(3) Appropriations authorized for establishment

There is hereby authorized to be appropriated to the Secretary \$5,000,000 for making advances for the purpose of helping to establish the Association. Such advances shall be

repaid within such period as the Secretary may deem to be appropriate in light of the maturity and solvency of the Association. Such advances shall bear interest at a rate not less than (A) a rate determined by the Secretary of the Treasury taking into consideration the current average market yield on outstanding marketable obligations of the United States with remaining period to maturity comparable to the maturity of such advances, adjusted to the nearest one-eighth of 1 percent, plus (B) an allowance adequate in the judgment of the Secretary to cover administrative costs and probable losses. Repayments of such advances shall be deposited into miscellaneous receipts of the Treasury.

(d) Authority of Association

(1) In general

The Association is authorized, subject to the provisions of this section—

(A) pursuant to commitments or otherwise to make advances on the security of, purchase, or repurchase, service, sell or resell, offer participations, or pooled interests or otherwise deal in, at prices and on terms and conditions determined by the Association, student loans which are insured by the Secretary under this part or by a guaranty agency;

(B) to buy, sell, hold, underwrite, and otherwise deal in obligations, if such obligations are issued, for the purpose of making or purchasing insured loans, by a guaranty agency or by an eligible lender in a State described in section 1085(d)(1)(D) or (F) of this title;

(C) to buy, sell, hold, insure, underwrite, and otherwise deal in obligations issued for the purpose of financing or refinancing the construction, reconstruction, renovation, improvement, or purchase at institutions of higher education of any of the following facilities (including the underlying property) and materials (including related equipment, instrumentation, and furnishings) at an eligible institution of higher education:

- (ii) housing for students and faculties, dining halls, student unions, and facilities specifically designed to promote fitness and health for students, faculty, and staff or for physical education courses; and
- (iii) library facilities, including the acquisition of library materials at institutions of higher education;

except that not more than 30 percent of the value of transactions entered into under this subparagraph shall involve transactions of the types described in clause (ii);

(D) to undertake a program of loan insurance pursuant to agreements with the Secretary under section 1078 of this title, and except with respect to loans under subsection (o) of this section or under section 1078-3 of this title, the Secretary may enter into an agreement with the Association for such purpose only if the Secretary determines that (i) eligible borrowers are seeking and unable to obtain loans under this part, and (ii) no guaranty agency is capable of or willing to provide a program of loan insurance for such borrowers; and

(E) to undertake any other activity which the Board of Directors of the Association determines to be in furtherance of the pro-

grams of insured student loans authorized under this part or will otherwise support the credit needs of students, except that—

(i) in carrying out all such activities the purpose shall always be to provide secondary market and other support for lending programs offered by other organizations and not to replace or compete with such other programs;

(ii) nothing in this subparagraph (E) shall be deemed to authorize the Association to acquire, own, operate, or control any bank, savings and loan association, savings bank or credit union; and

(iii) not later than 30 days prior to the initial implementation of a program undertaken pursuant to this subparagraph (E), the Association shall advise the Chairman and the Ranking Member on the Committee on Labor and Human Resources of the Senate and the Chairman and the Ranking Member of the Committee on Education and Labor of the House of Representatives in writing of its plans to offer such program and shall provide information relating to the general terms and conditions of such program.

The Association is further authorized to undertake any activity with regard to student loans which are not insured or guaranteed as provided for in this subsection as it may undertake with regard to insured or guaranteed student loans. Any warehousing advance made on the security of such loans shall be subject to the provisions of paragraph (3) of this subsection to the same extent as a warehousing advance made on the security of insured loans.

(2) Warehousing advances

Any warehousing advance made under paragraph (1)(A) of this subsection shall be made on the security of (A) insured loans, (B) marketable obligations and securities issued, guaranteed, or insured by, the United States, or for which the full faith and credit of the United States is pledged for the repayment of principal and interest thereof, or (C) marketable obligations issued, guaranteed, or insured by any agency, instrumentality, or corporation of the United States for which the credit of such agency, instrumentality, or corporation is pledged for the repayment of principal and interest thereof, in an amount equal to the amount of such advance. The proceeds of any such advance secured by insured loans shall either be invested in additional insured loans or the lender shall provide assurances to the Association that during the period of the borrowing it will maintain a level of insured loans in its portfolio not less than the aggregate outstanding balance of such loans held at the time of the borrowing. The proceeds from any such advance secured by collateral described in clauses (B) and (C) shall be invested in additional insured student loans.

