§ 460gg-5. Management plan for recreation area**(a) Development and submission**

Within five years from December 31, 1975, the Secretary shall develop and submit to the Committees on Interior and Insular Affairs of the United States Senate and House of Representatives a comprehensive management plan for the recreation area which shall provide for a broad range of land uses and recreation opportunities.

(b) Consideration of historic, archeological and paleontological resources; inventory; recommendation of areas for listing in National Register of Historic Places; recommendation for protection and research of resources

In the development of such plan, the Secretary shall consider the historic, archeological, and paleontological resources within the recreation area which offer significant opportunities for anthropological research. The Secretary shall inventory such resources and may recommend such areas as he deems suitable for listing in the National Register of Historic Places. The Secretary's comprehensive plan shall include recommendations for future protection and controlled research use of all such resources.

(c) Scenic roads and other means of transit

The Secretary shall, as a part of his comprehensive planning process, conduct a detailed
