

“the amount determined by the Secretary of Defense as being necessary to pay all educational expenses incurred by that person, including tuition, fees, cost of books, laboratory expenses, equipment expenses, and expenses of room and board”.

2009—Subsec. (c)(2). Pub. L. 111-84, §1102(b), substituted “The” for “Except as provided in subsection (d), the” in second sentence.

Subsec. (d). Pub. L. 111-84, §1102(a), amended subsec. (d) generally. Prior to amendment, subsec. (d) provided that, under certain circumstances, the Secretary of Defense could appoint or retain a SMART program participant as an interim employee and separate such participant from employment if no appropriate permanent position was available at the end of the interim period and that the period of interim service would count towards the participant’s obligated service requirements.

Subsec. (f). Pub. L. 111-84, §1102(c), struck out “The program under this section is in addition to the authorities provided in chapter 111 of this title.” before “The Secretary” and substituted “the other authorities provided in this chapter” for “the authorities provided in such chapter”.

Subsecs. (g), (h). Pub. L. 111-84, §1102(d)(1), redesignated subsec. (h) as (g) and struck out former subsec. (g). Prior to amendment, text read as follows: “Not later than February 1, 2007, the Secretary of Defense shall submit to the Committees on Armed Services of the Senate and the House of Representatives, the Committee on Governmental Affairs of the Senate, and the Committee on Government Reform of the House of Representatives a plan for expanding and improving the national defense science and engineering workforce educational assistance program carried out under this section as appropriate to improve recruitment and retention to meet the requirements of the Department of Defense for its science and engineering workforce on a short-term basis and on a long-term basis.”

2008—Subsec. (e)(4). Pub. L. 110-417, §1061(a)(5)(A), substituted “title 11” for “title 11, United States Code.”.

Subsec. (f). Pub. L. 110-417, §1061(a)(5)(B), substituted “this title” for “title 10, United States Code”.

EFFECT ON CURRENT PARTICIPANTS IN SMART PILOT PROGRAM

Pub. L. 109-163, div. A, title XI, §1104(f), Jan. 6, 2006, 119 Stat. 3450, provided that: “Participation in the Science, Mathematics, and Research for Transformation (SMART) Defense Scholarship Pilot Program under section 1105 of Public Law 108-375 [see Codification note above] by an individual who has entered into an agreement under that pilot program before the date of the enactment of this Act [Jan. 6, 2006] shall be governed by the terms of such agreement without regard to the amendments made by this section [enacting this section, amending section 3304 of Title 5, Government Organization and Employees, and amending and repealing provisions set out as a note under section 2192 of this title].”

§ 2193. Improvement of education in technical fields: grants for higher education in science and mathematics

(a)(1) The Secretary of Defense may, in accordance with the provisions of this subsection, carry out a program for awarding grants to students who have been accepted for enrollment in, or who are enrolled in, an institution of higher education as undergraduate or graduate students in scientific and engineering disciplines critical to the national security functions of the Department of Defense.

(2) Grant proceeds shall be disbursed on behalf of students awarded grants under this subsection to the institutions of higher education at which the students are enrolled. No grant

proceeds shall be disbursed on behalf of a student until the student is enrolled at an institution of higher education.

(3) The amount of a grant awarded a student under this subsection may not exceed the student’s cost of attendance.

(4) The amount of a grant awarded a student under this subsection shall not be reduced on the basis of the student’s receipt of other forms of Federal student financial assistance, but shall be taken into account in determining the eligibility of the student for those other forms of Federal student financial assistance.

(5) The Secretary shall give priority to awarding grants under this subsection in a manner likely to stimulate the interest of women and members of minority groups in pursuing scientific and engineering careers. The Secretary may consider the financial need of applicants in making awards in accordance with such priority.

(b) In this section:

(1) The term “institution of higher education” has the meaning given such term in section 101 of the Higher Education Act of 1965.

(2) The term “cost of attendance” has the meaning given such term in section 472 of the Higher Education Act of 1965 (20 U.S.C. 1087ll).

PILOT PROGRAM ON ENHANCEMENT OF PREPARATION OF DEPENDENTS OF MEMBERS OF ARMED FORCES FOR CAREERS IN SCIENCE, TECHNOLOGY, ENGINEERING, AND MATHEMATICS

Pub. L. 113-291, div. A, title II, §233, Dec. 19, 2014, 128 Stat. 3334, provided that:

“(a) PILOT PROGRAM.—The Secretary of Defense shall carry out a pilot program to assess the feasibility and advisability of—

“(1) enhancing the preparation of covered students for careers in science, technology, engineering, and mathematics; and

“(2) providing assistance to teachers at covered schools to enhance preparation described in paragraph (1).