(3) Perfection of security interests in student loans

Notwithstanding the provisions of any State law to the contrary, including the Uniform Commercial Code as in effect in any State, a

security interest in insured student loans created on behalf of the Association or any eligible lender as defined in section 1085(a) of this title may be perfected either through the taking of possession of such loans or by the filing of notice of such security interest in such loans in the manner provided by such State law for perfection of security interests in accounts.

(4) Form of securities

Securities issued pursuant to the offering of participations or pooled interests under paragraph (1) of this subsection may be in the form of debt obligations, or trust certificates of beneficial ownership, or both. Student loans set aside pursuant to the offering of participations or pooled interests shall at all times be adequate to ensure the timely principal and interest payments on such securities.

(5) Restrictions on facilities and housing activities

Not less than 75 percent of the aggregate dollar amount of obligations bought, sold, held, insured, underwritten, and otherwise supported in accordance with the authority contained in paragraph (1)(C) shall be obligations which are listed by a nationally recognized statistical rating organization at a rating below the second highest rating of such organization.

(e) Advances to lenders that do not discriminate

The Association, pursuant to such criteria as the Board of Directors may prescribe, shall make advances on security or purchase student loans pursuant to subsection (d) only after the Association is assured that the lender (1) does not discriminate by pattern or practice against any particular class or category of students by requiring that, as a condition to the receipt of a loan, the student or his family maintain a business relationship with the lender, except that this clause shall not apply in the case of a loan made by a credit union, savings and loan association, mutual savings bank, institution of higher education, or any other lender with less than \$75,000,000 in deposits, and (2) does not discriminate on the basis of race, sex, color, creed, or national origin.

(f) Stock of the Association

(1) Voting common stock

The Association shall have voting common stock having such par value as may be fixed by its Board of Directors from time to time. Each share of voting common stock shall be entitled to one vote with rights of cumulative voting at all elections of directors.

(2) Number of shares; transferability

The maximum number of shares of voting common stock that the Association may issue and have outstanding at any one time shall be fixed by the Board of Directors from time to time. Any voting common stock issued shall be fully transferable, except that, as to the Association, it shall be transferred only on the books of the Association.

(3) Dividends

To the extent that net income is earned and realized, subject to subsection (g)(2), dividends

may be declared on voting common stock by the Board of Directors. Such dividends as may be declared by the Board of Directors shall be paid to the holders of outstanding shares of voting common stock, except that no such dividends shall be payable with respect to any share which has been called for redemption past the effective date of such call.

(4) Single class of voting common stock

As of the effective date of the Higher Education Amendments of 1992, all of the previously authorized shares of voting common stock and nonvoting common stock of the Association shall be converted to shares of a single class of voting common stock on a share-for-share basis, without any further action on the part of the Association or any holder. Each outstanding certificate for voting or nonvoting common stock shall evidence ownership of the same number of shares of voting stock into which it is converted. All preexisting rights and obligations with respect to any class of common stock of the Association shall be deemed to be rights and obligations with respect to such converted shares.

(g) Preferred stock

(1) Authority of Board

The Association is authorized to issue nonvoting preferred stock having such par value as may be fixed by its Board of Directors from time to time. Any preferred share issued shall be freely transferable, except that, as to the Association, it shall be transferred only on the books of the Association.

(2) Rights of preferred stock

The holders of the preferred shares shall be entitled to such rate of cumulative dividends and such shares shall be subject to such redemption or other conversion provisions as may be provided for at the time of issuance. No dividends shall be payable on any share of common stock at any time when any dividend is due on any share of preferred stock and has not been paid.

(3) Preference on termination of business

In the event of any liquidation, dissolution, or winding up of the Association's business, the holders of the preferred shares shall be paid in full at par value thereof, plus all accrued dividends, before the holders of the common shares receive any payment.

(h) Debt obligations

(1) Approval by Secretaries of Education and the Treasury

The Association is authorized with the approval of the Secretary of Education and the Secretary of the Treasury to issue and have outstanding obligations having such maturities and bearing such rate or rates of interest as may be determined by the Association. The authority of the Secretary of Education to approve the issuance of such obligations is limited to obligations issued by the Association and guaranteed by the Secretary pursuant to paragraph (2) of this subsection. Such obligations may be redeemable at the option of the Association before maturity in such

manner as may be stipulated therein. The Secretary of the Treasury may not direct as a condition of his approval that any such issuance of obligations by the Association be made or sold to the Federal Financing Bank. To the extent that the average outstanding amount of the obligations owned by the Association pursuant to the authority contained in subsection (d)(1)(B) and (C) of this section and as to which the income is exempt from taxation under title 26 does not exceed the average stockholders' equity of the Association, the interest on obligations issued under this paragraph shall not be deemed to be interest on indebtedness incurred or continued to purchase or carry obligations for the purpose of section 265 of title 26.

