

AMENDMENTS

1986—Subsec. (a). Pub. L. 99-502, §9(b)(7), substituted “Cooperative Research Centers” for “Centers for Industrial Technology”.

Subsec. (b)(1). Pub. L. 99-502, §9(b)(8), struck out “basic and applied” after “industry-university”.

Subsec. (e). Pub. L. 99-502, §9(b)(9), amended subsec. (e) generally. Prior to amendment, subsec. (e) provided that a Center of Industrial Technology had the option to acquire title to an invention conceived or made under its auspices and supported by Federal funds, authorized supporting agency to require the Center to grant licenses to the invention to responsible applicants in certain cases, and provided for judicial review of licensing determinations by the supporting agency.

Subsec. (f). Pub. L. 99-502, §9(b)(10), struck out subsec. (f) which read as follows: “The supporting agency may request the Attorney General’s opinion whether the proposed joint research activities of a Center would violate any of the antitrust laws. The Attorney General shall advise the supporting agency of his determination and the reasons for it within 120 days after receipt of such request.”

MODEL PROGRAM

Pub. L. 101-510, div. A, title VIII, §827(b), Nov. 5, 1990, 104 Stat. 1607, as amended by Pub. L. 102-190, div. A, title X, §1062(a)(2), Dec. 5, 1991, 105 Stat. 1475, provided that:

“(1) In the administration of applicable provisions of the Stevenson-Wydler Technology Innovation Act of 1980 [15 U.S.C. 3701 et seq.] or section 5121(b) of the Omnibus Trade and Competitiveness Act of 1988 [Pub. L. 100-418, 15 U.S.C. 2781 note], the Secretary of Commerce shall develop, in consultation with the Secretary of Defense and the Secretary of Energy, model programs for national defense laboratories.

“(2) Model programs under this subsection shall involve Federal laboratories, small businesses, and partnership intermediaries. The purpose of the model programs is to demonstrate successful relationships between the Federal Government, State and local governments, and small businesses which encourage economic growth through the commercial application of technology resulting from federally funded research.

“(3) In this subsection, the term ‘national defense laboratory’ means any laboratory, federally funded research and development center (FFRDC), or other center established under section 7 or 9 of the Stevenson-Wydler Technology Innovation Act of 1980 (15 U.S.C. 3705, 3707) that is owned by the Federal Government, whether operated by the Federal Government or by a contractor, and—

“(A) is under the jurisdiction of the Secretary of Defense; or

“(B) is under the jurisdiction of the Secretary of Energy, but only if the primary function of the laboratory, FFRDC, or other center under the Secretary’s jurisdiction is to support the national defense activities of the Department of Defense or the Department of Energy.”

§ 3706. Grants and cooperative agreements**(a) In general**

The Secretary may make grants and enter into cooperative agreements according to the provisions of this section in order to assist any activity consistent with this chapter, including activities performed by individuals.

(b) Eligibility and procedure

Any person or institution may apply to the Secretary for a grant or cooperative agreement available under this section. Application shall be made in such form and manner, and with such content and other submissions, as the Assistant Secretary shall prescribe. The Secretary shall

act upon each such application within 90 days after the date on which all required information is received.

(c) Terms and conditions

(1) Any grant made, or cooperative agreement entered into, under this section shall be subject to the limitations and provisions set forth in paragraph (2) of this subsection, and to such other terms, conditions, and requirements as the Secretary deems necessary or appropriate.

(2) Any person who receives or utilizes any proceeds of any grant made or cooperative agreement entered into under this section shall keep such records as the Secretary shall by regulation prescribe as being necessary and appropriate to facilitate effective audit and evaluation, including records which fully disclose the amount and disposition by such recipient of such proceeds, the total cost of the program or project in connection with which such proceeds were used, and the amount, if any, of such costs which was provided through other sources.

PRIOR PROVISIONS

A prior section 8 of Pub. L. 96-480 was renumbered section 9 and is classified to section 3707 of this title.

AMENDMENTS

2017—Subsec. (a). Pub. L. 114-329 struck out at end “The total amount of any such grant or cooperative agreement may not exceed 75 percent of the total cost of the program.”

1988—Subsec. (b). Pub. L. 100-418, §5115(b)(1), substituted “Assistant Secretary” for “Director”.

§ 3707. National Science Foundation Cooperative Research Centers**(a) Establishment and provisions**

The National Science Foundation shall provide assistance for the establishment of Cooperative Research Centers. Such Centers shall be affiliated with a university, or other nonprofit institution, or a group thereof. The objective of the Centers is to enhance technological innovation as provided in section 3705(a) of this title through the conduct of activities as provided in section 3705(b) of this title.

(b) Planning grants

The National Science Foundation is authorized to make available nonrenewable planning grants to universities or nonprofit institutions for the purpose of developing the plan, as described under section 3705(c)(3) of this title.

(c) Terms and conditions

Grants, contracts, and cooperative agreements entered into by the National Science Foundation in execution of the powers and duties of the National Science Foundation under this chapter shall be governed by the National Science Foundation Act of 1950 [42 U.S.C. 1861 et seq.] and other pertinent Acts.
