An account of sales on credit shall be kept and the amount due reported to the Secretary. Except for articles and items acquired through the use of working capital funds under section 2208 of this title, sales of articles shall be at cost, and sales of individual clothing and equipment shall be at average current prices, including overhead, as determined by the Secretary.

(b) The Secretary shall sell subsistence supplies to members of other armed forces at the prices at which like property is sold to members of the Air Force.

(c) The Secretary may sell serviceable quartermaster property, other than subsistence supplies, to an officer of another armed force for his use in the service, in the same manner as these articles are sold to an officer of the Air Force.

(d) A person who has been discharged honorably or under honorable conditions from the Army, Navy, Air Force, or Marine Corps and who is receiving care and medical treatment from the Public Health Service or the Department of Veterans Affairs may buy subsistence supplies and other supplies, except articles of uniform, at the prices at which like property is sold to a member of the Air Force.