(2) Guarantee of debt

The Secretary is authorized, prior to October 1, 1984, to guarantee payment when due of principal and interest on obligations issued by the Association in an aggregate amount determined by the Secretary in consultation with the Secretary of the Treasury. Nothing in this section shall be construed so as to authorize the Secretary of Education or the Secretary of the Treasury to limit, control, or constrain programs of the Association or support of the Guaranteed Student Loan Program by the Association.

(3) Borrowing authority to meet guarantee obligations

To enable the Secretary to discharge his responsibilities under guarantees issued by him, he is authorized to issue to the Secretary of the Treasury notes or other obligations in such forms and denominations, bearing such maturities, and subject to such terms and conditions, as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. Such notes or other obligations shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities during the months preceding the issuance of the notes or other obligations. The Secretary of the Treasury is authorized and directed to purchase any notes and other obligations issued hereunder and for that purpose he is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under chapter 31 of title 31, and the purposes for which securities may be issued under that chapter are extended to include any purchase of such notes and obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired by him under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States. There is authorized to be appropriated to the Secretary such sums as may be necessary to pay the principal and interest on the notes or obligations issued by him to the Secretary of the Treasury.

(4) Action on request for guarantees

Upon receipt of a request from the Association under this subsection requiring approvals by the Secretary of Education or the Secretary of the Treasury, the Secretary of Education or the Secretary of the Treasury shall act promptly either to grant approval or to advise the Association of the reasons for withholding approval. In no case shall such an approval be withheld for a period longer than 60 days unless, prior to the end of such period, the Secretary of Education and the Secretary of the Treasury submit to the Congress a detailed explanation of reasons for doing so.

(5) Authority of Treasury to purchase debt

The Secretary of the Treasury is authorized to purchase any obligations issued by the Association pursuant to this subsection as now or hereafter in force, and for such purpose the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds of the sale of any securities hereafter issued under chapter 31 of title 31, as now or hereafter in force, and the purposes for which securities may be issued under chapter 31 of title 31, as now or hereafter in force are extended to include such purchases. The Secretary of the Treasury shall not at any time purchase any obligations under this subsection if such purchase would increase the aggregate principal amount of his then outstanding holdings of such obligations under this subsection to an amount greater than \$1,000,000,000. Each purchase of obligations by the Secretary of the Treasury under this subsection shall be upon such terms and conditions as to yield a return at a rate determined by the Secretary of the Treasury, taking into consideration the current average rate on outstanding marketable obligations of the United States of comparable maturities as of the last day of the month preceding the making of such purchase. The Secretary of the Treasury may, at any time, sell, upon such terms and conditions and at such price or prices as he shall determine, any of the obligations acquired by him under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such obligations under this subsection shall be treated as public debt transactions of the United States.

(6) Sale of debt to Federal Financing Bank

Notwithstanding any other provision of law the Association is authorized to sell or issue obligations on the security of student loans, the payment of interest or principal of which has at any time been guaranteed under section 1078 or 1079 of this title, to the Federal Financing Bank.

(7) Offset fee

(A) The Association shall pay to the Secretary, on a monthly basis, an offset fee calculated on an annual basis in an amount equal to 0.30 percent of the principal amount of each loan made, insured or guaranteed under this part that the Association holds (except for loans made pursuant to section 1078-3 of this title, subsection (o), or subsection (q)) and that was acquired on or after August 10, 1993.

(B) If the Secretary determines that the Association has substantially failed to comply with subsection (q), subparagraph (A) shall be applied by substituting "1.0 percent" for "0.3 percent".

(C) The Secretary shall deposit all fees collected pursuant to this paragraph into the insurance fund established in section 1081 of this title.

(i) General corporate powers

The Association shall have power—

(1) to sue and be sued, complain and defend, in its corporate name and through its own counsel;

(2) to adopt, alter, and use the corporate seal, which shall be judicially noticed;

(3) to adopt, amend, and repeal by its Board of Directors, bylaws, rules, and regulations as may be necessary for the conduct of its business;

(4) to conduct its business, carry on its operations, and have officers and exercise the power granted by this section in any State without regard to any qualification or similar statute in any State;

(5) to lease, purchase, or otherwise acquire, own, hold, improve, use, or otherwise deal in and with any property, real, personal, or mixed, or any interest therein, wherever situated;

(7) to sell, convey, mortgage, pledge, lease, exchange, and otherwise dispose of its property and assets;

(8) to appoint such officers, attorneys, employees, and agents as may be required, to determine their qualifications, to define their duties, to fix their salaries, require bonds for them, and fix the penalty thereof; and

(9) to enter into contracts, to execute instruments, to incur liabilities, and to do all things as are necessary or incidental to the proper management of its affairs and the proper conduct of its business.

