§ 3004. State grants for protection and advocacy services related to assistive technology

(a) Grants

(1) In general

The Secretary shall make grants under subsection (b) to protection and advocacy systems in each State for the purpose of enabling such systems to assist in the acquisition, utilization, or maintenance of assistive technology devices or assistive technology services for individuals with disabilities.

(2) General authorities

In providing such assistance, protection and advocacy systems shall have the same general authorities as the systems are afforded under subtitle C of title I of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (42 U.S.C. 15041 et seq.), as determined by the Secretary.

(b) Grants

(1) Reservation

For each fiscal year, the Secretary shall reserve such sums as may be necessary to carry out paragraph (4).

(2) Population basis

From the funds appropriated under section 3007(b) of this title for a fiscal year and remaining after the reservation required by paragraph (1) has been made, the Secretary shall make a grant to a protection and advocacy system within each State in an amount bearing the same ratio to the remaining funds as the population of the State bears to the population of all States.

(3) Minimums

Subject to the availability of appropriations, the amount of a grant to a protection and advocacy system under paragraph (2) for a fiscal year shall—

(A) in the case of a protection and advocacy system located in American Samoa, Guam, the United States Virgin Islands, or the Commonwealth of the Northern Mariana Islands, not be less than \$30,000; and

(B) in the case of a protection and advocacy system located in a State not described in subparagraph (A), not be less than \$50,000.

(4) Payment to the system serving the American Indian Consortium

(A) In general

The Secretary shall make grants to the protection and advocacy system serving the American Indian Consortium to provide services in accordance with this section.

(B) Amount of grants

The amount of such grants shall be the same as the amount provided under paragraph (3)(A).

(c) Direct payment

Notwithstanding any other provision of law, the Secretary shall pay directly to any protection and advocacy system that complies with this section, the total amount of the grant made for such system under this section, unless the system provides otherwise for payment of the grant amount.

(d) Certain States**(1) Grant to lead agency**

Notwithstanding any other provision of this section, with respect to a State that, on November 12, 1998, was described in section 2212(f)(1)¹ of this title, the Secretary shall pay the amount of the grant described in subsection (a), and made under subsection (b), to the lead agency designated under section 3003(c)(1) of this title for the State.

(2) Distribution of funds

A lead agency to which a grant amount is paid under paragraph (1) shall determine the manner in which funds made available through the grant will be allocated among the entities that were providing protection and advocacy services in that State on the date described in such paragraph, and shall distribute funds to such entities. In distributing such funds, the lead agency shall not establish any additional eligibility or procedural requirements for an entity in the State that supports protection and advocacy services through a protection and advocacy system. Such an entity shall comply with the same requirements (including reporting and enforcement requirements) as any other entity that receives funding under this section.

(3) Application of provisions

Except as provided in this subsection, the provisions of this section shall apply to the grant in the same manner, and to the same extent, as the provisions apply to a grant to a system.

(e) Carryover

Any amount paid to an eligible system for a fiscal year under this section that remains unobligated at the end of such fiscal year shall remain available to such system for obligation during the subsequent fiscal year. Program income generated from such amount shall remain available for 2 additional fiscal years after the year in which such amount was paid to an eligible system and may only be used to improve the awareness of individuals with disabilities about the accessibility of assistive technology and assist such individuals in the acquisition, utilization, or maintenance of assistive technology devices or assistive technology services.

(f) Report to Secretary

An entity that receives a grant under this section shall annually prepare and submit to the

Secretary a report that contains such information as the Secretary may require, including documentation of the progress of the entity in—

(1) conducting consumer-responsive activities, including activities that will lead to increased access, for individuals with disabilities, to funding for assistive technology devices and assistive technology services;

(2) engaging in informal advocacy to assist in securing assistive technology devices and assistive technology services for individuals with disabilities;

(3) engaging in formal representation for individuals with disabilities to secure systems change, and in advocacy activities to secure assistive technology devices and assistive technology services for individuals with disabilities;

(4) developing and implementing strategies to enhance the long-term abilities of individuals with disabilities and their family members, guardians, advocates, and authorized representatives to advocate the provision of assistive technology devices and assistive technology services to which the individuals with disabilities are entitled under law other than this chapter;

(5) coordinating activities with protection and advocacy services funded through sources other than this chapter, and coordinating activities with the capacity building and advocacy activities carried out by the lead agency; and

(6) effectively allocating funds made available under this section to improve the awareness of individuals with disabilities about the accessibility of assistive technology and assist such individuals in the acquisition, utilization, or maintenance of assistive technology devices or assistive technology services.

