

the Board shall prorate the amount of such refunds among all eligible producers, producer-handlers, or importers who demand such refund.

**(B) Right to refund**

A producer, producer-handler, or importer shall be eligible to receive a refund—

(i) if demand is made personally, in accordance with regulations and on a form and within a time period prescribed by the Board, but in no event less than 90 days after the date of publication of the results of the referendum; and

(ii) on submission of proof satisfactory to the Board that the person paid the assessment for which refund is sought and did not collect the assessment from another person.

**(C) Surplus funds**

Any funds not refunded under this paragraph shall be released to be used to carry out this chapter.

AMENDMENTS

1993—Subsec. (a). Pub. L. 103-194 substituted “Not later than 30 months after the date on which the collection of assessments begins under the order pursuant to section 6204(d) of this title,” for “Not later than 2 years after the date on which the Secretary first issues an order under section 6203(a),”.

**§ 6210. Suspension and termination**

**(a) Finding of Secretary**

If the Secretary finds that an order issued under section 6203(a) of this title, or a provision of such order, obstructs or does not tend to effectuate the purposes of this chapter, the Secretary shall terminate or suspend the operation of such order or provision.

**(b) Periodic referenda**

The Secretary may periodically conduct a referendum to determine if lime producers, producer-handlers, and importers favor the continuation, termination, or suspension of any order issued under section 6203(a) of this title and in effect at the time of such referendum.

**(c) Required referenda**

The Secretary shall hold a referendum under subsection (b)—

(1) at the request of the Board; or

(2) if not less than 10 percent of the lime producers, producer-handlers, and importers subject to assessment under this chapter submit a petition requesting such a referendum.

**(d) Limitation**

The termination or suspension of any order, or any provision thereof, shall not be considered an order within the meaning of this chapter.

**(e) Vote**

The Secretary shall suspend or terminate the order at the end of the marketing year if the Secretary determines that—

(1) the suspension or termination of the order is favored by not less than a majority of

those persons voting in a referendum under subsection (b); and

(2) the producers, producer-handlers, and importers comprising this majority produce and import more than 50 percent of the volume of limes produced and imported by those voting in the referendum.

**§ 6211. Authorization of appropriations**

**(a) In general**

There are authorized to be appropriated for each fiscal year such funds as are necessary to carry out this chapter.

**(b) Administrative expenses**

The funds so appropriated shall not be available for payment of the expenses or expenditures of the Board in administering any provisions of an order issued under this chapter.

(Pub. L. 101-624, title XIX, §1962, Nov. 28, 1990, 104 Stat. 3880.)

**§ 6212. Regulations**

The Secretary may issue such regulations as are necessary to carry out this chapter.

**(a) Findings**

Congress finds that—

(1) soybeans are an important source of nutritious foods that are a valuable part of the human diet and are an important feedstuff for the livestock industry;

(2) the production of soybeans plays a significant role in the economy of the United States in that soybeans are produced by thousands of soybean producers, processed by numerous processing entities, and soybeans and soybean products produced in the United States are consumed by people and livestock throughout the United States and foreign countries;

(3) soybeans and soybean products should be readily available and marketed efficiently to ensure that consumers have an adequate supply of soybean products at a reasonable price;

(4) the maintenance and expansion of existing markets and development of new markets for soybeans and soybean products are vital to the welfare of soybean producers and proc-