(j) Accounting, auditing, and reporting

The accounts of the Association shall be audited annually. Such audits shall be conducted in accordance with generally accepted auditing standards by independent certified public accountants or by independent licensed public accountants, licensed on or before December 31, 1970, who are certified or licensed by a regulatory authority of a State or other political subdivision of the United States, except that independent public accountants licensed to practice by such regulatory authority after December 31, 1970, and persons who, although not so certified or licensed, meet, in the opinion of the Secretary, standards of education and experience representative of the highest standards prescribed by the licensing authorities of the several States which provide for the continuing licensing of public accountants and which are prescribed by the Secretary in appropriate regulations may perform such audits until December 31, 1975. A report of each such audit shall be furnished to the Secretary of the Treasury. The

audit shall be conducted at the place or places where the accounts are normally kept. The representatives of the Secretary shall have access to all books, accounts, financial records, reports, files, and all other papers, things, or property belonging to or in use by the Association and necessary to facilitate the audit, and they shall be afforded full facilities for verifying transactions with the balances or securities held by depositaries, fiscal agents, and custodians.

(k) Report on audits by Treasury

A report of each such audit for a fiscal year shall be made by the Secretary of the Treasury to the President and to the Congress not later than 6 months following the close of such fiscal year. The report shall set forth the scope of the audit and shall include a statement (showing intercorporate relations) of assets and liabilities, capital and surplus or deficit; a statement of surplus or deficit analysis; a statement of income and expense; a statement of sources and application of funds; and such comments and information as may be deemed necessary to keep the President and the Congress informed of the operations and financial condition of the Association, together with such recommendations with respect thereto as the Secretary may deem advisable, including a report of any impairment of capital or lack of sufficient capital noted in the audit. A copy of each report shall be furnished to the Secretary, and to the Association.

(l) Lawful investment instruments; effect of and exemptions from other laws

All obligations issued by the Association including those made under subsection (d)(4) shall be lawful investments, and may be accepted as security for all fiduciary, trust, and public funds, the investment or deposit of which shall be under authority or control of the United States or of any officer or officers thereof. All stock and obligations issued by the Association pursuant to this section shall be deemed to be exempt securities within the meaning of laws administered by the Securities and Exchange Commission, to the same extent as securities which are direct obligations of, or obligations guaranteed as to principal or interest by, the United States. The Association shall, for the purposes of section 355(2) of title 12, be deemed to be an agency of the United States. The obligations of the Association shall be deemed to be obligations of the United States for the purpose of section 3124 of title 31. For the purpose of the distribution of its property pursuant to section 726 of title 11, the Association shall be deemed a person within the meaning of such title. The priority established in favor of the United States by section 3713 of title 31 shall not establish a priority over the indebtedness of the Association issued or incurred on or before September 30, 1992. The Federal Reserve Banks are authorized to act as depositaries, custodians, or fiscal agents, or a combination thereof, for the Association in the general performance of its powers under this section.

(m) Preparation of obligations

In order to furnish obligations for delivery by the Association, the Secretary of the Treasury is authorized to prepare such obligations in such

form as the Board of Directors may approve, such obligations when prepared to be held in the Treasury subject to delivery upon order by the Association. For loans insured by such agency, the agency shall provide the Association with a certificate of comprehensive insurance coverage, if the Association and the agency have mutually agreed upon a means to determine that the agency has not already guaranteed a loan under this part to a student which would cause a subsequent loan made by the Association to be in violation of any provision under this part.

(3) Termination of lending

The Association or its designated agent shall cease making loans under this subsection at such time as the Secretary determines that the conditions which caused the implementation of this subsection have ceased to exist.

(D) ANNUAL ASSESSMENT.—

(i) IN GENERAL.—For each fiscal year beginning on or after October 1, 1996, the Secretary of the Treasury may establish and collect from the Association an assessment (or assessments) in amounts sufficient to provide for reasonable costs and expenses of carrying out the duties of the Secretary of the Treasury under this section and section 1087-3 of this title during such fiscal year. In no event may the total amount so assessed exceed, for any fiscal year, \$800,000, adjusted for each fiscal year ending after September 30, 1997, by the ratio of the Consumer Price Index for All Urban Consumers (issued by the Bureau of Labor Statistics) for the final month of the fiscal year preceding the fiscal year for which the assessment is made to the Consumer Price Index for All Urban Consumers for September 1997.

the Secretary of the Treasury under this section and section 1087-3 of this title. None of the funds deposited into such account shall be available for any purpose other than making payments for such costs and expenses.

