L. 107-217, §5(c), Aug. 21, 2002, 116 Stat. 1303, which Act enacted Title 40, Public Buildings, Property, and Works, and Pub. L. 111-350, §6(c), Jan. 4, 2011, 124 Stat. 3854, which Act enacted Title 41, Public Contracts.

AMENDMENTS

1999—Subsec. (a). Pub. L. 106-154, §2(b)(1), inserted “from willing sellers” after “purchase”.

Subsec. (d). Pub. L. 106-154, §2(e)(1), substituted “this subchapter” for “this subchapter and chapter 43 of this title”.

Subsec. (f). Pub. L. 106-154, §2(b)(2), struck out subsec. (f) which read as follows:

“(f)(1) The Secretary shall exchange those federally owned lands identified on the map referenced in section 460ii of this title as ‘exchange lands’ for non-Federal lands which are within the boundaries of the recreation area. The values of the lands exchanged under this subsection shall be equal, or shall be equalized in the same manner as provided in section 1716 of title 43.

“(2) At three year intervals after October 30, 1984, the Secretary shall publish in the Federal Register a progress report on the land exchanges which have taken place and the exchanges which are likely to take place under the authority of this subsection. Such report shall identify the lands which are unsuitable for exchange pursuant to such authority.

“(3) Effective on the date ten years after October 30, 1984, the exchange authority of paragraph (1) shall terminate. The exchange lands identified under paragraph (1) which have not been exchanged prior to such date shall be retained in Federal ownership as a part of the recreation area.

“(4) The Secretary shall publish a revision of the boundary map referred to in section 460ii of this title to exclude from the boundaries of the recreation area any exchange lands which are used to acquire non-Federal lands under paragraph (3).”

1984—Subsec. (f). Pub. L. 98-568 added subsec. (f).

§ 460ii-2. Administration, protection, and development

(a) Applicability of statutory provisions; consideration of Federal, State, and local plans

The Secretary shall administer, protect, and develop the recreation area in accordance with the Act of August 25, 1916 (39 Stat. 535),¹ and in accordance with any other statutory authorities available to him for the conservation and management of historic and natural resources, including fish and wildlife, to the extent he finds such authority will further the purposes of this subchapter. In developing and administering the recreation area, the Secretary shall take into consideration applicable Federal, State, and local recreation plans and resource use and development plans, including, but not limited to, the Atlanta Regional Commission Chattahoochee Corridor Study, dated July 1972.

(b) Cooperative agreements

The Secretary may enter into cooperative agreements with the State of Georgia, political subdivisions of the State, and other entities to ensure standardized acquisition, planning, design, construction, and operation of the recreation area.

(c) Consultation with Secretary of Army

In planning for the development and public use of the recreation area, the Secretary shall

consult with the Secretary of the Army to assure that public use of adjacent or related water resource development or flood control projects and that of the recreation area are complementary.

(d) Establishment, regulations governing, etc., of fishing zones

In administering the recreation area, the Secretary may permit fishing in waters under his jurisdiction in accordance with applicable State and Federal laws and regulations. The Secretary, after consultation with the appropriate State agency responsible for fishing activities, may designate zones where, and establish periods when, fishing shall be permitted and issue such regulations as he may determine to be necessary to carry out the provisions of this subsection. Except in emergencies, such regulations shall be put into effect only after consultation with the appropriate State agency.
