

fense may authorize a nonappropriated fund instrumentality of the United States to enter into a contract for construction of a shopping mall or similar facility for a commissary store and one or more nonappropriated fund instrumentality activities. The Secretary may use the proceeds of adjustments or surcharges authorized by subsection (a) to reimburse the nonappropriated fund instrumentality for the portion of the cost of the contract that is attributable to construction of the commissary store or to pay the contractor directly for that portion of such cost.

(2) In paragraph (1), the term “construction”, with respect to a facility, includes acquisition, conversion, expansion, installation, or other improvement of the facility.

(e) OTHER SOURCES OF FUNDS FOR CONSTRUCTION AND IMPROVEMENTS.—Revenues received by the Secretary of Defense from the following sources or activities of commissary store facilities shall be available for the purposes set forth in subsections (b), (c), and (d):

- (1) Sale of recyclable materials.
- (2) Sale of excess and surplus property.
- (3) License fees.
- (4) Royalties.

(5) Fees paid by sources of products in order to obtain favorable display of the products for resale, known as business related management fees.

Subsec. (c). Pub. L. 86-156, § 1(2), struck out "of the military department" after "Secretary".

TRANSFER OF FUNCTIONS

For transfer of authorities, functions, personnel, and assets of the Coast Guard, including the authorities and functions of the Secretary of Transportation relating thereto, to the Department of Homeland Security, and for treatment of related references, see sections 468(b), 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

§ 2687. Base closures and realignments

(a) Notwithstanding any other provision of law, no action may be taken to effect or implement—

(1) the closure of any military installation at which at least 300 civilian personnel are authorized to be employed;

(2) any realignment with respect to any military installation referred to in paragraph (1) involving a reduction by more than 1,000, or by more than 50 percent, in the number of civilian personnel authorized to be employed at such military installation at the time the Secretary of Defense or the Secretary of the military department concerned notifies the Congress under subsection (b) of the Secretary's plan to close or realign such installation; or

(3) any construction, conversion, or rehabilitation at any military facility other than a military installation referred to in clause (1) or (2) which will or may be required as a result of the relocation of civilian personnel to such facility by reason of any closure or realignment to which clause (1) or (2) applies,

unless and until the provisions of subsection (b) are complied with.

(b) No action described in subsection (a) with respect to the closure of, or a realignment with respect to, any military installation referred to in such subsection may be taken unless and until—

(1) the Secretary of Defense or the Secretary of the military department concerned notifies the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives, as part of an annual request for authorization of appropri-

tions to such Committees, of the proposed closing or realignment and submits with the notification—

(A) an evaluation of the fiscal, local economic, budgetary, environmental, strategic, and operational consequences of such closure or realignment; and

(B) the criteria used to consider and recommend military installations for such closure or realignment, which shall include at a minimum consideration of—

(i) the ability of the infrastructure (including transportation infrastructure) of both the existing and receiving communities to support forces, missions, and personnel as a result of such closure or realignment; and

(ii) the costs associated with community transportation infrastructure improvements as part of the evaluation of cost savings or return on investment of such closure or realignment; and

(2) a period of 30 legislative days or 60 calendar days, whichever is longer, expires following the day on which the notice and evaluation referred to in clause (1) have been submitted to such committees, during which period no irrevocable action may be taken to effect or implement the decision.

(c) No action described in subsection (a) with respect to the closure of, or realignment with respect to, any military installation referred to in such subsection may be taken within five years after the date on which a decision is made to reduce the civilian personnel thresholds below the levels prescribed in such subsection.

(d) This section shall not apply to the closure of a military installation, or a realignment with respect to a military installation, if the President certifies to the Congress that such closure or realignment must be implemented for reasons of national security or a military emergency.

(e)(1) After the expiration of the period of time provided for in subsection (b)(2) with respect to the closure or realignment of a military installation, funds which would otherwise be available to the Secretary to effect the closure or realignment of that installation may be used by him for such purpose.

(2) Nothing in this section restricts the authority of the Secretary to obtain architectural and engineering services under section 2807 of this title.

(f) If the Secretary of Defense or the Secretary of the military department concerned determines, pursuant to the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.), that a significant transportation impact will occur as a result of an action described in subsection (a), the action may not be taken unless and until the Secretary of Defense or the Secretary of the military department concerned—

(1) analyzes the adequacy of transportation infrastructure at and in the vicinity of each military installation that would be impacted by the action;

(2) concludes consultation with the Secretary of Transportation with regard to such impact;

(3) analyzes the impact of the action on local businesses, neighborhoods, and local governments; and
