The parties so consulting shall identify any waivers of statutory requirements or of Federal agency regulations, policies, or procedures necessary to enable the tribal government to implement its plan. Notwithstanding any other provision of law, the Secretary of the affected agency shall have the authority to waive any statutory requirement, regulation, policy, or procedure promulgated by that agency that has been so identified by such tribal government or agency, unless the Secretary of the affected agency determines that such a waiver is inconsistent with the purposes of this chapter or those provisions of the statute from which the program involved derives its authority which are specifically applicable to Indian programs.”

(3) Final agency action

Notwithstanding any other provision of law, a decision by an official of the Department of the Interior or the Department of Health and Human Services, as appropriate (collectively referred to in this paragraph as the “Department”) that constitutes final agency action and that relates to an appeal within the Department that is conducted under paragraph (1)(C) shall be made—
