 2018, a report that includes the following:

(1) A description of activities conducted by the Director during the calendar year preceding the submission of the report that are related to the duties and activities described in this section.

(2) A list of all major atomic energy defense acquisition programs and a concise description of the status of each such program and project in meeting cost and critical schedule milestones.

(h) Definitions

In this section:

(1) Administration

The term “Administration”, with respect to any authority, duty, or responsibility provided by this section, does not include the Office of Naval Reactors.

(2) Major atomic energy defense acquisition program

(A) In general

Except as provided in subparagraph (B), the term “major atomic energy defense acquisition program” means an atomic energy defense acquisition program of the Administration—

(i) the total project cost of which is more than \$500,000,000; or

(ii) the total lifetime cost of which is more than \$1,000,000,000.

(B) Exclusion of capital assets acquisition projects

The term “major atomic energy defense acquisition program” does not include a project covered by Department of Energy Order 413.3 (or a successor order) for the acquisition of capital assets for atomic energy defense activities.

(3) Performance baseline

The term “performance baseline”, with respect to a major atomic energy defense acquisition program, means the key parameters with respect to performance, scope, cost, and schedule for the project budget of the program.

AMENDMENTS

Subsec. (h)(1) to (3). Pub. L. 113-291 added par. (1) and redesignated former pars. (1) and (2) as (2) and (3), respectively.

SUBCHAPTER II—MATTERS RELATING TO
SECURITY

§ 2421. Protection of national security information

(a) Policies and procedures required

The Administrator shall establish procedures to ensure the maximum protection of classified information in the possession of the Administration.

(b) Prompt reporting

The Administrator shall establish procedures to ensure prompt reporting to the Administrator of any significant problem, abuse, violation of law or Executive order, or deficiency relating to the management of classified information by personnel of the Administration.

(Pub. L. 106-65, div. C, title XXXII, §3231, Oct. 5, 1999, 113 Stat. 960.)

§ 2422. Office of Defense Nuclear Security

(a) Establishment

There is within the Administration an Office of Defense Nuclear Security, headed by a Chief appointed by the Secretary of Energy. The Administrator shall recommend to the Secretary suitable candidates for such position.

(b) Chief of Defense Nuclear Security

(1) The head of the Office of Defense Nuclear Security is the Chief of Defense Nuclear Security, who shall report to the Administrator and shall implement the security policies directed by the Secretary and Administrator.

(2) The Chief shall have direct access to the Secretary and all other officials of the Department and the contractors of the Department concerning security matters.

(3) The Chief shall be responsible for the development and implementation of security programs for the Administration, including the protection, control and accounting of materials, and for the physical and cyber security for all facilities of the Administration.

(Pub. L. 106-65, div. C, title XXXII, §3232, Oct. 5, 1999, 113 Stat. 960; Pub. L. 109-364, div. C, title XXXI, §3117(b)(1), Oct. 17, 2006, 120 Stat. 2507.)

AMENDMENTS

2006—Pub. L. 109-364, §3117(b)(1)(A), struck out “Office of Defense Nuclear Counterintelligence and” before “Office of Defense Nuclear Security” in section catchline.

Subsec. (a). Pub. L. 109-364, §3117(b)(1)(B), added subsec. (a) and struck out heading and text of former subsec. (a). Text read as follows:

“(1) There are within the Administration—

“(A) an Office of Defense Nuclear Counterintelligence; and

“(B) an Office of Defense Nuclear Security.

“(2) Each office established under paragraph (1) shall be headed by a Chief appointed by the Secretary of Energy. The Administrator shall recommend to the Secretary suitable candidates for each such position.”

Subsecs. (b), (c). Pub. L. 109-364, §3117(b)(1)(C), (D), redesignated subsec. (c) as (b) and struck out former subsec. (b) which related to the Chief of Defense Nuclear Counterintelligence.

§ 2423. Counterintelligence programs

(a) National security laboratories and nuclear weapons production facilities

The Secretary of Energy shall, at each national security laboratory and nuclear weapons production facility, establish and maintain a counterintelligence program adequate to protect national security information at that laboratory or production facility.

(b) Other facilities

The Secretary of Energy shall, at each Administration facility not described in subsection (a) at which Restricted Data is located, assign an employee of the Office of Counterintelligence of the Department of Energy who shall be responsible for and assess counterintelligence matters at that facility.

(Pub. L. 106-65, div. C, title XXXII, §3233, Oct. 5, 1999, 113 Stat. 961; Pub. L. 109-364, div. C, title XXXI, §3117(a)(2)(C), (c), Oct. 17, 2006, 120 Stat. 2507, 2508; Pub. L. 111-84, div. C, title XXXI, §3121, Oct. 28, 2009, 123 Stat. 2710.)

AMENDMENTS

2009—Pub. L. 111-84 amended Pub. L. 109-364, §3117(a), see 2006 Amendment note below.

2006—Pub. L. 109-364, §3117(a), which, in par. (2), directed amendment of this section by substituting “Administrator” for “Secretary of Energy” in subsecs. (a) and (b) and “Administration” for “Office of Counterintelligence of the Department of Energy” in subsec. (b), effective Sept. 30, 2010, was amended generally by Pub. L. 111-84, and as so amended, no longer contains a par. (2) or amends this section.

Pub. L. 109-364, §3117(c), substituted “Secretary of Energy” for “Administrator” in subsecs. (a) and (b) and “Office of Counterintelligence of the Department of Energy” for “Office of Defense Nuclear Counterintelligence” in subsec. (b).

§ 2424. Procedures relating to access by individuals to classified areas and information of Administration

The Administrator shall establish appropriate procedures to ensure that any individual is not permitted unescorted access to any classified area, or access to classified information, of the Administration until that individual has been verified to hold the appropriate security clearances.

(Pub. L. 106-65, div. C, title XXXII, §3234, Oct. 5, 1999, 113 Stat. 961.)

§ 2425. Government access to information on Administration computers

(a) Procedures required

The Administrator shall establish procedures to govern access to information on Administration computers. Those procedures shall, at a minimum, provide that any individual who has access to information on an Administration computer shall be required as a condition of such access to provide to the Administrator written consent which permits access by an authorized investigative agency to any Administration computer used in the performance of the duties of such employee during the period of that individual’s access to information on an Administration computer and for a period of three years thereafter.
