

Section 4621, Pub. L. 102-550, title XIII, §1369B, Oct. 28, 1992, 106 Stat. 3984, related to liability protection for conservators.

§ 4622. Capital restoration plans

(a) Contents

Each capital restoration plan submitted under this subchapter shall set forth a feasible plan for restoring the core capital of the regulated entity subject to the plan to an amount not less than the minimum capital level for the regulated entity and for restoring the total capital of the regulated entity to an amount not less than the risk-based capital level for the regulated entity. Each capital restoration plan shall—

- (1) specify the level of capital the regulated entity will achieve and maintain;
- (2) describe the actions that the regulated entity will take to become classified as adequately capitalized;
- (3) establish a schedule for completing the actions set forth in the plan;
- (4) specify the types and levels of activities (including existing and new programs) in which the regulated entity will engage during the term of the plan; and
- (5) describe the actions that the regulated entity will take to comply with any mandatory and discretionary requirements imposed under this subchapter.

(b) Deadlines for submission

The Director shall, by regulation, establish a deadline for submission of a capital restoration plan, which may not be more than 45 days after the regulated entity is notified in writing that a plan is required. The regulations shall provide that the Director may extend the deadline to the extent that the Director determines it necessary. Any extension of the deadline shall be in writing and for a time certain.

(c) Approval

The Director shall review each capital restoration plan submitted under this section and, not later than 30 days after submission of the plan, approve or disapprove the plan. The Director may extend the period for approval or disapproval for any plan for a single additional 30-day period if the Director determines it necessary. The Director shall provide written notice to any regulated entity submitting a plan of the approval or disapproval of the plan (which shall include the reasons for any disapproval of the plan) and of any extension of the period for approval or disapproval.

(d) Resubmission

If the Director disapproves the initial capital restoration plan submitted by the regulated entity, the regulated entity shall submit an amended plan acceptable to the Director within 30 days or such longer period that the Director determines is in the public interest.

§ 4623. Judicial review of Director action

(a) Jurisdiction

(1) Filing of petition

A regulated entity that is not classified as critically undercapitalized and is the subject of a classification under section 4614 of this title or a discretionary supervisory action taken under this subchapter by the Director (other than action to appoint a conservator under section 4616 or 4617 of this title or action under section 4619¹ of this title) may obtain review of the classification or action by filing, within 10 days after receiving written notice of the Director’s action, a written petition requesting that the classification or action of the Director be modified, terminated, or set aside.

(2) Place for filing

A petition filed pursuant to this subsection shall be filed in the United States Court of Appeals for the District of Columbia Circuit.

(b) Scope of review

The Court may modify, terminate, or set aside an action taken by the Director and reviewed by the Court pursuant to this section only if the court finds, on the record on which the Director acted, that the action of the Director was arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with applicable laws.

(c) Unavailability of stay

The commencement of proceedings for judicial review pursuant to this section shall not operate as a stay of any action taken by the Director. Pending judicial review of the action, the court shall not have jurisdiction to stay, enjoin, or otherwise delay any supervisory action taken by the Director with respect to a regulated entity that is classified as significantly or critically undercapitalized or any action of the Director that results in the classification of a regulated entity as significantly or critically undercapitalized.

(d) Limitation on jurisdiction

Except as provided in this section, no court shall have jurisdiction to affect, by injunction or otherwise, the issuance or effectiveness of any classification or action of the Director under this subchapter (other than appointment of a conservator under section 4616 or 4617 of this title or action under section 4619¹ of this title) or to review, modify, suspend, terminate, or set aside such classification or action.
