“(A) The American Folklife Center in the Library of Congress was created by Congress in 1976, building on the vast expertise and archival material existing at the Library since 1928.

“(i) increased the size of the Archive of Folk Culture from 500,000 to 1,500,000 multi-format ethnographic items;

“(ii) engaged in 15 cultural surveys and field documentation projects in all regions of the country;

“(v) begun sharing its unique collections in digital form via the Internet; and
