(B) The Federal Advisory Committee Act (5 App. U.S.C.) shall not apply to the marine mammal unusual mortality event working group established under this paragraph.

**(2) Response timing**

The Secretary, in consultation with the Secretary of the Interior, shall to the extent necessary and practicable—

(A) within 24 hours after receiving notification from a stranding network participant that an unusual mortality event might be occurring, contact as many members as is possible of the unusual mortality event working group for guidance; and

(B) within 48 hours after receiving such notification—

(i) make a determination as to whether an unusual mortality event is occurring;

(ii) inform the stranding network participant of that determination; and

(iii) if the Secretary has determined an unusual mortality event is occurring, designate an Onsite Coordinator for the event, in accordance with subsection (c).

**(b) Contingency plan**

**(1) In general**

The Secretary shall, in consultation with the Secretary of the Interior and the unusual mortality event working group, and after an opportunity for public review and comment, issue a detailed contingency plan for responding to any unusual mortality event.

**(2) Contents**

(C) training, mobilization, and utilization procedures for available personnel, facilities, and other resources necessary to conduct a rapid and effective response to unusual mortality events; and

(C) If, because of the wide geographic distribution, multiple species of marine mammals involved, or magnitude of an unusual mortality event, more than one Onsite Coordinator is designated, the Secretary shall, in consultation with the Secretary of the Interior, designate which of the Onsite Coordinators shall have primary responsibility with respect to the event.

**(2) Functions**

(A) An Onsite Coordinator designated under this subsection shall coordinate and direct the activities of all persons responding to an unusual mortality event in accordance with the contingency plan issued under subsection (b), except that—

(i) with respect to any matter that is not covered by the contingency plan, an Onsite Coordinator shall use his or her best professional judgment; and

(ii) the contingency plan may be temporarily modified by an Onsite Coordinator, consulting as expeditiously as possible with the Secretary, the Secretary of the Interior, and the unusual mortality event working group.