(E) OBLIGATION TO OBTAIN, MAINTAIN, AND REPORT INFORMATION.—

(i) **IN GENERAL.**—The Association shall obtain such information and make and keep such records as the Secretary of the Treasury may from time to time prescribe concerning—

(I) the financial risk to the Association resulting from the activities of any associated person, to the extent such activities are reasonably likely to have a material impact on the financial condition of the Association, including the Association's capital ratio, the Association's liquidity, or the Association's ability to conduct and finance the Association's operations; and

(II) the Association's policies, procedures, and systems for monitoring and controlling any such financial risk.

(ii) **SUMMARY REPORTS.**—The Secretary of the Treasury may require summary reports of such information to be filed no more frequently than quarterly. If, as a result of adverse market conditions or based on reports provided pursuant to this subparagraph or other available information, the Secretary of the Treasury has concerns regarding the financial or operational condition of the Association, the Secretary of the Treasury may, notwithstanding the preceding sentence and clause (i), require the Association to make reports concerning the activities of any associated person, whose business activities are reasonably likely to have a material impact on the financial or operational condition of the Association.

(iii) **DEFINITION.**—For purposes of this subparagraph, the term "associated person" means any person, other than a natural person, directly or indirectly controlling, controlled by, or under common control with the Association.

(ii) **COMPARABILITY.**—

(I) **IN GENERAL.**—Subject to section 5373 of title 5, the Secretary of the Treasury may provide additional compensation and benefits to auditors and examiners appointed pursuant to subparagraph (A) if the same type of compensation or benefits are then being provided by any agency referred to in section 1833b of title 12 or, if not then being provided, could be provided by such an agency under applicable provisions of law, rule, or regulation.

(II) **CONSULTATION.**—In setting and adjusting the total amount of compensation

and benefits for auditors and examiners appointed pursuant to subparagraph (A), the Secretary of the Treasury shall consult with, and seek to maintain comparability with, the agencies referred to in section 1833b of title 12.

(3) Monitoring of safety and soundness

The Secretary of the Treasury shall conduct such studies as may be necessary to monitor the financial safety and soundness of the Association. In the event that the Secretary of the Treasury determines that the financial safety and soundness of the Association is at risk, the Secretary of the Treasury shall inform the Chairman and ranking minority member of the Committee on Labor and Human Resources of the Senate, the Chairman and ranking minority member of the Committee on Education and Labor of the House of Representatives, and the Secretary of Education of such determination and identify any corrective actions that should be taken to ensure the safety and soundness of the Association.

(5) Capital restoration plan

(A) Submission, approval, and implementation

The Secretary of the Treasury and the Association shall consult with respect to any capital restoration plan submitted pursuant to paragraph (4) and the Secretary of the Treasury shall approve such plan (or a modification thereof accepted by the Association) or disapprove such plan within 30 days after such plan is first submitted to the Secretary of the Treasury by the Association, unless the Association and Secretary of the Treasury mutually agree to a longer consideration period. If the Secretary of the Treasury approves a capital restoration plan (including a modification of a plan accepted by the Association), the Association shall forthwith proceed with diligence to implement such plan to the best of its ability.

(B) Disapproval

If the Secretary of the Treasury does not approve a capital restoration plan as provided in subparagraph (A), then not later than the earlier of the date the Secretary of the Treasury disapproves of such plan by written notice to the Association or the expiration of the 30-day consideration period referred to in subparagraph (A) (as such period may have been extended by mutual agreement), the Secretary of the Treasury shall submit the Association's capital restoration plan, in the form most recently proposed to the Secretary of the Treasury by the Association, together with a report on

the Secretary of the Treasury's reasons for disapproval of such plan and an alternative capital restoration plan, to the Chairman and ranking minority member of the Senate Committee on Labor and Human Resources and to the Chairman and ranking minority member of the House Committee on Education and Labor. A copy of such submission simultaneously shall be sent to the Association and the Secretary of Education by the Secretary of the Treasury.

(C) Association implementation and response

Upon receipt of the submission by the Association, the Association shall forthwith proceed with diligence to implement the most recently proposed capital restoration plan of the Association. The Association, within 30 days after receipt from the Secretary of the Treasury of such submission, shall submit to such Chairmen and ranking minority members a written response to such submission, setting out fully the nature and extent of the Association's agreement or the disagreement with the Secretary of the Treasury with respect to the capital restoration plan submitted to the Secretary of the Treasury and any findings of the Secretary of the Treasury.

