CODIFICATION

Section was enacted as part of the Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 1992, and not as part of the Consolidated Farm and Rural Development Act which comprises this chapter.

§ 1929a. Rural Development Insurance Fund

(a) Creation; revolving fund; rural development loans

There is hereby created the Rural Development Insurance Fund (hereinafter in this section referred to as the “Insurance Fund”) which shall be used by the Secretary as a revolving fund for the discharge of the obligations of the Secretary under contracts guaranteeing or insuring rural development loans. For the purpose of this section “rural development loans” shall be those provided for by sections 1926(a)(1) and

1932 of this title, except loans (other than for water systems and waste disposal facilities) of a type authorized by section 1926(a)(1) of this title prior to its amendment by the Rural Development Act of 1972.

(b) Transfer of assets and liabilities

The assets and liabilities of the Agricultural Credit Insurance Fund referred to in section 1929(a) of this title applicable to loans for water systems and waste disposal facilities under section 1926(a)(1) of this title are hereby transferred to the Insurance Fund. Such assets (including the proceeds thereof) and liabilities and rural development loans guaranteed or insured pursuant to this chapter shall be subject to the provisions of this section.

(c) Credits in the Treasury; investments; notes, purchasing authority of the Secretary

Moneys in the Insurance Fund not needed for current operations shall be deposited in the Treasury of the United States to the credit of the Insurance Fund or invested in direct obligations of the United States or obligations guaranteed by the United States. The Secretary may purchase with money in the Insurance Fund any notes issued by the Secretary to the Secretary of the Treasury for the purpose of obtaining money for the Insurance Fund.

(d) Notes, issuing authority of the Secretary; use of funds; terms and conditions, form, denominations, maturities, and interest rate of notes; notes, purchasing authority of the Secretary of the Treasury; public debt transactions

The Secretary is authorized to make and issue notes to the Secretary of the Treasury for the purpose of obtaining funds necessary for discharging obligations under this section and for making loans, advances, and authorized expenditures out of the Insurance Fund. Such notes shall be in such form and denominations and have such maturities and be subject to such terms and conditions as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. Such notes shall bear interest at a rate fixed by the Secretary of the Treasury, taking into consideration the current average market yield of outstanding marketable obligations of the United States having maturities comparable to the average maturities of rural development loans made, guaranteed, or insured under this chapter. The Secretary of the Treasury is authorized and directed to purchase any notes of the Secretary issued hereunder, and, for that purpose, the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under chapter 31 of title 31, and the purposes for which such securities may be issued under such chapter are extended to include the purchase of notes issued by the Secretary hereunder. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes shall be treated as public debt transactions of the United States.
