

producers on a farm in base acres for which direct payments or counter-cyclical payments are made, or on which average crop revenue election payments are based, shall result in the termination of the direct payments, counter-cyclical payments, or average crop revenue election payments to the extent the payments are made or based on the base acres, unless the transferee or owner of the acreage agrees to assume all obligations under subsection (a).

(B) Effective date

The termination shall take effect on the date determined by the Secretary.

(2) Exception

If a producer entitled to a direct payment, counter-cyclical payment, or average crop revenue election payment dies, becomes incompetent, or is otherwise unable to receive the payment, the Secretary shall make the payment, in accordance with rules issued by the Secretary.

(c) Reports

(1) Acreage reports

As a condition on the receipt of any benefits under this subchapter or subchapter II, the Secretary shall require producers on a farm to submit to the Secretary annual acreage reports with respect to all cropland on the farm.

(2) Production reports

As a condition on the receipt of any benefits under this subchapter or subchapter II, the Secretary shall require producers on a farm that receive payments under section 8715¹ of this title to submit to the Secretary annual production reports with respect to all covered commodities and peanuts produced on the farm.

(3) Penalties

No penalty with respect to benefits under this subchapter or subchapter II shall be assessed against the producers on a farm for an inaccurate acreage or production report unless the producers on the farm knowingly and willfully falsified the acreage or production report.

(d) Tenants and sharecroppers

In carrying out this subchapter, the Secretary shall provide adequate safeguards to protect the interests of tenants and sharecroppers.

(e) Sharing of payments

The Secretary shall provide for the sharing of direct payments, counter-cyclical payments, or average crop revenue election payments among the producers on a farm on a fair and equitable basis.

(f) Extension of 2008 signup

(1) In general

Notwithstanding any other provision of law, the Secretary shall extend the 2008 crop year deadline for the signup for benefits under this subchapter by producers on a farm with base acres of 10 acres or less until the later of—

(A) November 14, 2008; or

(B) the end of the 45-day period beginning on October 13, 2008.

(2) Penalties

The Secretary shall ensure that no penalty with respect to benefits under this subchapter or subchapter II is assessed against producers on a farm described in paragraph (1) for failure to submit reports under this section or timely comply with other program requirements as a result of compliance with the extended signup deadline under that paragraph.

§ 8717. Planting flexibility

(a) Permitted crops

Subject to subsection (b), any commodity or crop may be planted on base acres on a farm.

(b) Limitations regarding certain commodities

(1) General limitation

The planting of an agricultural commodity specified in paragraph (3) shall be prohibited on base acres unless the commodity, if planted, is destroyed before harvest.

(2) Treatment of trees and other perennials

The planting of an agricultural commodity specified in paragraph (3) that is produced on a tree or other perennial plant shall be prohibited on base acres.

(3) Covered agricultural commodities

Paragraphs (1) and (2) apply to the following agricultural commodities:

(A) Fruits.

(B) Vegetables (other than mung beans and pulse crops).

(C) Wild rice.

(c) Exceptions

Paragraphs (1) and (2) of subsection (b) shall not limit the planting of an agricultural com-

modity specified in paragraph (3) of that subsection—

(1) in any region in which there is a history of double-cropping of covered commodities with agricultural commodities specified in subsection (b)(3), as determined by the Secretary, in which case the double-cropping shall be permitted;

(2) on a farm that the Secretary determines has a history of planting agricultural commodities specified in subsection (b)(3) on base acres, except that direct payments and counter-cyclical payments shall be reduced by an acre for each acre planted to such an agricultural commodity; or

(3) by the producers on a farm that the Secretary determines has an established planting history of a specific agricultural commodity specified in subsection (b)(3), except that—

(A) the quantity planted may not exceed the average annual planting history of such agricultural commodity by the producers on the farm in the 1991 through 1995 or 1998 through 2001 crop years (excluding any crop year in which no plantings were made), as determined by the Secretary; and

(B) direct payments and counter-cyclical payments shall be reduced by an acre for each acre planted to such agricultural commodity.

(d) Planting transferability pilot project

(1) Pilot project authorized

Notwithstanding paragraphs (1) and (2) of subsection (b) and in addition to the exceptions provided in subsection (c), the Secretary shall carry out a pilot project to permit the planting of cucumbers, green peas, lima beans, pumpkins, snap beans, sweet corn, and tomatoes grown for processing on base acres during each of the 2009 through 2012 crop years.

(2) Pilot project States and acres

The number of base acres eligible during each crop year for the pilot project under paragraph (1) shall be—

- (A) 9,000 acres in the State of Illinois;
- (B) 9,000 acres in the State of Indiana;
- (C) 1,000 acres in the State of Iowa;
- (D) 9,000 acres in the State of Michigan;
- (E) 34,000 acres in the State of Minnesota;
- (F) 4,000 acres in the State of Ohio; and
- (G) 9,000 acres in the State of Wisconsin.

(3) Contract and management requirements

To be eligible for selection to participate in the pilot project, the producers on a farm shall—

(A) demonstrate to the Secretary that the producers on the farm have entered into a contract to produce a crop of a commodity specified in paragraph (1) for processing;

(B) agree to produce the crop as part of a program of crop rotation on the farm to achieve agronomic and pest and disease management benefits; and

(C) provide evidence of the disposition of the crop.

(4) Temporary reduction in base acres

The base acres on a farm for a crop year shall be reduced by an acre for each acre planted under the pilot program.

(5) Duration of reductions

The reduction in the base acres of a farm for a crop year under paragraph (4) shall expire at the end of the crop year.

(6) Recalculation of base acres

(A) In general

If the Secretary recalculates base acres for a farm while the farm is included in the pilot project, the planting and production of a crop of a commodity specified in paragraph (1) on base acres for which a temporary reduction was made under this section shall be considered to be the same as the planting and production of a covered commodity.

(B) Prohibition

Nothing in this paragraph provides authority for the Secretary to recalculate base acres for a farm.

(7) Pilot impact evaluation

(A) In general

The Secretary shall periodically evaluate the pilot project conducted under this subsection to determine the effects of the pilot project on the supply and price of—

- (i) fresh fruits and vegetables; and
- (ii) fruits and vegetables for processing.

(B) Determination

An evaluation under subparagraph (A) shall include a determination as to whether—

- (i) producers of fresh fruits and vegetables are being negatively impacted; and
- (ii) existing production capacities are being supplanted.

(C) Report

As soon as practicable after conducting an evaluation under subparagraph (A), the Secretary shall submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report that describes the results of the evaluation.