“(b) COORDINATION.—In carrying out the pilot program, the Secretary shall coordinate with the following:

“(1) The Secretaries of the military departments.

“(2) The Secretary of Education.

“(3) The National Science Foundation.

“(4) The heads of such other Federal, State, and local government and private sector organizations as the Secretary of Defense considers appropriate.

“(c) ACTIVITIES.—Activities under the pilot program may include the following:

“(1) Establishment of targeted internships and cooperative research opportunities at defense laboratories and other technical centers for covered students and teachers at covered schools.

“(2) Establishment of scholarships and fellowships for covered students.

“(3) Efforts and activities that improve the quality of science, technology, engineering, and mathematics educational and training opportunities for covered students and teachers at covered schools, including with respect to improving the development of curricula at covered schools.

“(4) Development of travel opportunities, demonstrations, mentoring programs, and informal science education for covered students and teachers at covered schools.

“(d) METRICS.—The Secretary shall establish outcome-based metrics and internal and external assessments to evaluate the merits and benefits of activities conducted under the pilot program with respect to the needs of the Department of Defense.

“(e) AUTHORITIES.—In carrying out the pilot program, the Secretary shall, to the maximum extent practicable, make use of the authorities under chapter 111 and sections 2601, 2605, and 2374a of title 10, United States Code, section 219 of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009 [Pub. L. 110-417] (10 U.S.C. 2358 note), and such other authorities as the Secretary considers appropriate.

“(f) REPORT.—Not later than two years after the date of the enactment of this Act [Dec. 19, 2014], the Secretary shall submit to the Committees on Armed Services of the Senate and the House of Representatives a report on activities carried out under the pilot program.

“(g) TERMINATION.—The pilot program shall terminate on September 30, 2020.

“(h) DEFINITIONS.—In this section:

“(1) The term ‘covered schools’ means elementary or secondary schools at which the Secretary determines a significant number of dependents of members of the Armed Forces are enrolled.

“(2) The term ‘covered students’ means dependents of members of the Armed Forces who are enrolled at a covered school.”

§ 2193b. Improvement of education in technical fields: program for support of elementary and secondary education in science, mathematics, and technology

(a) AUTHORITY FOR PROGRAM.—The Secretary of Defense may conduct a science, mathematics, and technology education improvement program known as the “Department of Defense STARBASE Program”. The Secretary shall carry out the program in coordination with the Secretaries of the military departments.

(b) PURPOSE.—The purpose of the program is to improve knowledge and skills of students in kindergarten through twelfth grade in mathematics, science, and technology.

(c) STARBASE ACADEMIES.—(1) The Secretary shall provide for the establishment of at least 25 academies under the program.

(2) The Secretary of Defense shall establish guidelines, criteria, and a process for the establishment of STARBASE programs in addition to those in operation on October 5, 1999.

(3)(A) Except as otherwise provided under subparagraph (B), the Secretary may not support the establishment in any State of more than four academies under the program.

(B) The Secretary may support the establishment and operation of an academy in a State in excess of four academies in that State if the Secretary expressly waives, in writing, the limitation in subparagraph (A) with respect to that State. In the case of any such waiver, appropriated funds may be used for the establishment and operation of an academy in excess of four in that State only to the extent that appropriated funds are expressly available for that purpose. Any such waiver shall be made under criteria to be prescribed by the Secretary.

(d) PERSONS ELIGIBLE TO PARTICIPATE IN PROGRAM.—The Secretary shall prescribe standards and procedures for selection of persons for participation in the program.

(e) REGULATIONS.—The Secretary of Defense shall prescribe regulations governing the conduct of the program.

(f) AUTHORITY TO ACCEPT FINANCIAL AND OTHER SUPPORT.—(1) The Secretary of Defense and the Secretaries of the military departments may accept financial and other support for the program from other departments and agencies of the Federal Government, State governments, local governments, and not-for-profit and other organizations in the private sector.

(2) The Secretary of Defense shall remain the executive agent to carry out the program regardless of the source of funds for the program or any transfer of jurisdiction over the program within the executive branch.

(g) ANNUAL REPORT.—Not later than March 31 of each year, the Secretary of Defense shall submit to Congress a report on the program under this section. The report shall contain a discussion of the design and conduct of the program and an evaluation of the effectiveness of the program.

(h) STATE DEFINED.—In this section, the term “State” includes the District of Columbia, the