(6) Substantial capital ratio reduction

(A) Additional plan required

If the capital ratio is less than 1.75 percent and is greater than or equal to 1 percent at the end of the Association's most recent calendar quarter, the Association shall submit to the Secretary of the Treasury within 60 days after such occurrence a capital restoration plan (or an appropriate modification of any plan previously submitted or approved under paragraph (4)) to increase promptly its capital ratio to equal or exceed 1.75 percent. The Secretary of the Treasury and the Association shall consult with respect to any plan or modified plan submitted pursuant to this paragraph. The Secretary of the Treasury shall approve such plan or modified plan (or a modification thereof accepted by the Association) or disapprove such plan or modified plan within 30 days after such plan or modified plan is first submitted to the Secretary of the Treasury by the Association, unless the Association and Secretary of the Treasury mutually agree to a longer consideration period. If the Secretary of the Treasury approves a plan or modified plan (including a modification of a plan accepted by the Association), the Association shall forthwith proceed with diligence to implement such plan or modified plan to the best of the Association's ability.

(B) Disapproval

If the Secretary of the Treasury disapproves a capital restoration plan or modified plan submitted pursuant to subparagraph (A), then, not later than the earlier of the date the Secretary of the Treasury disapproves of such plan or modified plan (by written notice to the Association) or the expiration of the 30-day consideration period described in subparagraph (A) (as such pe-

riod may have been extended by mutual agreement), the Secretary of the Treasury shall prepare and submit an alternative capital restoration plan, together with a report on his reasons for disapproval of the Association's plan or modified plan, to the Chairman and ranking minority member of the Committee on Labor and Human Resources of the Senate and to the Chairman and ranking minority member of the Committee on Education and Labor of the House of Representatives. A copy of such submission simultaneously shall be sent to the Association and the Secretary of Education by the Secretary of the Treasury. The Association, within 5 days after receipt from the Secretary of the Treasury of such submission, shall submit to the Chairmen and ranking minority members of such Committees, and the Secretary of the Treasury, a written response to such submission, setting out fully the nature and extent of the Association's agreement or disagreement with the Secretary of the Treasury with respect to the disapproved plan and the alternative plan of the Secretary of the Treasury and any findings of the Secretary of the Treasury.

(C) Review by Congress; Association implementation

Congress shall have 60 legislative days after the date on which Congress receives the alternative plan under subparagraph (B) from the Secretary of the Treasury to review such plan. If Congress does not take statutory action with respect to any such plan within such 60-day period, the Association shall immediately proceed with diligence to implement the alternative capital restoration plan of the Secretary of the Treasury under subparagraph (B). If Congress is out of session when any such alternative plan is received, such 60-day period shall begin on the first day of the next session of Congress.

(7) Actions by Secretary of the Treasury

If the capital ratio of the Association does not equal or exceed 1.75 percent at the end of the Association's most recent calendar quarter, the Secretary of the Treasury may, until the capital ratio equals or exceeds 1.75 percent, take any one or more of the following actions:

(A) Limit increase in liabilities

Limit any increase in, or order the reduction of, any liabilities of the Association, except as necessary to fund student loan purchases and warehousing advances.

(8) Critical capital standard

(A) If the capital ratio is less than 1 percent at the end of the Association's most recent calendar quarter and the Association has already submitted a capital restoration plan to the Secretary of the Treasury pursuant to paragraph (4) or (6)(A), the Association shall forthwith proceed with diligence to implement the most recently proposed plan with such modifications as the Secretary of the Treasury determines are necessary to cause the capital ratio to equal or exceed 2 percent within 60 months.

(B) If the capital ratio is less than 1 percent at the end of the Association's most recent calendar quarter and the Association has not submitted a capital restoration plan to the Secretary of the Treasury pursuant to paragraph (4) or (6)(A), the Association shall—

(i) within 14 days of such occurrence submit a capital restoration plan to the Secretary of the Treasury which the Association believes is adequate to cause the capital ratio to equal or exceed 2 percent within 60 months; and

(ii) forthwith proceed with diligence to implement such plan with such modifications as the Secretary of the Treasury determines are necessary to cause the capital ratio to equal or exceed 2 percent within 60 months.

(C) Immediately upon a determination under subparagraph (A) or (B) to implement a capital restoration plan, the Secretary of the Treasury shall submit the capital restoration plan to be implemented to the Chairman and ranking minority member of the Committee on Labor and Human Resources of the Senate, the Chairman and ranking minority member of the Committee on Education and Labor of the House of Representatives, and the Secretary of Education.

