§ 80q-9. Inventory, identification, and return of Indian human remains and Indian funerary objects in possession of Smithsonian Institution**(a) Inventory and identification**

(1) The Secretary of the Smithsonian Institution, in consultation and cooperation with traditional Indian religious leaders and government officials of Indian tribes, shall—

(A) inventory the Indian human remains and Indian funerary objects in the possession or control of the Smithsonian Institution; and

(B) using the best available scientific and historical documentation, identify the origins of such remains and objects.

(2) The inventory made by the Secretary of the Smithsonian Institution under paragraph (1) shall be completed not later than June 1, 1998.

(3) For purposes of this subsection, the term “inventory” means a simple, itemized list that, to the extent practicable, identifies, based upon available information held by the Smithsonian Institution, the geographic and cultural affiliation of the remains and objects referred to in paragraph (1).

(b) Notice in case of identification of tribal origin

If the tribal origin of any Indian human remains or Indian funerary object is identified by a preponderance of the evidence, the Secretary shall so notify any affected Indian tribe at the earliest opportunity.

(c) Return of Indian human remains and associated Indian funerary objects

If any Indian human remains are identified by a preponderance of the evidence as those of a particular individual or as those of an individual culturally affiliated with a particular Indian

tribe, the Secretary, upon the request of the descendants of such individual or of the Indian tribe shall expeditiously return such remains (together with any associated funerary objects) to the descendants or tribe, as the case may be.

(d) Return of Indian funerary objects not associated with Indian human remains

If any Indian funerary object not associated with Indian human remains is identified by a preponderance of the evidence as having been removed from a specific burial site of an individual culturally affiliated with a particular Indian tribe, the Secretary, upon the request of the Indian tribe, shall expeditiously return such object to the tribe.

(e) Interpretation

Nothing in this section shall be interpreted as—

(1) limiting the authority of the Smithsonian Institution to return or repatriate Indian human remains or Indian funerary objects to Indian tribes or individuals; or

(2) delaying actions on pending repatriation requests, denying or otherwise affecting access to the courts, or limiting any procedural or substantive rights which may otherwise be secured to Indian tribes or individuals.

(f) Authorization of appropriations

There is authorized to be appropriated \$1,000,000 for fiscal year 1991 and such sums as may be necessary for succeeding fiscal years to carry out this section and section 80q-9a of this title.

(Pub. L. 101-185, §11, Nov. 28, 1989, 103 Stat. 1343; Pub. L. 104-278, §3, Oct. 9, 1996, 110 Stat. 3355.)

AMENDMENTS

1996—Subsec. (a). Pub. L. 104-278, §3(a), designated existing provisions as par. (1), added pars. (2) and (3), and redesignated former pars. (1) and (2) as subpars. (A) and (B), respectively, of par. (1).

Subsec. (f). Pub. L. 104-278, §3(b), inserted “and section 80q-9a of this title” after “to carry out this section”.

§ 80q-9a. Summary and repatriation of unassociated funerary objects, sacred objects, and cultural patrimony**(a) Summary**

Not later than December 31, 1996, the Secretary of the Smithsonian Institution shall provide a written summary that contains a summary of unassociated funerary objects, sacred objects, and objects of cultural patrimony (as those terms are defined in subparagraphs (B), (C), and (D), respectively, of section 3001(3) of title 25, based upon available information held by the Smithsonian Institution. The summary required under this section shall include, at a minimum, the information required under section 3004 of title 25.

(b) Repatriation

Where cultural affiliation of Native American unassociated funerary objects, sacred objects, and objects of cultural patrimony has been established in the summary prepared pursuant to subsection (a), or where a requesting Indian tribe or Native Hawaiian organization can show

cultural affiliation by a preponderance of the evidence based upon geographical, kinship, biological, archaeological, anthropological, linguistic, folkloric, oral traditional, historical, or other relevant information or expert opinion, then the Smithsonian Institution shall expeditiously return such unassociated funerary object, sacred object, or object of cultural patrimony where—

(1) the requesting party is the direct lineal descendant of an individual who owned the unassociated funerary object or sacred object;

(2) the requesting Indian tribe or Native Hawaiian organization can show that the object was owned or controlled by the Indian tribe or Native Hawaiian organization; or

(3) the requesting Indian tribe or Native Hawaiian organization can show that the unassociated funerary object or sacred object was owned by a member thereof, provided that in the case where an unassociated funerary object or sacred object was owned by a member thereof, there are no identifiable lineal descendants of said member or the lineal descendants, upon notice, have failed to make a claim for the object.

(c) Standard of repatriation

If a known lineal descendant or an Indian tribe or Native Hawaiian organization requests the return of Native American unassociated funerary objects, sacred objects, or objects of cultural patrimony pursuant to this subchapter and presents evidence which, if standing alone before the introduction of evidence to the contrary, would support a finding that the Smithsonian Institution did not have the right of possession, then the Smithsonian Institution shall return such objects unless it can overcome such inference and prove that it has a right of possession to the objects.

(d) Museum obligation

Any museum of the Smithsonian Institution which repatriates any item in good faith pursuant to this subchapter shall not be liable for claims by an aggrieved party or for claims of fiduciary duty, public trust, or violations of applicable law that are inconsistent with the provisions of this subchapter.

(e) Statutory construction

Nothing in this section may be construed to prevent the Secretary of the Smithsonian Institution, with respect to any museum of the Smithsonian Institution, from making an inventory or preparing a written summary or carrying out the repatriation of unassociated funerary objects, sacred objects, or objects of cultural patrimony in a manner that exceeds the requirements of this subchapter.

(f) “Native Hawaiian organization” defined

For purposes of this section, the term “Native Hawaiian organization” has the meaning provided that term in section 3001(11) of title 25.

(Pub. L. 101-185, §11A, as added Pub. L. 104-278, §4, Oct. 9, 1996, 110 Stat. 3355.)
