

tional securities exchange, a warrant giving the right to the Secretary to receive non-voting common stock or preferred stock in such financial institution, or voting stock with respect to which,¹ the Secretary agrees not to exercise voting power, as the Secretary determines appropriate; or

(B) in the case of any financial institution other than one described in subparagraph (A), a warrant for common or preferred stock, or a senior debt instrument from such financial institution, as described in paragraph (2)(C).

(2) Terms and conditions

The terms and conditions of any warrant or senior debt instrument required under paragraph (1) shall meet the following requirements:

(A) Purposes

Such terms and conditions shall, at a minimum, be designed—

(i) to provide for reasonable participation by the Secretary, for the benefit of taxpayers, in equity appreciation in the case of a warrant or other equity security, or a reasonable interest rate premium, in the case of a debt instrument; and

(ii) to provide additional protection for the taxpayer against losses from sale of assets by the Secretary under this chapter and the administrative expenses of the TARP.

(B) Authority to sell, exercise, or surrender

The Secretary may sell, exercise, or surrender a warrant or any senior debt instrument received under this subsection, based on the conditions established under subparagraph (A).

(C) Conversion

The warrant shall provide that if, after the warrant is received by the Secretary under this subsection, the financial institution that issued the warrant is no longer listed or traded on a national securities exchange or securities association, as described in paragraph (1)(A), such warrants shall convert to senior debt, or contain appropriate protections for the Secretary to ensure that the Treasury is appropriately compensated for the value of the warrant, in an amount determined by the Secretary.

(D) Protections

Any warrant representing securities to be received by the Secretary under this subsection shall contain anti-dilution provisions of the type employed in capital market transactions, as determined by the Secretary. Such provisions shall protect the value of the securities from market transactions such as stock splits, stock distributions, dividends, and other distributions, mergers, and other forms of reorganization or recapitalization.

(E) Exercise price

The exercise price for any warrant issued pursuant to this subsection shall be set by

the Secretary, in the interest of the taxpayers.

(F) Sufficiency

The financial institution shall guarantee to the Secretary that it has authorized shares of nonvoting stock available to fulfill its obligations under this subsection. Should the financial institution not have sufficient authorized shares, including preferred shares that may carry dividend rights equal to a multiple number of common shares, the Secretary may, to the extent necessary, accept a senior debt note in an amount, and on such terms as will compensate the Secretary with equivalent value, in the event that a sufficient shareholder vote to authorize the necessary additional shares cannot be obtained.

(3) Exceptions

(A) De minimis

The Secretary shall establish de minimis exceptions to the requirements of this subsection, based on the size of the cumulative transactions of troubled assets purchased from any one financial institution for the duration of the program, at not more than \$100,000,000.

(B) Other exceptions

The Secretary shall establish an exception to the requirements of this subsection and appropriate alternative requirements for any participating financial institution that is legally prohibited from issuing securities and debt instruments, so as not to allow circumvention of the requirements of this section.

§ 5224. Market transparency

(a) Pricing

To facilitate market transparency, the Secretary shall make available to the public, in electronic form, a description, amounts, and pricing of assets acquired under this chapter, within 2 business days of purchase, trade, or other disposition.

(b) Disclosure

For each type of financial institutions¹ that sells troubled assets to the Secretary under this chapter, the Secretary shall determine whether the public disclosure required for such financial institutions with respect to off-balance sheet transactions, derivatives instruments, contingent liabilities, and similar sources of potential exposure is adequate to provide to the public sufficient information as to the true financial

§ 5225. Graduated authorization to purchase

(a) Authority

The authority of the Secretary to purchase troubled assets under this chapter shall be limited as follows:

(1) Effective upon October 3, 2008, such authority shall be limited to \$250,000,000,000 outstanding at any one time.

(2) If at any time, the President submits to the Congress a written certification that the Secretary needs to exercise the authority under this paragraph, effective upon such submission, such authority shall be limited to \$350,000,000,000 outstanding at any one time.

(3) If, at any time after the certification in paragraph (2) has been made, the President transmits to the Congress a written report detailing the plan of the Secretary to exercise the authority under this paragraph, unless there is enacted, within 15 calendar days of such transmission, a joint resolution described in subsection (c), effective upon the expiration of such 15-day period, such authority shall be limited to \$475,000,000,000.

(4) For purposes of this subsection, the amount of authority considered to be exercised by the Secretary shall not be reduced by—

(A) any amounts received by the Secretary before, on, or after July 21, 2010, from repayment of the principal of financial assistance by an entity that has received financial assistance under the TARP or any other program enacted by the Secretary under the authorities granted to the Secretary under this chapter;

(B) any amounts committed for any guarantees pursuant to the TARP that became or become uncommitted; or

(C) any losses realized by the Secretary.

(5) No authority under this chapter may be used to incur any obligation for a program or initiative that was not initiated prior to June 25, 2010.

(b) Aggregation of purchase prices

The amount of troubled assets purchased by the Secretary outstanding at any one time shall be determined for purposes of the dollar amount limitations under subsection (a) by aggregating the purchase prices of all troubled assets held.

(c) Joint resolution of disapproval

(1) In general

Notwithstanding any other provision of this section, the Secretary may not exercise any

authority to make purchases under this chapter with regard to any amount in excess of \$350,000,000,000 previously obligated, as described in this section if, within 15 calendar days after the date on which Congress receives a report of the plan of the Secretary described in subsection (a)(3), there is enacted into law a joint resolution disapproving the plan of the Secretary with respect to such additional amount.

(2) Contents of joint resolution

For the purpose of this section, the term “joint resolution” means only a joint resolution—

(A) that is introduced not later than 3 calendar days after the date on which the report of the plan of the Secretary referred to in subsection (a)(3) is received by Congress;

(B) which does not have a preamble;

(C) the title of which is as follows: “Joint resolution relating to the disapproval of obligations under the Emergency Economic Stabilization Act of 2008”; and

(D) the matter after the resolving clause of which is as follows: “That Congress disapproves the obligation of any amount exceeding the amounts obligated as described in paragraphs (1) and (2) of section 115(a) of the Emergency Economic Stabilization Act of 2008.”.

(d) Fast track consideration in House of Representatives

(1) Reconvening

Upon receipt of a report under subsection (a)(3), the Speaker, if the House would otherwise be adjourned, shall notify the Members of the House that, pursuant to this section, the House shall convene not later than the second calendar day after receipt of such report;¹

(2) Reporting and discharge

Any committee of the House of Representatives to which a joint resolution is referred shall report it to the House not later than 5 calendar days after the date of receipt of the report described in subsection (a)(3). If a committee fails to report the joint resolution within that period, the committee shall be discharged from further consideration of the joint resolution and the joint resolution shall be referred to the appropriate calendar.

(3) Proceeding to consideration

After each committee authorized to consider a joint resolution reports it to the House or has been discharged from its consideration, it shall be in order, not later than the sixth day after Congress receives the report described in subsection (a)(3), to move to proceed to consider the joint resolution in the House. All points of order against the motion are waived. Such a motion shall not be in order after the House has disposed of a motion to proceed on the joint resolution. The previous question shall be considered as ordered on the motion to its adoption without intervening motion. The motion shall not be debatable. A motion to reconsider the vote by which the motion is disposed of shall not be in order.
