

to an Indian tribe or tribal energy resource development organization for use in carrying out—

(A) energy, energy efficiency, and energy conservation programs;

(B) studies and other activities supporting tribal acquisitions of energy supplies, services, and facilities, including the creation of tribal utilities to assist in securing electricity to promote electrification of homes and businesses on Indian land;

(C) planning, construction, development, operation, maintenance, and improvement of tribal electrical generation, transmission, and distribution facilities located on Indian land; and

(D) development, construction, and interconnection of electric power transmission facilities located on Indian land with other electric transmission facilities.

(3)(A) The Director shall develop a program to support and implement research projects that provide Indian tribes with opportunities to participate in carbon sequestration practices on Indian land, including—

(i) geologic sequestration;

(ii) forest sequestration;

(iii) agricultural sequestration; and

(iv) any other sequestration opportunities the Director considers to be appropriate.

(B) The activities carried out under subparagraph (A) shall be—

(i) coordinated with other carbon sequestration research and development programs conducted by the Secretary of Energy;

(ii) conducted to determine methods consistent with existing standardized measurement protocols to account and report the quantity of carbon dioxide or other greenhouse gases sequestered in projects that may be implemented on Indian land; and

(iii) reviewed periodically to collect and distribute to Indian tribes information on carbon sequestration practices that will increase the sequestration of carbon without threatening the social and economic well-being of Indian tribes.

(4)(A) The Director, in consultation with Indian tribes, may develop a formula for providing grants under this subsection.

(B) In providing a grant under this subsection, the Director shall give priority to any application received from an Indian tribe with inadequate electric service (as determined by the Director).

(C) In providing a grant under this subsection for an activity to provide, or expand the provision of, electricity on Indian land, the Director shall encourage cooperative arrangements between Indian tribes and utilities that provide service to Indian tribes, as the Director determines to be appropriate.

(5) The Secretary of Energy may issue such regulations as the Secretary determines to be necessary to carry out this subsection.

(6) There is authorized to be appropriated to carry out this subsection \$20,000,000 for each of fiscal years 2006 through 2016.

(c) Department of Energy loan guarantee program

(1) Subject to paragraphs (2) and (4), the Secretary of Energy may provide loan guarantees

(as defined in section 661a of title 2) for an amount equal to not more than 90 percent of the unpaid principal and interest due on any loan made to an Indian tribe for energy development.

(2) In providing a loan guarantee under this subsection for an activity to provide, or expand the provision of, electricity on Indian land, the Secretary of Energy shall encourage cooperative arrangements between Indian tribes and utilities that provide service to Indian tribes, as the Secretary determines to be appropriate.

(3) A loan guarantee under this subsection shall be made by—

(A) a financial institution subject to examination by the Secretary of Energy; or

(B) an Indian tribe, from funds of the Indian tribe.

(4) The aggregate outstanding amount guaranteed by the Secretary of Energy at any time under this subsection shall not exceed \$2,000,000,000.

(5) The Secretary of Energy may issue such regulations as the Secretary of Energy determines are necessary to carry out this subsection.

(6) There are authorized to be appropriated such sums as are necessary to carry out this subsection, to remain available until expended.

(7) Not later than 1 year after August 8, 2005, the Secretary of Energy shall submit to Congress a report on the financing requirements of Indian tribes for energy development on Indian land.

(d) Preference

(1) In purchasing electricity or any other energy product or byproduct, a Federal agency or department may give preference to an energy and resource production enterprise, partnership, consortium, corporation, or other type of business organization the majority of the interest in which is owned and controlled by 1 or more Indian tribes.

(2) In carrying out this subsection, a Federal agency or department shall not—

(A) pay more than the prevailing market price for an energy product or byproduct; or

(B) obtain less than prevailing market terms and conditions.

CODIFICATION

August 8, 2005, referred to in subsec. (c)(7), was in the original “the date of enactment of this section”, which was translated as meaning the date of enactment of Pub. L. 109-58, which amended this chapter generally, to reflect the probable intent of Congress.

PRIOR PROVISIONS

A prior section 3502, Pub. L. 102-486, title XXVI, §2602, Oct. 24, 1992, 106 Stat. 3113, related to tribal consultation in implementing provisions, prior to the general amendment of this chapter by Pub. L. 109-58.

§ 3503. Indian tribal energy resource regulation

(a) Grants

The Secretary may provide to Indian tribes, on an annual basis, grants for use in accordance with subsection (b).

