

relating to the administration of the Coronado National Forest, so much thereof as may be reasonably necessary to carry on prospecting and mining, and shall not authorize the taking of any resource other than the mineral deposits, or the occupancy of said land for any purpose other than prospecting and mining; and each patent issued thereafter under the United States mining laws upon a mineral location made upon lands within four hundred feet of said center line shall convey title only to the mineral deposits within said land and the right, subject to rules and regulations relating to the national forests, to occupy and use the surface of the land for prospecting and mining only: *Provided*, That valid mining claims within said lands existing on March 15, 1940, and thereafter maintained in compliance with the laws under which they were initiated and the laws of the State of Arizona may be perfected in accordance with the laws under which they were initiated.

(Mar. 15, 1940, ch. 59, 54 Stat. 52.)

§ 482h-1. Protection of scenic values of forest

On and after June 11, 1946, mining locations made under mining laws of the United States within the following-described lands within the Coronado National Forest, Pima County, Arizona: Sections 25, 26, 35, and 36, and the east half of section 34, township 11 south, range 15 east; sections 30, 31, 32, and 33, and the west half of section 29, township 11 south, range 16 east; sections 1, 2, and 3, township 12 south, range 15 east; sections 3, 4, 5, 6, 7, 8, 9, 10, 15, and 16, the west half of section 11, the west half of section 14, and the northwest quarter of section 23, township 12 south, range 16 east; Gila and Salt River base and meridian, shall confer on the locator the right to occupy and use so much of the surface of the land covered by the location as may be reasonably necessary to carry on prospecting, mining, and beneficiation of ores including the taking of mineral deposits and timber required by or in the mining and ore reducing operations, and no permit shall be required or charge made for such use or occupancy: *Provided, however*, That the cutting and removal of timber, except where clearing is necessary in connection with mining operations or to provide space for buildings or structures used in connection with mining operations, shall be conducted in accordance with the rules for timber cutting on adjoining national-forest land, and no use of the surface of the claim or the resources therefrom not reasonably required for carrying on mining and prospecting shall be allowed except under the national-forest rules and regulations, nor shall the locator prevent or obstruct other occupancy of the surface or use of surface resources under authority of national-forest regulations, or permits issued thereunder, if such occupancy or use is not in conflict with mineral development.

(June 11, 1946, ch. 377, § 1, 60 Stat. 254.)

§ 482h-2. Cutting of timber; reservation of patent rights

On and after June 11, 1946, all patents issued under the United States mining laws affecting

lands within the above-described area shall convey title to the mineral deposits within the claim, together with the right to cut and remove so much of the mature timber therefrom as may be needed in extracting and removing and beneficiation of the mineral deposits, if the timber is cut under sound principles of forest management as defined by the national-forest rules and regulations, but each patent shall reserve to the United States all title in or to the surface of the lands and products thereof, and no use of the surface of the claim or the resources therefrom not reasonably required for carrying on mining or prospecting shall be allowed except under the rules and regulations of the Department of Agriculture.

(June 11, 1946, ch. 377, § 2, 60 Stat. 255.)

§ 482h-3. Perfection of mining claims

Valid mining claims within the said lands, existing on June 11, 1946, and thereafter maintained in compliance with the law under which they were initiated and the laws of the State of Arizona, may be perfected under sections 482h-1 to 482h-3 of this title, or under the laws under which they were initiated, as the claimant may desire.

(June 11, 1946, ch. 377, § 3, 60 Stat. 255.)

§ 482i. Plumas National Forest; offer of lands; additions; mining rights

Within the following-described areas any lands not in Government ownership which are found by the Secretary of Agriculture to be chiefly valuable for national-forest purposes may be offered in exchange under the provisions of sections 485 and 486 of this title, upon notice as therein provided and upon acceptance of title, shall become parts of the Plumas National Forest; and any of such described areas in Government ownership found by the Secretaries of Agriculture and the Interior to be chiefly valuable for national-forest purposes and not now parts of any national forest may be added to said national forest as herein provided by proclamation of the President, subject to all valid claims and provisions of existing withdrawals: *Provided*, That any lands received in exchange under the provisions of this section shall be open to mineral locations, mineral development, and patent in accordance with the mining laws of the United States:

Township 18 north, range 7 east, Mount Diablo base and meridian, California: Sections 3, 4, 5, 9, 10, 11, 12, 13, 15, 22, 23, 26, and 27.

(June 5, 1942, ch. 334, 56 Stat. 311.)

§ 482j. Santa Fe National Forest; mining rights; protection of scenic values

On and after June 10, 1949, mining locations made under mining laws of the United States within the following-described lands within the Santa Fe National Forest, Santa Fe, New Mexico: Sections 1, 2, 3, the northeast quarter of section 11 and the north half of section 12, in surveyed township 17 north, range 10 east; sections 12, 13, 14, 15, 16, 36, and that portion of section 25, outside the boundaries of the Gabaldon Grant in surveyed township 18 north, range 10 east; three
