

(D) identify additional resources that are appropriate to effectively prevent, control, or eradicate noxious weeds in the district; and

(E) identify opportunities to coordinate with county weed districts in Glacier, Pondera, Teton, and Lewis and Clark Counties in the State to apply for grants and enter into agreements for noxious weed control and eradication projects under the Noxious Weed Control and Eradication Act of 2004 (7 U.S.C. 7781 et seq.).

(3) Consultation

In developing the management strategy required under paragraph (1), the Secretary shall consult with—

- (A) the Secretary of the Interior;
- (B) appropriate State, tribal, and local governmental entities; and
- (C) members of the public.

(f) Nonmotorized recreation opportunities

Not later than 2 years after December 19, 2014, the Secretary of Agriculture, in consultation with interested parties, shall conduct a study to improve nonmotorized recreation trail opportunities (including mountain bicycling) on land not designated as wilderness within the district.

(g) Management of fish and wildlife; hunting and fishing

Nothing in this section affects the jurisdiction of the State with respect to fish and wildlife management (including the regulation of hunting and fishing) on public land in the State.

(h) Overflights

(1) Jurisdiction of the Federal Aviation Administration

Nothing in this section affects the jurisdiction of the Federal Aviation Administration with respect to the airspace above the wilderness or the Conservation Management Area.

(2) Benchmark airstrip

Nothing in this section affects the continued use, maintenance, and repair of the Benchmark (3U7) airstrip.

(i) Release of wilderness study areas

(1) Finding

Congress finds that, for the purposes of section 603(c) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1782(c)), the Zook Creek and Buffalo Creek wilderness study areas in the State have been adequately studied for wilderness designation.

(2) Release

The Zook Creek and Buffalo Creek wilderness study areas—

- (A) are no longer subject to—
 - (i) section 603(c) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1782(c)); or
 - (ii) Secretarial Order 3310 issued on December 22, 2010; and
- (B) shall be managed in accordance with the applicable land use plans adopted under section 202 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1712).

(j) Assessment update

(1) In general

Not later than 5 years after December 19, 2014, the Secretary shall review and update the assessment for oil and gas potential for the following wilderness study areas in the State:

- (A) Bridge Coulee.
- (B) Musselshell Breaks.

(2) Report

Not later than 30 days after the date on which the review is completed under paragraph (1), the Secretary shall submit to the Committee on Energy and Natural Resources of the Senate and the Committee on Natural Resources of the House of Representatives a report that describes the oil and gas potential for the wilderness study areas.

SUBCHAPTER II—SCENIC AREAS

§ 541. Cascade Head Scenic-Research Area; establishment

In order to provide present and future generations with the use and enjoyment of certain ocean headlands, rivers, streams, estuaries, and forested areas, to insure the protection and encourage the study of significant areas for research and scientific purposes, and to promote a more sensitive relationship between man and his adjacent environment, there is hereby established, subject to valid existing rights, the Cascade Head Scenic-Research Area (hereinafter referred to as “the Area”) in the Siuslaw National Forest in the State of Oregon.

(Pub. L. 93–535, §1, Dec. 22, 1974, 88 Stat. 1732.)

§ 541a. Administration, protection, development, and regulation of use

The administration, protection, development, and regulation of use of the Area shall be by the Secretary of Agriculture (hereinafter referred to as the "Secretary") in accordance with the laws, rules, and regulations applicable to national forests, in such manner as in his judgment will best contribute to attainment of the purpose of this subchapter.

(Pub. L. 93-535, § 2, Dec. 22, 1974, 88 Stat. 1732.)

§ 541b. Boundaries of scenic-research area; adjustments to subarea boundaries; development of management plan; establishment of subareas; management objectives

(a) Boundaries; adjustments to boundaries of subareas

The boundaries of the Area, and the boundaries of the subareas included therein, shall be those shown on the map entitled "Proposed Cascade Head Scenic-Research Area", dated June 1974, which is on file and available for public inspection in the office of the Chief, Forest Service, United States Department of Agriculture: *Provided*, That, from time to time, the Secretary may, after public hearing or other appropriate means for public participation, make adjustments in the boundaries of subareas to reflect changing natural conditions or to provide for more effective management of the Area and each of the subareas in accordance with the purposes and provisions of this subchapter.

(b) Management plan; development; time; contents

As soon as practicable after December 22, 1974, the Secretary shall, with provisions for appropriate public participation in the planning process, develop a comprehensive management plan for the Area. Said plan shall prescribe specific management objectives and management controls necessary for the protection, management, and development of the Area and each of the subareas established pursuant to subsection (c) hereof.

(c) Subareas; establishment; management objectives

Within the Area, the following subareas shall be established and shall be managed in accord with the following primary management objectives which shall be supplemental to the general management objectives applicable to the entire Area:

(1) Estuary and Associated Wetlands Subarea: An area managed to protect and perpetuate the fish and wildlife, scenic, and research-education values, while allowing dispersed recreation use, such as sport fishing, nonmotorized pleasure boating, waterfowl hunting, and other uses which the Secretary determines are compatible with the protection and perpetuation of the unique natural values of the subarea. After appropriate study, breaching of existing dikes may be permitted within the subarea.

(2) Lower Slope-Dispersed Residential Subarea: An area managed to maintain the scenic, soil and watershed, and fish and wildlife val-

ues, while allowing dispersed residential occupancy, selective recreation use, and agricultural use.

(3) Upper Timbered Slope and Headlands Subareas: Areas managed to protect the scenic, soil and watershed, and fish and wildlife values while allowing selective recreation and extensive research-educational activities. Timber harvesting activity may occur in these subareas only when the Secretary determines that such harvesting is to be conducted in connection with research activities or that the preservation of the timber resource is imminently threatened by fire, old age, infestation, or similar natural occurrences.

(4) Coastline and Sand Dune-Spit Subareas: Areas managed to protect and maintain the scenic and wildlife values while allowing selective recreation and extensive research-educational activities.

(Pub. L. 93-535, § 3, Dec. 22, 1974, 88 Stat. 1732.)

§ 541c. Extension of boundaries of Siuslaw National Forest; transfer of Federal property to Secretary

(a) The boundaries of the Siuslaw National Forest are hereby extended to include all of the lands lying within the Area as described in accordance with section 541b of this title which are not within the national forest boundaries on December 22, 1974.

(b) Notwithstanding any other provision of law, any Federal property located on the lands added to the Siuslaw National Forest by this section may, with the concurrence of the agency having custody thereof, be transferred without consideration to the administrative jurisdiction of the Secretary. Any lands so transferred shall become part of the Siuslaw National Forest.

(Pub. L. 93-535, § 4, Dec. 22, 1974, 88 Stat. 1733.)

§ 541d. Acquisition of property within the scenic-research area; consent of owner; substantial change in use or maintenance of property

(a) Acquisition of lands, waters and interests by donation, purchase, etc.

Subject to the provisions of subsection (b) of this subsection,¹ the Secretary is authorized to acquire lands, waters, or interests therein within the Area by donation, purchase, exchange, or otherwise.

(b) Consent of owner for acquisition of lands in sub-areas; exceptions; guidelines for determination of substantial change in land use or maintenance

Within all subareas of the Area except the estuary and associated wetlands subarea, the Secretary may not acquire any land or interest in land without the consent of the owner or owners so long as the owner or owners use such land for substantially the same purposes and in the same manner as it was used and maintained on June 1, 1974: *Provided, however*, That the Secretary may acquire any land or interest in land without the consent of the owner or owners when such land is in imminent danger of being used
