(b) Factors

In making any determination under subsection (a), the Director may take into consideration any factors the Director considers relevant, including any wrongdoing on the part of the executive officer, and such wrongdoing shall include any fraudulent act or omission, breach of trust or fiduciary duty, violation of law, rule, regulation, order, or written agreement, and insider abuse with respect to the regulated entity. (C) whether there is a reasonable basis to believe that the affiliated party has materially violated any applicable provision of Federal or State law or regulation that has had a material effect on the financial condition of the regulated entity;

(D) whether the affiliated party was in a position of managerial or fiduciary responsibility; and
