

section, the Secretary, acting through the Attorney General of the United States, may apply to the appropriate United States District Court for a temporary restraining order or injunction to prohibit the use of any property within the scenic area, but outside of urban areas, which will cause or is likely to cause impacts adversely affecting the scenic, cultural, recreation and natural resources of the scenic area or is otherwise inconsistent with the purposes for which the scenic area was established. During the period of such order or injunction, the Secretary shall diligently and in good faith negotiate with the owner of the property to assure that, following termination of the order or injunction, the inconsistent use is abated or the adverse effect is mitigated.

(c) Review of development action

Prior to the effective date of a land use ordinance for each county pursuant to section 544e of this title, and concurrence of the Secretary on a land use ordinance for each county pursuant to section 544f of this title, the Commission shall review all proposals for major development actions and new residential development in such county in the scenic area, except urban areas. The Commission shall allow major development actions and new residential development only if it determines that such development is consistent with the standards contained in section 544d of this title and the purposes of sections 544 to 544p of this title.

CODIFICATION

November 17, 1986, referred to in subsec. (b)(1), was in the original "the effective date of this Act", which was translated as being the date of enactment of Pub. L. 99-663.

§ 544i. Economic development

(a) Economic development plan

Based on the Economic Opportunity Study and other appropriate information, each State, in consultation with the counties and the Commission, shall develop a plan for economic development projects for which grants under this section may be used in a manner consistent with sections 544 to 544p of this title.

(b) Funds provided to States for grants

Upon certification of the management plan, and receipt of a plan referred to in subsection (a) of this section, the Secretary shall provide \$5,000,000 to each State which each State shall use to make grants and loans for economic development projects that further the purposes of sections 544 to 544p of this title.

(c) Conditions of grants

Each State making grants under this section shall require as a condition of a grant that—

(1) all activities undertaken under the grant are certified by the Commission as being consistent with the purposes of sections 544 to 544p of this title, the management plan, and land use ordinances adopted pursuant to sections 544 to 544p of this title;

(2) grants and loans are not used to relocate a business from one community to another;

(3) grants and loans are not used for program administration; and

(4) grants and loans are used only in counties which have in effect land use ordinances found consistent by the Commission and concurred on by the Secretary pursuant to section 544f of this title.

(d) Report

Each State shall—

(1) prepare and provide the Secretary with an annual report to the Secretary on the use of the funds made available under this section;

(2) make available to the Secretary and to the Commission, upon request, all accounts, financial records, and other information related to grants and loans made available pursuant to this section; and

(3) as loans are repaid, make additional grants and loans with the money made available for obligation by such repayments.

§ 544k. Tributary rivers and streams

(a) Water resources projects

The following rivers and streams shall be subject to the same restrictions on the licensing, permitting, and exempting from licensing and the construction of water resource projects as provided for components of the National Wild and Scenic Rivers System pursuant to section 7(a) of the Wild and Scenic Rivers Act (16 U.S.C. 1278(a)):

(1) any tributary river or stream to the Columbia River not designated in subsections¹ (c) or (d) of this section or otherwise specified in this subsection which flows in whole or in part through a special management area, unless the construction of a water resources project would not have a direct and adverse effect on the scenic, cultural, recreation, and natural resources of the scenic area;

(2) any river or river segment which flows in whole or in part through the scenic area and which is established pursuant to State law as a wild, scenic, or recreation river or which is under study pursuant to State law for the potential inclusion in any such State protected river system, unless such project or projects meet terms and conditions set by State agencies exercising administration over such river or river segment;

(3) the Wind River, Washington, for a period not less than three years following the later of—
