TRANSFER OF FUNCTIONS

Office of Commissioner of District of Columbia, as established by Reorg. Plan No. 3 of 1967, abolished as of noon Jan. 2, 1975, by Pub. L. 93-198, title VII, §711, Dec. 24, 1973, 87 Stat. 818, and replaced by Office of Mayor of District of Columbia by section 421 of Pub. L. 93-198.

UTILIZATION OF SURPLUS PROPERTY

Act June 29, 1948, ch. 719, §4, 62 Stat. 1100, provided that: “For its own use in the industrial employment and training of prisoners and not for transfer or disposition, transfers of surplus property under the Surplus Property Act of 1944 [former sections 1611 to 1646 of the former Appendix to Title 50, War and National Defense], may be made to Federal Prison Industries, Incorporated, without reimbursement or transfer of funds.”

§ 4123. New industries

Any industry established under this chapter shall be so operated as not to curtail the production of any existing arsenal, navy yard, or other Government workshop.

Such forms of employment shall be provided as will give the inmates of all Federal penal and correctional institutions a maximum opportunity to acquire a knowledge and skill in trades and occupations which will provide them with a means of earning a livelihood upon release.

The industries may be either within the precincts of any penal or correctional institution or in any convenient locality where an existing property may be obtained by lease, purchase, or otherwise.

(June 25, 1948, ch. 645, 62 Stat. 851.)

HISTORICAL AND REVISION NOTES

Based on title 18, U.S.C., 1940 ed., §744c (May 27, 1930, ch. 340, §3, 46 Stat. 391).

A part of said section 744c of title 18, U.S.C., 1940 ed., is incorporated in section 4122 of this title.

References to the Attorney General were omitted because section 744k of title 18, U.S.C., 1940 ed., as originally enacted, provided for the transfer to Federal Prison Industries of the powers and duties then vested in the Attorney General.

References to “this chapter” were substituted for “this section” since the general authority to establish and supervise prison industries is contained in this chapter.

Minor changes of phraseology were made.

§ 4124. Purchase of prison-made products by Federal departments

(a) The several Federal departments and agencies and all other Government institutions of the United States shall purchase at not to exceed current market prices, such products of the industries authorized by this chapter as meet their requirements and may be available.

(b) Disputes as to the price, quality, character, or suitability of such products shall be arbitrated by a board consisting of the Attorney General, the Administrator of General Services, and the President, or their representatives. Their decision shall be final and binding upon all parties.

(c) Each Federal department, agency, and institution subject to the requirements of subsection (a) shall separately report acquisitions of products and services from Federal Prison Industries to the Federal Procurement Data System (as referred to in section 1122(a)(4) of title 41) in the same manner as it reports other acquisitions. Each report published by the Federal Procurement Data System that contains the information collected by the System shall include a statement to accompany the information reported by the department, agency, or institution under the preceding sentence as follows: “Under current law, sales by Federal Prison Industries are considered intragovernmental transfers. The purpose of reporting sales by Federal Prison Industries is to provide a complete overview of acquisitions by the Federal Government during the reporting period.”

(d) Within 90 days after the date of the enactment of this subsection, Federal Prison Industries shall publish a catalog of all products and services which it offers for sale. This catalog shall be updated periodically to the extent necessary to ensure that the information in the catalog is complete and accurate.

L. 104-316, title I, §109(b), Oct. 19, 1996, 110 Stat. 3832; Pub. L. 111-350, §5(d)(2), Jan. 4, 2011, 124 Stat. 3847.)

HISTORICAL AND REVISION NOTES

Based on title 18, U.S.C., 1940 ed., §744g (May 27, 1930, ch. 340, §7, 46 Stat. 392).

The revised section substituted the Director of the Bureau of Federal Supply of the Treasury Department for the General Supply Committee, the functions of the latter having been transferred to the Procurement Division of the Treasury Department by Executive Order No. 6166, §1, June 10, 1933, and the name of that unit having been changed to Bureau of Federal Supply by order of the Secretary of the Treasury effective January 1, 1947, 11 Federal Register No. 13,638. The Bureau of the Budget was substituted for the Bureau of Efficiency which was abolished by Act of March 3, 1933, ch. 212, §17, 47 Stat. 1519, without transferring its functions elsewhere. However, the Bureau of the Budget performs similar duties and its Director logically should serve on the arbitration board.

Reference to authority for appropriations was omitted and words “by this chapter” substituted therefor.

The word “agencies” was substituted for “independent establishments” to avoid any possibility of ambiguity. See definition of “agency” in section 6 of this title.

(June 25, 1948, ch. 645, 62 Stat. 852.)

HISTORICAL AND REVISION NOTES

Based on title 18, U.S.C., 1940 ed., §§ 744b, 851, 853, 854, 855 (Feb. 26, 1929, ch. 336, §§ 1, 3, 4, 5, 45 Stat. 1318; May 27, 1930, ch. 340, § 2, 46 Stat. 391).

Section consolidates section 744b of title 18, U.S.C., 1940 ed., with those portions of sections 851, 853-855 of title 18, U.S.C., 1940 ed., which may not have been superseded by section 744b of said title.

Section 851 of title 18, U.S.C., 1940 ed., was superseded except for the proviso which formed the basis for the added words “elsewhere than upon Indian reservations”.

Section 855 of title 18, U.S.C., 1940 ed., was superseded by section 744b of title 18, U.S.C., 1940 ed., except as to the specific mention in section 855 of said title of expense for maintenance and operation of camps. Hence a reference to operation was added in subsection (c) of this section.

Section 854 of title 18, U.S.C., 1940 ed., was added as a part of subsection (c).

Section 853 of title 18, U.S.C., 1940 ed., was added as subsection (d) of this section, although its retention may be unnecessary.

The phrase “the cost of which is borne exclusively by the United States” which followed the words “constructing or repairing roads” was omitted as inconsistent with the later phrase “constructing or repairing any other public ways or works financed wholly or in major part by funds appropriated from the Treasury of the United States.”

The provision for transfer of prisoners was omitted as duplicative of a similar provision in section 4082 of this title.

Other changes of phraseology were made.

§ 4126. Prison Industries Fund; use and settlement of accounts

(a) All moneys under the control of Federal Prison Industries, or received from the sale of the products or by-products of such Industries, or for the services of federal prisoners, shall be deposited or covered into the Treasury of the United States to the credit of the Prison Industries Fund and withdrawn therefrom only pursuant to accountable warrants or certificates of settlement issued by the Government Accountability Office.

(b) All valid claims and obligations payable out of said fund shall be assumed by the corporation.

(c) The corporation, in accordance with the laws generally applicable to the expenditures of the several departments, agencies, and establishments of the Government, is authorized to employ the fund, and any earnings that may accrue to the corporation—

(1) as operating capital in performing the duties imposed by this chapter;
