PART C—WATER RESOURCES PROJECTS

§ 4601-12. Recreation and fish and wildlife benefits of Federal multiple-purpose water resources projects; Congressional declaration of policy

It is the policy of the Congress and the intent of this part (a) in investigating and planning any Federal navigation, flood control, reclamation, hydroelectric, or multiple-purpose water resource project, full consideration shall be given to the opportunities, if any, which the project affords for outdoor recreation and for fish and wildlife enhancement and that, wherever any such project can reasonably serve ei-

ther or both of these purposes consistently with the provisions of this part, it shall be constructed, operated, and maintained accordingly; (b) planning with respect to the development of the recreation potential of any such project shall be based on the coordination of the recreational use of the project area with the use of existing and planned Federal, State, or local public recreation developments; and (c) project construction agencies shall encourage non-Federal public bodies to administer project land and water areas for recreation and fish and wildlife enhancement purposes and operate, maintain, and replace facilities provided for those purposes unless such areas or facilities are included or proposed for inclusion within a national recreation area, or are appropriate for administration by a Federal agency as a part of the national forest system, as a part of the public lands classified for retention in Federal ownership, or in connection with an authorized Federal program for the conservation and development of fish and wildlife.

This part, referred to in text, was in the original “this Act”, meaning Pub. L. 89-72, which enacted sections 4601-12 to 4601-21 of this title and amended former section 4601-5(a) and section 662(d) of this title.

SHORT TITLE

Pub. L. 89-72, § 12, July 9, 1965, 79 Stat. 218, provided: “This Act [enacting this section and sections 4601-13 to 4601-21 of this title and amending sections 4601-5(a) and 662(d) of this title], may be cited as the ‘Federal Water Project Recreation Act’.”

§ 4601-13. Non-Federal administration of project land and water areas

(a) Allocation of costs

If, before authorization of a project, non-Federal public bodies indicate their intent in writing to agree to administer project land and water areas for recreation or fish and wildlife enhancement or for both of these purposes pursuant to the plan for the development of the project approved by the head of the agency having administrative jurisdiction over it and to bear not less than one-half the separable costs of the project allocated to recreation, and to bear one-quarter of such costs allocated to fish and wildlife enhancement and not less than one-half the costs of operation, maintenance, and replacement incurred therefor—

(1) the benefits of the project to said purpose or purposes shall be taken into account in determining the economic benefits of the project;

(2) costs shall be allocated to said purpose or purposes and to other purposes in a manner which will insure that all project purposes share equitably in the advantages of multiple-purpose construction: *Provided*, That the costs allocated to recreation or fish and wildlife enhancement shall not exceed the lesser of the benefits from those functions or the costs of providing recreation or fish and wildlife enhancement benefits or reasonably equivalent use and location by the least costly alternative means; and