(g) Reports and updates to State agencies

An entity that receives a grant under this section shall prepare and submit to the lead agency of the State designated under section 3003(c)(1) of this title the report described in subsection (f) and quarterly updates concerning the activities described in subsection (f).

(h) Coordination

On making a grant under this section to an entity in a State, the Secretary shall solicit and consider the opinions of the lead agency of the State with respect to efforts at coordination of activities, collaboration, and promoting outcomes between the lead agency and the entity that receives the grant under this section.

§ 3005. National activities

(a) In general

In order to support activities designed to improve the administration of this chapter, the Secretary, under subsection (b)—

(1) may award, on a competitive basis, grants, contracts, and cooperative agreements to entities to support activities described in paragraphs (1) and (2) of subsection (b); and

(2) shall award, on a competitive basis, grants, contracts, and cooperative agreements to entities to support activities described in paragraphs (3), (4), and (5) of subsection (b).

(b) Authorized activities

(1) National public-awareness toolkit

(A) National public-awareness toolkit

The Secretary may award a 1-time grant, contract, or cooperative agreement to an eligible entity to support a training and technical assistance program that—

(i) expands public-awareness efforts to reach targeted individuals and entities;

(ii) contains appropriate accessible multimedia materials to reach targeted individuals and entities, for dissemination to State assistive technology programs; and

(iii) in coordination with State assistive technology programs, provides meaningful and up-to-date information to targeted individuals and entities about the availability of assistive technology devices and assistive technology services.

(B) Eligible entity

To be eligible to receive the grant, contract, or cooperative agreement, an entity shall develop a partnership that—

(i) shall consist of—

(I) a lead agency or implementing entity for a State assistive technology program or an organization or association that represents implementing entities for State assistive technology programs;

(II) a private or public entity from the media industry;

(III) a private entity from the assistive technology industry; and

(IV) a private employer or an organization or association that represents private employers;

(ii) may include other entities determined by the Secretary to be necessary; and

(iii) may include other entities determined by the applicant to be appropriate.

(2) Research and development

(A) In general

The Secretary may award grants, contracts, or cooperative agreements to eligible entities to carry out research and development of assistive technology that consists of—

(i) developing standards for reliability and accessibility of assistive technology, and standards for interoperability (including open standards) of assistive technology with information technology, telecommunications products, and other assistive technology; or

(ii) developing assistive technology that benefits individuals with disabilities or developing technologies or practices that result in the adaptation, maintenance, servicing, or improvement of assistive technology devices.

(B) Eligible entities

Entities eligible to receive a grant, contract, or cooperative agreement under this paragraph shall include—

(i) providers of assistive technology services and assistive technology devices;

(ii) institutions of higher education, including University Centers for Excellence in Developmental Disabilities Education, Research, and Service authorized under subtitle D of title I of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 (42 U.S.C. 15061 et seq.), or such institutions offering rehabilitation engineering programs, computer science programs, or information technology programs;

(iii) manufacturers of assistive technology devices; and

(iv) professionals, individuals, organizations, and agencies providing services or employment to individuals with disabilities.

(C) Collaboration

An entity that receives a grant, contract, or cooperative agreement under this paragraph shall, in developing and implementing the project carried out through the grant, contract, or cooperative agreement coordinate activities with the lead agency for the State assistive technology program (or a national organization that represents such programs) and the State advisory council described in section 3003(c)(2) of this title (or a national organization that represents such councils).

(3) State training and technical assistance

(A) Training and technical assistance efforts

The Secretary shall award a grant, contract, or cooperative agreement to an entity to support a training and technical assistance program that—

(i) addresses State-specific information requests concerning assistive technology from entities funded under this chapter and public entities not funded under this chapter, including—

(I) requests for information on effective approaches to Federal-State coordination of programs for individuals with disabilities, related to improving funding for or access to assistive technology devices and assistive technology services for individuals with disabilities of all ages;

(II) requests for state-of-the-art, or model, Federal, State, and local laws, regulations, policies, practices, procedures, and organizational structures, that facilitate, and overcome barriers to, funding for, and access to, assistive technology devices and assistive technology services;