(b) Use of funds

Funds from a grant provided under this section may be used—

(1)(A) by an Indian tribe for the development of a tribal energy resource inventory or tribal energy resource on Indian land;

(B) by an Indian tribe for the development of a feasibility study or other report necessary to the development of energy resources on Indian land;

(C) by an Indian tribe (other than an Indian Tribe in the State of Alaska, except the Metlakatla Indian Community) for—

(i) the development and enforcement of tribal laws (including regulations) relating to tribal energy resource development; and

(ii) the development of technical infrastructure to protect the environment under applicable law; or

(D) by a Native Corporation for the development and implementation of corporate policies and the development of technical infrastructure to protect the environment under applicable law; and

(2) by an Indian tribe for the training of employees that—

(A) are engaged in the development of energy resources on Indian land; or

(B) are responsible for protecting the environment.

(c) Other assistance

(1) In carrying out the obligations of the United States under this chapter, the Secretary shall ensure, to the maximum extent practicable and to the extent of available resources, that on the request of an Indian tribe, the Indian tribe shall have available scientific and technical information and expertise, for use in the regulation, development, and management of energy resources of the Indian tribe on Indian land.

(2) The Secretary may carry out paragraph (1)—

(A) directly, through the use of Federal officials; or

(B) indirectly, by providing financial assistance to an Indian tribe to secure independent assistance.

(Pub. L. 102-486, title XXVI, § 2603, as added Pub. L. 109-58, title V, § 503(a), Aug. 8, 2005, 119 Stat. 768.)

PRIOR PROVISIONS

A prior section 3503, Pub. L. 102-486, title XXVI, § 2603, Oct. 24, 1992, 106 Stat. 3114; Pub. L. 105-388, § 10, Nov. 13, 1998, 112 Stat. 3484, related to promotion of energy resource development and energy vertical integration on Indian reservations, prior to the general amendment of this chapter by Pub. L. 109-58.

§ 3504. Leases, business agreements, and rights-of-way involving energy development or transmission**(a) Leases and business agreements**

In accordance with this section—

(1) an Indian tribe may, at the discretion of the Indian tribe, enter into a lease or business agreement for the purpose of energy resource development on tribal land, including a lease or business agreement for—

(A) exploration for, extraction of, processing of, or other development of the energy mineral resources of the Indian tribe located on tribal land; or

(B) construction or operation of—

(i) an electric generation, transmission, or distribution facility located on tribal land; or

(ii) a facility to process or refine energy resources developed on tribal land; and

(2) a lease or business agreement described in paragraph (1) shall not require review by or the approval of the Secretary under section 81 of this title, or any other provision of law, if—

(A) the lease or business agreement is executed pursuant to a tribal energy resource agreement approved by the Secretary under subsection (e);

(B) the term of the lease or business agreement does not exceed—

(i) 30 years; or

(ii) in the case of a lease for the production of oil resources, gas resources, or both, 10 years and as long thereafter as oil or gas is produced in paying quantities; and

(C) the Indian tribe has entered into a tribal energy resource agreement with the Secretary, as described in subsection (e), relating to the development of energy resources on tribal land (including the periodic review and evaluation of the activities of the Indian tribe under the agreement, to be conducted pursuant to subsection (e)(2)(D)(i)).

(b) Rights-of-way for pipelines or electric transmission or distribution lines

An Indian tribe may grant a right-of-way over tribal land for a pipeline or an electric transmission or distribution line without review or approval by the Secretary if—

(1) the right-of-way is executed in accordance with a tribal energy resource agreement approved by the Secretary under subsection (e);

(2) the term of the right-of-way does not exceed 30 years;

(3) the pipeline or electric transmission or distribution line serves—

(A) an electric generation, transmission, or distribution facility located on tribal land; or

(B) a facility located on tribal land that processes or refines energy resources developed on tribal land; and

(4) the Indian tribe has entered into a tribal energy resource agreement with the Secretary, as described in subsection (e), relating to the development of energy resources on tribal land (including the periodic review and evaluation of the activities of the Indian tribe under an agreement described in subparagraphs (D) and (E) of subsection (e)(2)).

(c) Renewals

A lease or business agreement entered into, or a right-of-way granted, by an Indian tribe under this section may be renewed at the discretion of the Indian tribe in accordance with this section.

(d) Validity

No lease, business agreement, or right-of-way relating to the development of tribal energy re-
