

(b) Term

(1) The members of the Board appointed under clauses (7), (8), (9), (10), (11), and any private sector members appointed pursuant to clause (12) of subsection (a) shall be appointed for a four-year term coterminous with the term of the President. Members other than members appointed under such clauses, with the exception of the Chairman, shall serve as long as such member is head of the department or agency represented on the Board. No person shall serve as an acting or temporary member in positions requiring Senate confirmation including that of Chairman, for a period in excess of three months.

(2) The President shall appoint a Chairman for a term of four years coterminous with the term of the President. In appointing a Chairman, the President may appoint an individual who is an officer of the United States. If that officer has been appointed to his current position, by and with the advice and consent of the Senate, or if such individual is the Vice President of the United States, such individual may be appointed chairman by the President without the requirement of confirmation by the Senate.

(c) Vacancies

Any member appointed to fill a vacancy occurring before the expiration of the term for which his predecessor was appointed shall be appointed for the remainder of that term.

(d) Compensation, travel, subsistence, and other expense items

(1) Each member of the Board appointed under clauses (7), (8), (9), (10), (11), and any private sector members appointed pursuant to clause (12) of subsection (a) may be compensated at the daily rate provided for GS-18 of the General Schedule under section 5332 of title 5, including travel-time, for each day such member is engaged in the performance of his duties as a member of the Board and shall be entitled to reimbursement for travel, subsistence, and other necessary expenses incurred in carrying out the functions of the Board.

(2) Other members of the Board, with the exception of the Chairman, and the Executive Director of the Center shall serve without additional compensation but shall be reimbursed for travel, subsistence, and other necessary expenses incurred by them in carrying out the functions of the Board.

(3) The Chairman shall be compensated as set forth in paragraph (1) of this subsection, except if the Chairman holds some other position in the Federal Government such individual shall be compensated as set forth in paragraph (2) of this subsection.

(e) Executive Committee of the Board

(1) The Chairman shall appoint an Executive Committee of the Board, not to exceed seven members, including the Executive Director of the Center.

(2) The Executive Committee of the Board shall meet at the call of the Chairman, but in no case less frequently than once every ninety days.

REFERENCES IN OTHER LAWS TO GS-16, 17, OR 18 PAY RATES

References in laws to the rates of pay for GS-16, 17, or 18, or to maximum rates of pay under the General Schedule, to be considered references to rates payable under specified sections of Title 5, Government Organization and Employees, see section 529 [title I, §101(c)(1)] of Pub. L. 101-509, set out in a note under section 5376 of Title 5.

§ 2413. Executive Director and Deputy Director**(a) Appointment of Executive Director; term of temporary Executive Director**

The Center shall have an Executive Director, who shall be appointed by the President by and with the advice and consent of the Senate, without regard to political affiliation and solely on the basis of fitness to perform the duties and functions of the office. No person shall serve as acting or temporary Executive Director for a period in excess of three months.

(b) Appointment of Deputy Director; functions

The Executive Director shall appoint a Deputy Director, who shall perform such functions as the Executive Director may prescribe. The Deputy Director shall act for and exercise the powers of the Executive Director during the absence or disability of the Executive Director.

(c) Powers and duties of Executive Director

The Executive Director shall be responsible for the exercise of all powers and the discharge of all duties of the Center. The Executive Director shall have authority over and control of all of the staff of the Center and their activities. The Executive Director shall maintain budgets and allocate available funds as appropriate in carrying out the provisions of this chapter.

(d) Compensation of Executive Director; dual employment

The Executive Director shall be compensated at a rate not to exceed that provided for Executive level IV under section 5315 of title 5 as determined by the President, and shall have no other employment, public or private, during the tenure of his appointment.

(Pub. L. 94-136, title II, §203, Nov. 28, 1975, 89 Stat. 736.)

§ 2414. Functions of the Center

The Center shall—

(1) develop and establish, in consultation with the appropriate committees of the Congress and with the appropriate departments and agencies of the executive branch, a national policy for productivity growth in the public and private sectors of the United States consistent with the purposes of this chapter;

(2) seek, stimulate, and encourage maximum active participation of—

(A) the private sector of the Nation's economy, including labor organizations, associations and confederations, business enterprises and associations, institutions of higher education, foundations and other philanthropic organizations and research centers and institutes; and

(B) the public sector of the Nation's economy, including Federal, State, and local

governments and agencies thereof, including institutions of higher education,

in efforts to improve the rate of productivity growth in all sectors of the Nation's economy;

(3) seek, stimulate, and encourage maximum active participation of the public agencies and private organizations identified in clause (2) of this section through identification and encouragement of selected research and demonstration programs implemented by public agencies and qualified private organizations which will—

(A) increase the rate of productivity growth in the public and private sectors of the national economy through improved and innovative utilization of technological and human resources; and

(B) develop, refine, and apply accurate and reliable measurement techniques to evaluate changes in productivity;

(4) to identify, study, and review—

(A) existing Federal, State, and local statutes, regulations, and fiscal policies which adversely affect productivity growth or the economic performance of the public and private sectors of the United States;

(B) incentives to encourage industry and labor initiatives in the development of methods, techniques, and systems for the improved utilization of technological and human resources in the public and private sectors;

(C) existing and new programs, plans, and other methods, including advanced warning systems, retraining programs, retirement and separation programs, designed to counteract threats to job security which may result from efforts to improve productivity;

(D) jointly, with the Director of the Office of Personnel Management, the impact of Federal personnel policies, statutes, and regulations affecting the productivity of Federal agencies and the quality of working life of Federal employees; and

(E) the need and feasibility of providing, directly to potential users, public or private, various Center services in return for payment to the Center, and methods by which charges for such services will be established;

(5) recommend to the President, the Congress, the appropriate agencies and departments of the Federal Government, and State and local governments, any legislation, revisions of regulations, policies, practices, and procedures which result from the activities carried out under clause (4) of this section;

(6) encourage, support, and initiate efforts in the public or private sector specifically designed to improve cooperation between labor and management in the achievement of continued productivity growth: *Provided, however,* That no activities of the Center involving consideration of issues included in a specific labor-management agreement shall be undertaken without the consent and cooperation of the parties to that agreement;

(7) encourage departments and agencies of the Federal Government to initiate, stimulate, and support efforts in both the public and private sectors of the United States to improve the rate of productivity growth;

(8) coordinate all activities referred to in subsection (7) of this section in order to eliminate interagency duplication of effort and cost, to insure that Center activities will not unnecessarily conflict or overlap with such other activities, and to maximize the effectiveness of all such Federal programs and activities;

(9) coordinate and consult with the departments and agencies of the Federal Government in the obligation and expenditure of funds for activities and projects in both the public and private sectors to improve productivity growth;

(10) identify, develop, and support activities, programs, systems, and techniques, in the various departments and agencies of the Federal Government for measuring productivity growth within such departments and agencies;

(11) collect and disseminate relevant information obtained by the Center or other public agencies, institutions of higher education, or private organizations engaged in projects under this chapter, including information related to new or improved methods, systems, technological developments, equipment, and devices to improve and stimulate productivity growth, and to develop and implement a public information program designed to inform the public of the meaning and importance of productivity, and productivity growth;

(12) encourage and coordinate the efforts of State and local governments, and institutions of higher education, to improve productivity;

(13) maintain liaison with organizations, both domestic and foreign, involved in efforts to improve productivity;

(14) determine the Nation's needs for productivity-related management and analytical skills and to encourage and facilitate the development of training programs in such skills; and

(15) study the effects of materials availability upon productivity growth.
