

long-term productivity of timber and nontimber forest resources to help meet future public demand for all forest resources and provide the environmental benefits that result; and

(4) protecting their forests from damage caused by fire, insects, disease, and damaging weather.

**(e) Eligibility**

All nonindustrial private forest lands that are not in management under Federal, State, or private sector financial and technical assistance programs existing on November 28, 1990, are eligible for assistance under the Program. Non-industrial private forest lands that are managed under such existing programs are eligible for assistance under the Program if forest management activities are expanded and enhanced and the landowner agrees to meet the requirements of this chapter.

**(f) Duties of owners**

To enter forest land into the Program, landowners shall—

(1) prepare and submit to the State forester or equivalent State official a forest stewardship plan that meets the requirements of this section and that—

(A) is prepared by a professional resource manager;

(B) identifies and describes actions to be taken by the landowner to protect soil, water, range, aesthetic quality, recreation, timber, water, and fish and wildlife resources on such land in a manner that is compatible with the objectives of the landowner; and

(C) is approved by the State forester, or equivalent State official; and

(2) agree that all activities conducted on such land shall be consistent with the stewardship plan.

**(g) Stewardship recognition**

The Secretary, in consultation with State foresters or equivalent State officials, is encouraged to develop an appropriate recognition program for landowners who practice stewardship management on their lands, with an appropriate, special recognition symbol and title.

**(h) Authorization of appropriations**

There are hereby authorized to be appropriated \$25,000,000 for each of the fiscal years 1991 through 1995, and such sums as may be necessary thereafter, to carry out this section.

**§ 2103c. Forest Legacy Program**

**(a) Establishment and purpose**

The Secretary shall establish a program, to be known as the Forest Legacy Program, in cooperation with appropriate State, regional, and other units of government for the purposes of ascertaining and protecting environmentally important forest areas that are threatened by conversion to nonforest uses and, through the use of conservation easements and other mechanisms, for promoting forest land protection and other conservation opportunities. Such purposes shall also include the protection of important scenic, cultural, fish, wildlife, and recreational resources, riparian areas, and other ecological values.

**(b) State and regional forest legacy programs**

The Secretary shall exercise the authority under subsection (a) in conjunction with State or regional programs that the Secretary deems consistent with this section.

**(c) Interests in land**

In addition to the authorities granted under section 515 of this title and section 2268a(a) of title 7, the Secretary may acquire from willing landowners lands and interests therein, including conservation easements and rights of public access, for Forest Legacy Program purposes. The Secretary shall not acquire conservation easements with title held in common ownership with any other entity.

**(d) Implementation**

**(1) In general**

Lands and interests therein acquired under subsection (c) may be held in perpetuity for program and easement administration purposes as the Secretary may provide. In administering lands and interests therein under the program, the Secretary shall identify the environmental values to be protected by entry of the lands into the program, management activities which are planned and the manner in which they may affect the values identified, and obtain from the landowner other information determined appropriate for administration and management purposes.

**(2) Initial programs**

Not later than November 28, 1991, the Secretary shall establish a regional program in furtherance of the Northern Forest Lands Study in the States of New York, New Hampshire, Vermont, and Maine under Public Law 100-446. The Secretary shall establish additional programs in each of the Northeast, Midwest, South, and Western regions of the United States, and the Pacific Northwest (in-