(9) Additional reports to committees

The Association shall submit a copy of its capital restoration plan, modifications proposed to the Secretary of the Treasury, and proposed modifications received from the Secretary of the Treasury to the Congressional Budget Office and Government Accountability Office upon their submission to the Secretary of the Treasury or receipt from the Secretary of the Treasury. Notwithstanding any other provision of law, the Congressional Budget Office and Government Accountability Office shall maintain the confidentiality of information received pursuant to the previous sentence. In the event that the Secretary of the Treasury does not approve a capital restoration plan as provided in paragraph (5)(A) or (6)(A), or in the event that a capital restora-

(B) analyzing the capital restoration plan and reasons for disapproval of the plan contained in the Secretary of the Treasury's submission made pursuant to paragraph (5)(B), or the capital restoration plan proposed by the Association and the modifications made by the Secretary of the Treasury pursuant to paragraph (6)(B) or (8);

(C) analyzing the impact of the capital restoration plan and reasons for disapproval of the plan contained in the Secretary of the Treasury's submission made pursuant to paragraph (5)(B), or the impact of the capital restoration plan proposed by the Association and the modifications made by the Secretary of the Treasury pursuant to paragraph (6)(B) or (8), and analyzing the impact of the recommendations made pursuant to subparagraph (D) of this paragraph, on—

(i) the ability of the Association to fulfill its purpose and authorized activities as provided in this section, and

(B) recommending administrative and legislative changes in the student loan programs to maintain the orderly operation of such programs and to enable the Association to fulfill its purpose and authorized activities consistent with the capital ratio specified in paragraph (4).

(11) Safe harbor

The Association shall be deemed in compliance with the capital ratios described in paragraphs (4) and (6)(A) if the Association is rated in 1 of the 2 highest full rating categories (such categories to be determined without regard to designations within categories) by 2 nationally recognized statistical rating orga-

nizations, determined without regard to the Association's status as a federally chartered corporation.

(12) Treatment of confidential information

Notwithstanding any other provision of law, the Secretary of the Treasury, the Secretary of Education, the Congressional Budget Office, and the Government Accountability Office shall not disclose any information treated as confidential by the Association or the Association's associated persons and obtained pursuant to this subsection. Nothing in this paragraph shall authorize the Secretary of the Treasury, the Secretary of Education, the Congressional Budget Office, and the Government Accountability Office to withhold information from Congress, or prevent the Secretary of Education, the Congressional Budget Office, and the Government Accountability Office from complying with a request for information from any other Federal department or agency requesting the information for purposes within the scope of its jurisdiction, or complying with an order of a court of the United States in an action brought by the United States. For purposes of section 552 of title 5, this paragraph shall be considered a statute described in subsection (b)(3) of such section 552.

(13) Enforcement of safety and soundness requirements

The Secretary of Education or the Secretary of the Treasury, as appropriate, may request that the Attorney General bring an action in the United States District Court for the District of Columbia for the enforcement of any provision of this section, or may, under the direction or control of the Attorney General, bring such an action. Such court shall have jurisdiction and power to order and require compliance with this section.

(14) Actions by Secretary

For any fiscal quarter ending after January 1, 2000, the Association shall have a capital ratio of at least 2.25 percent. The Secretary of the Treasury may, whenever such capital ratio is not met, take any one or more of the actions described in paragraph (7), except that—

(i) the capital ratio to be restored pursuant to paragraph (7)(D) shall be 2.25 percent; and

(ii) if the relevant capital ratio is in excess of or equal to 2 percent for such quarter, the Secretary of the Treasury shall defer taking any of the actions set forth in paragraph (7) until the next succeeding quarter and may then proceed with any such action only if the capital ratio of the Association remains below 2.25 percent.

The Association shall from time to time amend such plan to reflect changed circumstances, and submit such amendments to the Secretary of the Treasury and to the Chairman and Ranking Minority Member of the Committee on Labor and Human Resources of the Senate and Chairman and Ranking Minority Member of the Committee on Economic and Educational Opportunities of the House of Representatives. this subsection. The Association may dissolve pursuant to this subsection prior to such date by notifying the Secretary of Education and the Secretary of the Treasury of the Association's intention to dissolve, unless within 60 days of receipt of such notice the Secretary of Education notifies the Association that the Association continues to be needed to serve as a lender of last resort pursuant to subsection (q) or continues to be needed to purchase loans under an agreement with the Secretary described in paragraph (4)(A). On the dissolution date, the Association shall take the following actions:

(A) Establishment of a trust

The Association shall, under the terms of an irrevocable trust agreement in form and substance satisfactory to the Secretary of the Treasury, the Association, and the appointed trustee, irrevocably transfer all remaining obligations of the Association to a trust and irrevocably deposit or cause to be deposited into such trust, to be held as trust funds solely for the benefit of holders of the remaining obligations, money or direct non-callable obligations of the United States or any agency thereof for which payment the full faith and credit of the United States is pledged, maturing as to principal and interest in such amounts and at such times as are determined by the Secretary of the Treasury to be sufficient, without consideration of any significant reinvestment of such interest, to pay the principal of, and interest on, the remaining obligations in accordance with their terms.

