SUBCHAPTER VII—NATIONAL NEED MINERAL ACTIVITY RECOMMENDATION PROCESS

§ 3231. Areas subject to national need recommendation process

The process contained in this subchapter shall apply to all public lands within Alaska except for lands within units of the National Park System and the Arctic National Wildlife Refuge.

(Pub. L. 96-487, title XV, §1501, Dec. 2, 1980, 94 Stat. 2549.)

§ 3232. Recommendations of President to Congress

(a) Recommendation

At any time after December 2, 1980, the President may transmit a recommendation to the Congress that mineral exploration, development, or extraction not permitted under this Act or other applicable law shall be permitted in a specified area of the lands referred to in sec-

tion 3231 of this title. Notice of such transmittal shall be published in the Federal Register. No recommendation of the President under this section may be transmitted to the Congress before ninety days after publication in the Federal Register of notice of his intention to submit such recommendation.

(b) Findings

A recommendation may be transmitted to the Congress under subsection (a) if the President finds that, based on the information available to him—

(1) there is an urgent national need for the mineral activity; and

(2) such national need outweighs the other public values of the public lands involved and the potential adverse environmental impacts which are likely to result from the activity.

(c) Report

Together with his recommendation, the President shall submit to the Congress—

(1) a report setting forth in detail the relevant factual background and the reasons for his findings and recommendation;

(2) a statement of the conditions and stipulations which would govern the activity if approved by the Congress; and

(3) in any case in which an environmental impact statement is required under the National Environmental Policy Act of 1969 [42 U.S.C. 4321 et seq.], a statement which complies with the requirements of section 102(2)(C) of such Act [42 U.S.C. 4332(2)(C)]. In the case of any recommendation for which an environmental impact statement is not required under section 102(2)(C) of the National Environmental Policy Act of 1969 [42 U.S.C. 4332(2)(C)], the President may, if he deems it desirable, include such a statement in his transmittal to the Congress.

(d) Approval

Any recommendation under this section shall take effect only upon enactment of a joint resolution approving such recommendation within the first period of one hundred and twenty calendar days of continuous session of Congress beginning on the date after the date of receipt by the Senate and House of Representatives of such recommendation. Any recommendation of the President submitted to Congress under subsection (a) shall be considered received by both Houses for purposes of this section on the first day on which both are in session occurring after such recommendation is submitted.

(e) One-hundred-and-twenty-day computation

For purposes of this section—

(1) continuity of session of Congress is broken only by an adjournment sine die; and

(2) the days on which either House is not in session because of an adjournment of more than three days to a day certain are excluded in the computation of the one-hundred-and-twenty-day calendar period.

(Pub. L. 96-487, title XV, §1502, Dec. 2, 1980, 94 Stat. 2549.)

§ 3233. Expedited Congressional review

(a) Rulemaking

This subsection is enacted by Congress—

(1) as an exercise of the rulemaking power of each House of Congress, respectively, and as such it is deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in the House in the case of resolutions described by subsection (b) of this section and it supersedes other rules only to the extent that it is inconsistent therewith; and

(2) with full recognition of the constitutional right of either House to change the rules (so far as those relate to the procedure of that House) at any time, in the same manner and to the same extent as in the case of any other rule of such House.

(b) Resolution

For purposes of this section, the term “resolution” means a joint resolution, the resolving clause of which is as follows: “That the House of Representatives and Senate approve the recommendation of the President for _____ in _____ submitted to the Congress on 19 ____”, the first blank space therein to be filled in with appropriate activity, the second blank space therein to be filled in with the name or description of the area of land affected by the activity, and the third blank space therein to be filled with the date on which the President submits his recommendation to the House of Representatives and the Senate. Such resolution may also include material relating to the application and effect of the National Environmental Policy Act of 1969 [42 U.S.C. 4321 et seq.] to the recommendation.

(c) Referral

A resolution once introduced with respect to such Presidential recommendation shall be referred to one or more committees (and all resolutions with respect to the same Presidential recommendation shall be referred to the same committee or committees) by the President of the Senate or the Speaker of the House of Representatives, as the case may be.

(d) Other procedures

Except as otherwise provided in this section the provisions of section 719f(d) of title 15 shall apply to the consideration of the resolution.

SUBCHAPTER I—GENERAL PROVISIONS

§ 3301. Congressional findings and declaration of purpose

(a) The Congress finds and declares the following:

(1) The stocks of salmon and steelhead which originate in the rivers of the conservation areas constitute valuable and renewable natural resources. Many groups of commercial, recreational, and treaty fishermen have historically depended upon these stocks of fish for their livelihoods and avocations. These fishery resources contribute to the food supply and economic health of the Pacific Northwest and the Nation as a whole, provide valuable recreational experiences for thousands of citizens from various parts of the United States and represent a central element of the cultures and economies of Indian tribes and the citizens of the Pacific Northwest.

(2) Over a period of several decades, competing uses of salmon and steelhead habitat and historical problems relating to conservation
