§ 4352. Responsibility for preparation of FRUS series

(a) In general

(1)(A) The Historian of the Department of State shall be responsible for the preparation of the FRUS series, including the selection of records, in accordance with the provisions of this chapter.

(B) The Advisory Committee on Historical Diplomatic Documentation shall review records, and shall advise and make recommendations to the Historian concerning all aspects of preparation and publication of the FRUS series, including, in accordance with the procedures contained in section 4353 of this title, the review and selection of records for inclusion in volumes of the series.

(2) Other departments, agencies, and other entities of the United States Government shall cooperate with the Office of the Historian by providing full and complete access to the records pertinent to United States foreign policy decisions and actions and by providing copies of selected records in accordance with the procedures developed under section 4353 of this title, except that no access to any record, and no provision of any copy of a record, shall be required in the case of any record that was prepared less than 26 years before the date of a request for such access or copy made by the Office of the Historian.

(b) National Archives and Records Administration

Notwithstanding any other provision of this chapter, the requirement for the National Archives and Records Administration to provide access to, and copies of, records to the Department of State for the FRUS series shall be governed by chapter 21 of title 44, by any agreement concluded between the Department of State and the National Archives and Records Administration, and, in the case of Presidential records, by section 2204 of such title.

(Aug. 1, 1956, ch. 841, title IV, § 402, as added Pub. L. 102-138, title I, § 198(a), Oct. 28, 1991, 105 Stat. 685.)

AUTHORITY OF SECRETARY OF STATE

Except as otherwise provided, Secretary of State to have and exercise any authority vested by law in any official or office of Department of State and references to such officials or offices deemed to refer to Secretary of State or Department of State, as appropriate, see section 2651a of this title and section 161(d) of Pub. L. 103-236, set out as a note under section 2651a of this title.

§ 4353. Procedures for identifying records for FRUS series; declassification, revisions, and summaries

(a) Development of procedures

Not later than 180 days after October 28, 1991, each department, agency, or other entity of the United States Government engaged in foreign policy formulation, execution, or support shall

develop procedures for its historical office (or a designated individual in the event that there is no historical office)—

(1) to coordinate with the State Department’s Office of the Historian in selecting records for possible inclusion in the FRUS series;

(2) to permit full access to the original, unrevised records by such individuals holding appropriate security clearances as have been designated by the Historian as liaison to that department, agency, or entity, for purposes of this chapter, and by members of the Advisory Committee; and

(3) to permit access to specific types of records not selected for inclusion in the FRUS series by the individuals identified in paragraph (2) when requested by the Historian in order to confirm that records selected by that department, agency, or entity accurately represent the policymaking process reflected in the relevant part of the FRUS series.

(b) Declassification review

(1) Subject to the provisions of this subsection, records selected by the Historian for inclusion in the FRUS series shall be submitted to the respective originating agency for declassification review in accordance with that agency’s procedures for such review, except that such declassification review shall be completed by the originating agency within 120 days after such records are submitted for review. If the originating agency determines that any such record is not declassifiable because of a continuing need to protect sources and methods for the collection of intelligence information or to protect other sensitive national security information, then the originating agency shall attempt to make such deletions in the text as will make the record declassifiable.

(2) If the Historian determines that the meaning of the records proposed for inclusion in a volume of the FRUS series would be so altered or changed by deletions made under paragraph (1) that publication in that condition could be misleading or lead to an inaccurate or incomplete historical record, then the Historian shall take steps to achieve a satisfactory resolution of the problem with the originating agency. Within 60 days of receiving a proposed solution from the Historian, the originating agency shall furnish the Historian a written response agreeing to the solution or explaining the reasons for the alteration or deletion.

(3) The Historian shall inform the Advisory Committee of any failure by an originating agency to complete its declassification review of a record within 120 days and of any steps taken under paragraph (2).

(4) If the Advisory Committee determines that the meaning of the records proposed for inclusion in a volume of the FRUS series would be so altered or changed by deletions made under paragraph (1), or if the Advisory Committee determines as a result of inspection of other documents under subsection (a)(3) that the selection of documents could be misleading or lead to an inaccurate or incomplete historical record, then the Advisory Committee shall so advise the Secretary of State and submit recommendations to resolve the issue.
