

tifies that, after giving effect to the extension, in his judgment the security for all loans to the borrower made or guaranteed under this chapter is reasonably adequate and that all such loans will be repaid within the time agreed.

(2) Extension of useful life or collateral

Extensions under this section shall not be granted unless the borrower first submits with its request either—

(A) evidence satisfactory to the Secretary that a Federal or State agency with jurisdiction and expertise has made an official determination, such as through a licensing proceeding, extending the useful life of a generating plant or transmission line pledged as collateral to or beyond the new final maturity date being requested by the borrower, or

(B) a certificate from an independent licensed engineer concluding, on the basis of a thorough engineering analysis satisfactory to the Secretary, that the useful life of the generating plant or transmission line pledged as collateral extends to or beyond the new final maturity date being requested by the borrower.

(3) Amount eligible for extension

Extensions under this section shall not be granted if the principal balance extended exceeds the appraised value of the generating plant or transmission line referred to in subsection paragraph (2).

(4) Period of extension

Extensions under this section shall in no case result in a final maturity greater than 55 years from the time of original disbursement and shall in no case result in a final maturity greater than the useful life of the plant.

(5) Number of extensions

Extensions under this section shall not be granted more than once per loan advance.

(c) Fees

(1) In general

A borrower that receives an extension under this section shall pay a fee to the Secretary which shall be credited to the Rural Electrification and Telecommunications Loans Program account. Such fees shall remain available without fiscal year limitation to pay the modification costs for extensions.

(2) Amount

The amount of the fee paid shall be equal to the modification cost, calculated in accordance with section 502 of the Federal Credit Reform Act of 1990 [2 U.S.C. 661a], as amended, of such extension.

(3) Payment

The borrower shall pay the fee required under this section at the time the existing guarantee is extended by making a payment in the amount of the required fee.