(B) Use of trust assets

All money, obligations, or financial assets deposited into the trust pursuant to this subsection shall be applied by the trustee to the payment of the remaining obligations assumed by the trust. (ii) Agreement

The Secretary is authorized to enter into an agreement described in subclause (II) of clause (i) with the Association covering such secondary market activities. Any agreement entered into under such subclause shall cover a period of 12 months, but may be renewed if the Secretary determines that liquidity remains inadequate. § 1087-3. Reorganization of Student Loan Marketing Association through formation of Holding Company

(a) Actions by Association’s Board of Directors

The Board of Directors of the Association shall take or cause to be taken all such action as the Board of Directors deems necessary or appropriate to effect, upon the shareholder approval described in subsection (b), a restructuring of the common stock ownership of the Association, as set forth in a plan of reorganization adopted by the Board of Directors (the terms of which shall be consistent with this section) so that all of the outstanding common shares of the Association shall be directly owned by a Holding Company. Such actions may include, in the Board of Director’s discretion, a merger of a wholly owned subsidiary of the Holding Company with and into the Association, which would have the effect provided in the plan of reorganization and the law of the jurisdiction in which such subsidiary is incorporated. As part of the restructuring, the Board of Directors may cause—

(1) the common shares of the Association to be converted, on the reorganization effective date, to common shares of the Holding Company on a one for one basis, consistent with applicable State or District of Columbia law; and

(2) Holding Company common shares to be registered with the Securities and Exchange Commission.

(b) Shareholder approval

The plan of reorganization adopted by the Board of Directors pursuant to subsection (a) shall be submitted to common shareholders of the Association for their approval. The reorganization shall occur on the reorganization effective date, provided that the plan of reorganization has been approved by the affirmative votes, cast in person or by proxy, of the holders of a majority of the issued and outstanding shares of the Association common stock.

(c) Transition

In the event the shareholders of the Association approve the plan of reorganization under subsection (b), the following provisions shall apply beginning on the reorganization effective date:

Except as specifically provided in this section, until the dissolution date the Association shall continue to have all of the rights, privileges and obligations set forth in, and shall be subject to all of the limitations and restrictions of, section 1087-2 of this title, and the Association shall continue to carry out the purposes of such section. The Holding Company and any subsidiary of the Holding Company (other than the Association) shall not be entitled to any of the rights, privileges, and obligations, and shall not be subject to the limitations and restrictions, applicable to the Association under section 1087-2 of this title, except as specifically provided in this section.

The Holding Company and any subsidiary of the Holding Company (other than the Association or a subsidiary of the Association) shall not purchase loans insured under this chapter until such time as the Association ceases acquiring such loans, except that the Holding Company may purchase such loans if the Association is merely continuing to acquire loans as a lender of last resort pursuant to section 1087-2(q) of this title or under an agreement with the Secretary described in paragraph (6).

(2) Transfer of certain property

(A) In general

Except as provided in this section, on the reorganization effective date or as soon as practicable thereafter, the Association shall use the Association’s best efforts to transfer to the Holding Company or any subsidiary of the Holding Company (or both), as directed by the Holding Company, all real and personal property of the Association (both tangible and intangible) other than the remaining property. Subject to the preceding sentence, such transferred property shall include all right, title, and interest in—

(i) direct or indirect subsidiaries of the Association (excluding special purpose funding companies in existence on September 30, 1996, and any interest in any government-sponsored enterprise);

(ii) contracts, leases, and other agreements of the Association;

(iii) licenses and other intellectual property of the Association; and

(iv) any other property of the Association.

(B) Construction

Nothing in this paragraph shall be construed to prohibit the Association from transferring remaining property from time to time to the Holding Company or any subsidiary of the Holding Company, subject to the provisions of paragraph (4).

(3) Transfer of personnel

On the reorganization effective date, employees of the Association shall become employees of the Holding Company (or any subsidiary of the Holding Company), and the Holding Company (or any subsidiary of the Holding Company) shall provide all necessary and appropriate management and operational support (including loan servicing) to the Association, as requested by the Association. The Association, however, may obtain such management and operational support from persons or entities not associated with the Holding Company.

(4) Dividends

The Association may pay dividends in the form of cash or noncash distributions so long as at the time of the declaration of such dividends, after giving effect to the payment of such dividends as of the date of such declaration by the Board of Directors of the Association, the Association’s capital would be in compliance with the capital standards and requirements set forth in section 1087-2(r) of this title. If, at any time after the reorganization
