Notwithstanding any other provision of law, the Secretary may accept any lands donated by the State of North Carolina subject to a provision for reversion to the State conditioned upon continued use of the property for national seashore purposes. Land donated by the State of North Carolina pursuant to this subsection shall constitute consideration for the transfer by the United States of 1.5 acres of land that is to be used as a site for a public health facility in the village of Hatteras, Dare County, North Carolina.

(b) Exchange of property; cash equalization payments

When acquiring lands by exchange, the Secretary may accept title to any non-Federal property within the boundaries of the seashore and convey to the grantor of such property any federally owned property in the State of North Carolina under his jurisdiction which he classifies as proper for exchange or other disposition. Failing to effectuate an exchange of properties of approximately equal fair market value, the Secretary may accept cash from or pay cash to the grantor in such an exchange in order to equalize the values of the properties exchanged.

The owner shall elect the term of the right to be reserved. (d) Termination of use and occupancy inconsistent with statutory purposes and upon tender of sum for unexpired right

A right of use and occupancy reserved in lands that are donated or otherwise acquired pursuant to this section shall be subject to termination by the Secretary upon his determination that such use and occupancy is being exercised in a manner not consistent with the purposes of sections 459g to 459g-7 of this title and upon tender to the holder of the right of an amount equal to the fair market value of that portion of the right which remains unexpired on the date of termination.
