(2) Period for which information is to be furnished, etc.

The information required under paragraph (1) shall be furnished for the annual accounting period of the foreign business entity ending with or within the United States person's taxable year. The information so required shall be furnished at such time and in such manner as the Secretary shall prescribe.

(2) Increase in penalty where failure continues after notification

(c) Penalty of reducing foreign tax credit

(1) In general

If a United States person fails to furnish, within the time prescribed under paragraph (2) of subsection (a), any information with respect to any foreign business entity required under paragraph (1) of subsection (a), then—

(A) in applying section 901 (relating to taxes of foreign countries and possessions of the United States) to such United States person for the taxable year, the amount of taxes (other than taxes reduced under subparagraph (B)) paid or deemed paid (other than those deemed paid under section 904(c)) to any foreign country or possession of the United States for the taxable year shall be reduced by 10 percent, and

¹ See References in Text note below.

information is required under paragraph (2) of subsection (a) shall be reduced by 10 percent.

If such failure continues 90 days or more after notice of such failure by the Secretary to the United States person, then the amount of the reduction under this paragraph shall be 10 percent plus an additional 5 percent for each 3-month period, or fraction thereof, during which such failure to furnish information continues after the expiration of such 90-day period.

(2) Limitation

(4) Special rules

(A) No taxes shall be reduced under this subsection more than once for the same failure.

(B) For purposes of this subsection and subsection (b), the time prescribed under paragraph (2) of subsection (a) to furnish information (and the beginning of the 90-day period after notice by the Secretary) shall be treated as being not earlier than the last day on which (as shown to the satisfaction of the Secretary) reasonable cause existed for failure to furnish such information.

(d) Two or more persons required to furnish information with respect to same foreign corporation

Where, but for this subsection, two or more United States persons would be required to furnish information under subsection (a) with respect to the same foreign business entity for the same period, the Secretary may by regulations provide that such information shall be required only from one person. To the extent practicable, the determination of which person shall furnish the information shall be made on the basis of actual ownership of stock.

For purposes of this section—

(1) Foreign business entity

The term “foreign business entity” means a foreign corporation and a foreign partnership.

(2) Control of corporation

A person is in control of a corporation if such person owns stock possessing more than 50 percent of the total combined voting power of all classes of stock entitled to vote, or more than 50 percent of the total value of shares of

If a person is in control (within the meaning of the preceding sentence) of a corporation which in turn owns more than 50 percent of the total combined voting power of all classes of stock entitled to vote of another corporation, or owns more than 50 percent of the total value of the shares of all classes of stock of another corporation, then such person shall be treated as in control of such other corporation. For purposes of this paragraph, the rules prescribed by section 318(a) for determining ownership of stock shall apply; except that—

(A) subparagraphs (A), (B), and (C) of section 318(a)(3) shall not be applied so as to consider a United States person as owning stock which is owned by a person who is not a United States person, and

(B) in applying subparagraph (C) of section 318(a)(2), the phrase “10 percent” shall be substituted for the phrase “50 percent” used in subparagraph (C).

(3) Partnership-related definitions

(A) Control

A person is in control of a partnership if such person owns directly or indirectly more than a 50 percent interest in such partnership.

(B) 50-percent interest

For purposes of subparagraph (A), a 50-percent interest in a partnership is—

(i) an interest equal to 50 percent of the capital interest, or 50 percent of the profits interest, in such partnership, or

(ii) to the extent provided in regulations, an interest to which 50 percent of the deductions or losses of such partnership are allocated.

For purposes of the preceding sentence, rules similar to the rules of section 267(c) (other than paragraph (3)) shall apply.

(C) 10-percent interest

A 10-percent interest in a partnership is an interest which would be described in subparagraph (B) if “10 percent” were substituted for “50 percent” each place it appears.

(4) Annual accounting period

The annual accounting period of a foreign business entity is the annual period on the basis of which such foreign business entity regularly computes its income in keeping its books. In the case of a specified foreign business entity (as defined in section 898), the taxable year of such foreign business entity shall be treated as its annual accounting period.
